ESU Athletics will host Greek Day at Saturday’s women’s and men’s basketball games. Twelve tables will be set up in Koehler Fieldhouse for each fraternity and sorority to raise money for their individual philanthropies. Please bring spare change or loose cash to give to organizations such as Breast Cancer Awareness and Research, American Red Cross, Habitat for Humanity, HIV/AIDS Awareness, Juvenile Arthritis Research, and much more. The men of Phi Sigma Kappa also request donations of lightly used blankets for the Special Olympics Polar Plunge. Greeks will continue the celebration by singing the national anthem for both games and hosting halftime events.
