## HOUSING

Campus housing is guaranteed for readmit students if you submit the \$300 enrollment fee (which you've already done) & submit the housing application (on the previous page) by the below deadlines:

- Spring 2020 Readmits - within one week of the start of the semester.
- Fall 2020 Readmits – first week in June, 2019.

The Spring 2020 and Fall 2020 Housing and Dining Self-Service Link (which allows you to apply for housing, submit room and roommate requests and sign up for meal plans) will be live first week in October 2019.
