HOUSING

If you need housing for the summer please contact Patrick Monaghan, Resident Director at 570-422-3592 or pmonaghan@esu.edu.

For the Fall: all freshmen must live on campus, unless you are commuting from your legal home address. You are guaranteed housing as long as you submit the \$300 enrollment fee (which you've already done) & submit the housing application which will be available starting October 1st.
