(AT Hold/Message on Student Record)

The university is in the process of implementing a new student information system which involves validating your previous semesters of enrollment – course codes, numbers, names/titles, grades, GPA and your current major. This also includes any transfer work previously evaluated. It is our intention to check every academic transcript before it is officially sent to a third party. When reviewing your transcript online, please let us know if you discover any discrepancies. Send an email to the Registrar's area at records@esu.edu .
