**Degree Credits Applied Snapshot from DegreeWorks**

*Continuing student registration is based on the total credits a student has towards their degree. That is, total earned credits plus total Spring 2016 enrolled credits. Please check DegreeWorks to determine the number of Credits Applied to your degree.*

**Set!**

- Please familiarize yourself with the registration tools available through the myESU portal. These are available from the links in the Registration Tools box from the Student tab.
- If you have any outstanding semester charges that you have not made arrangements to pay, your balance will be reflected as past due. You may also be billed for late charges for the semester. Your current bill is available to view from the View My Bill link in the Student Billing Tools box under the Student tab.
- If you have a hold on your account, the hold may affect your ability to register. You may view holds by clicking on the View Hold & Record Notification Message link from the Student Resources toolbox under the Student tab. Holds will need to be cleared prior to your registration start time.
- When you register for classes each term, you agree to pay the fees and charges assessed by ESU. Your Fall 2016 semester bill must be paid in full by the due date. No student shall enroll in classes, graduate from the University or receive transcripts of coursework taken while at the University until all fees have been paid.
Register!

- Please visit your faculty advisor to be advised on course selection and degree requirements. Your faculty advisor is assigned by your department chair or special program coordinator and will be listed in your Academic Profile toolbox under the Student tab in the myESU portal.
- Your degree audit can be accessed via the DegreeWorks Grad Evaluation link in the Student Resources toolbox under the Student tab. Please use this as a guide to help you determine how the courses that you have taken or are currently enrolled in will fit into your program/degree requirements. You will need to work with your faculty advisor to ensure that you are on track for completing requirements or to determine how your courses meet your major and general education requirements. If you discover any discrepancies while reviewing your degree audit, please let us know by sending an email with your questions and concerns to the Records and Registration area at records@esu.edu.
- Your faculty advisor will also give you your registration PIN which you will need to create or modify your semester schedule. **Save this 6-digit number as you will need it to add or drop classes for your Fall 2016 semester schedule.**
- Review the Degree Credits Applied in the table above to determine your registration group and the first available time that you will be allowed to register.
- Prior to or at your registration time students can begin planning and or registering for Fall 2016 classes using the Schedule Planner tool. Schedule Planner is a tool designed to make registration easier for students. You are able to block out work schedules, breaks, team practices and visually design a schedule that will meet your need. The Schedule Planner can be found in the myESU Portal (click here for Schedule Planner directions).
- Other important registration instructions such as signing up for a waitlist will also be found on the Student tab in the myESU portal Student Instructions toolbox.

Please also remember,

** Fall 2016 registration starts at 12:01 AM on the specified date in the table above for each of the Registration Groups identified. **Continuing students are encouraged to register at their corresponding registration time shown above.**

All students will need to complete the Confirm Your Attendance survey for the Fall 2016 semester by September 6, 2016. The new Fall 2016 survey will be available in the myESU portal beginning April 1, 2016. Additionally, if you will be relocating to a new local address for the upcoming academic year, update your local address. Please also review your phone and update if necessary. Click on the View and Update Address link in the Student Resource toolbox under the Student tab.

New students for Fall 2016 will have their semester schedules built and coordinated by their academic departments. If you are going to be a new student with us for the Fall 2016 semester, you will receive your specific registration instructions after you have paid your enrollment deposit.
Please continue to check your ESU email and the myESU portal for helpful updates on registration for the Fall 2016 semester.
