

# Work Study Position

## SOUND TECHNICIAN

FOR

## ESU UNIVERSITY SINGERS

**UNIVERSITY SINGERS** is an auditioned group of student singers and 3-piece rhythm section specializing in jazz and popular music.

The work of the **SOUND TECHNICIAN WORK STUDY** takes place at every University Singers weekly rehearsal (Wednesdays 1:00-2:50 pm in the Recital Hall) and end-of-semester concerts and additional performances. **Duties involve** setting up and disassembling all sound equipment - microphones, monitor speakers, mic stands, connecting cables - as well as operating the sound board in the **Recital Hall's new sound booth**.

**Experience with sound equipment is necessary**, and the ability to understand basic printed music notation is a most desired plus! *In addition to work study pay, the student can also receive 1 academic credit each semester toward General Education graduation requirements.*
