

Dear Prospective Member of Phi Sigma Pi,

**Congratulations!** Due to your outstanding academic achievement, the Epsilon Omicron Chapter of Phi Sigma Pi National Honor Fraternity would like to invite you to attend our spring rush!

What is Phi Sigma Pi? We are a coed organization that brings the best elements of an honor society, service club, and social fraternity together through **Scholarship, Leadership, and Fellowship**. Phi Sigma Pi is an active campus organization at ESU and offers a wide variety of experiences for our members. Ranging from academic programs and leadership opportunities to service projects and social gatherings, our activities celebrate the diversity of our members and promote the qualities of involvement and brotherhood. Most importantly, we are seeking new members who are friendly, well-rounded and interested in positively impacting our campus and fraternity as a whole.

Because this letter can only begin to explain Phi Sigma Pi, we hope you will attend a **Meet Phi Sigma Pi Night** to learn more!
