Bachelor of Science:		Social Work	
Approved Professional Licensure Program: YES or NO		Note: Requires Master Degree in Pennsylvania	
<p style="color: red; text-align: center;">Not all 50 states have Licensure for Bachelor's level social workers, unlike for Master's level social workers; For states that have a licensure for BSWs, having a CSWE-Accredited undergraduate social work degree (like the one offered at ESU), is a requirement to sit for a BSW licensing exam.</p>
