ESU used the following methodology for evaluating whether students were eligible to receive Emergency Financial Aid Grants, and how much they would receive under Section 18004(a)(1) of the CARES Act.

Eligibility for the funds was based on:

1. Verifying attendance for Spring 2020 semester at ESU for Phase I; verifying attendance for Spring 2020 and/or Fall 2020 for Phase II.
2. Verifying Title IV eligibility.
3. Verifying program of study was not 100% on-line prior to Spring 2020.

Phase I (Representing one-third of the funds and is now closed)

ESU solicited requests for funds from students through three outreach efforts:

- Outreach Effort 1 – A survey was sent to all students inquiring whether the disruption created an interruption in their academic plan that would necessitate taking summer classes. CARES Act Grants were disbursed directly to students. The amount of the award represents an estimated amount that would support at least 3 credits of summer tuition and books. (ESU rates were used as a guide) As funds went directly to students they could enroll at the school of their choice.
- Outreach Effort 2 – We recognize students who have outstanding Spring 2020 balances might especially be experiencing difficulties due to COVID-19. Therefore, a survey has been sent to students who have Spring 2020 balances asking them if they have a need. All

requests were reviewed and funding was based on funds availability, using the maximum Pell Grant award as a guide. Funds were disbursed directly to students.

- Outreach Effort 3 – All eligible students were emailed information about the CARES ACT and were provided a direct link to an application for funds on our foundation website. Requests were reviewed and funds disbursed based on needs of those applying. Award amounts varied based on request and availability of funds.

Phase II (Representing two-thirds of the funds and is now closed)

- ESU set aside two thirds of the funds for assisting students who experienced need past the Spring 2020 term. The early fall review required enrollment during Spring 2020. The late fall review required enrollment during Spring 2020 or Fall 2020.
- ESU solicited requests for funds from students for an early fall distribution. This solicitation is now closed, applications were reviewed, and awards made.
- ESU solicited requests for funds from students for a late fall distribution through student email and social media. This solicitation is now closed, applications were reviewed, and awards made.
- ESU solicited requests from students for an early Spring 2021 distribution. This solicitation is now closed, applications were reviewed, and awards made. ESU has exhausted all CARES Act Funds.
