

ESU Athletic Training Program – HIPAA Training

Online Verification and Annual Update

Required annually PRIOR to clinical experience assignment

- Please complete the online course and submit a *signed* certificate to the Athletic Training department secretary **prior to August 1st at 4:00PM** of your first clinical experience assignment.
- Following the online course, there is a short assessment/quiz you must complete.
- After the quiz, your certificate will be sent electronically via email. Note: It may take a few days to receive the email certificate.
- This course is used for both initial training **AND** required annual updates.

Use the following link(s) to go to the HIPAA training:

Important: You must review the material and complete the quiz in the same session for the time you spend training to be recorded accurately. Most courses take about 30 minutes to complete.

- **Understanding COBRA/HIPAA for Supervisors Training Course**
