

WHERE **WARRIORS** BELONG

Orientation

All students entering ESU for spring 2020 are required to attend the January 19, 2020 orientation session being held at the Fine and Performing Arts Center.

All freshman students entering ESU for Fall 2020 are required to attend one Orientation session, typically offered in June.

Throughout each Orientation session, you will meet with other students in your major, speak with faculty members about your programs of study and degree requirements, learn about ESU student services, explore ways to get involved with groups and events on campus, be introduced to academic policies and support mechanisms, meet student orientation leaders, and make important connections!

You will receive your class schedule and ESU Student ID card at Orientation.

Visit esu.edu/orientation for information and registration details. You may call 570-422-3542 or email admission@esu.edu with questions.

Warrior Induction

In August 2020, a **mandatory** WARRIOR INDUCTION program will be held immediately following student move-in. WARRIOR INDUCTION is a full weekend of fun- filled, learning experiences prior to the beginning of classes!

For more information visit esu.edu/newstudents.
