

**FDR Fall Poster Event to Showcase Faculty Research**  
**Thursday, November 13**  
**12 – 3 p.m.**  
**Hoeffner Science and Technology Center**

Join the Faculty Development and Research (FDR) Grants Committee for its annual fall poster event on Thursday, November 13, from noon - 3 p.m. in the main lobby of the Science and Technology Center. The display is open to the public and is free of charge.

This event offers ESU faculty members who received travel grants or mini grants from the FDR Committee the opportunity to present, in poster form, the results of their funded research. The main lobby will become a temporary visual repository of research from an array of academic departments, showcasing FDR-funded scholarship produced from Fall 2013 through Summer 2014. The university's FDR grant initiative is funded by the Office of the Provost.
