

# “Virtual” Warrior Welcome: Accepted Students Reception

Saturday, April 25  
10 a.m.

## DEAR FUTURE WARRIORS,

The Warrior nation is excited to welcome you to our family. While we cannot currently celebrate with you in person, we have created a virtual event like no other, and cannot wait for you to join us on campus this upcoming fall!

Our outstanding Admissions team and many members of our campus community have gotten to know you through your stellar applications for admission, an Open House or campus visit. Although we had hoped to officially welcome you to campus before the fall semester, we remain convinced that you'll be an excellent addition to our Warrior community.

We are proud to offer this virtual alternative to our on-campus Accepted Students Reception. Below is a wonderful agenda that we have planned for you, and we hope that you enjoy this amazing event. In person or online, ESU is Where Warriors Belong!

Sincerely,

Jorge Osorio, Director of Admissions
