4.	Sign and complete a Title IX form and acknowledge receiving the Title IX documentation.
5.	Submit your signed forms to the department secretary at kraptakis@esu.edu before the drop/add date for the semester. 7.	If you submit paperwork for an internship site, you cannot change to a different internship site without notifying your advisor and the Department Secretary.

Dear Student,

An internship is an excellent way to apply the knowledge gained in the classroom to the workforce. Although the Department of Business Management does not require internships for graduation, we encourage you to take advantage of earning credits for a qualifying internship.

You can **earn up to twelve credits** that will fulfill your free elective requirement. An internship also helps fulfill the **advanced course requirement**. Please note that in order to earn credits, you must carefully follow the guidelines in the internship manual. These requirements include submitting all internship paperwork **PRIOR** to beginning work at the internship site. **There is no retroactive internship credit.** You must also provide the organization's contact information so that they can sign an affiliation agreement. The department secretary will get the affiliation agreement processed.

Internships now require students to sign a Title IX document and receive Title IX documentation.

Note: Your faculty internship advisor will tell you what type of paper will be required.

The deadline for submitting internship paperwork is the drop/add date for the semester.

Sincerely,

Professor David Daniel, CPA
Associate Professor and Chair
Business Management Department
