Monday, April 22, 2013
East Stroudsburg University Innovation Center
562 Independence Road, East Stroudsburg, PA 18301

ROUNDTABLE OBJECTIVES

• Identify bioscience industry needs in facilities, equipment and personnel
• Identify subject matter experts to assess the educational and workforce needs of the industry
• Identify projects underway at industry research and testing facilities
• Identify research and testing underway at colleges and universities

Create an economic development strategy to expand the region's bioscience industry sector.

RSVP
sglasco@esu.edu or 570 422-7952

Roundtables will be co-facilitated by East Stroudsburg University of Pennsylvania's Research and Economic Development Division and Pennsylvania BIO.

This Project is a component of the Northeastern Pennsylvania Regional Bioscience Initiative and was financed by a grant from the Commonwealth of Pennsylvania, Department of Community and Economic Development.
