

ESU Athletic Training Program – FERPA Online Training

Required PRIOR to clinical experience assignment

- Required in the Athletic Training department office **prior to August 1st at 4:00PM.**
- The online FERPA training program can be found in D2L under “Student Courses” and then by selecting the “FERPA Training Module”. After completing the training, you will take a short quiz. Once the quiz has been completed and successfully passed, your results will automatically be sent to the Student Enrollment Center.
- Please note that it is the student’s responsibility to confirm with the department secretary that their FERPA training confirmation has been forwarded to the Athletic Training department.
- In D2L there is a short video you can watch with directions as to how to complete the FERPA training.
- You should allow approximately 70 minutes to complete viewing all FERPA Powerpoint presentations and allow additional time to take the necessary quiz.
