5. Verification is a validation of academic related activity completed by the student. Verification can be submitted multiple times for each section and is due by end of day September 14, 2020. This information will ensure the most accurate enrollment is recorded. The Student Enrollment Center will start processing roster verifications on September 15th at which point students who have been indicated as not attending with a zero (0) in the attended hour’s column will be removed from sections.

6. Students requesting to be added to sections:

If you are allowing a student to be added to your section, you can issue the student a “Registration Override” to secure their place in the section. When you issue a “Registration Override” through your MyESU Portal, the student must go into their portal and register themselves for the class in order to be added to the section. Please be aware of your classroom capacity when issuing student registration overrides.

Registration Overrides will not function after September 8th as students will not be able to add themselves into the class via their portal. If you are requesting students to be added to sections after September 8th please email records@esu.edu with the student ID number and CRN of the section you would like the student added to.

Please note: Instruction on issuing a Registration Override can be found under the Faculty Announcement tab.

Please see below for additional withdrawal dates for the Fall 2020 semester:

- The last date to withdraw from a full semester course is November 5.
- The last day to withdraw from a quarter 2 course is November 24.
