Subject: A message from Vice President for Campus Life and Inclusive Excellence, Dr. Santiago Solis

Warriors,

Today, as the verdict was announced in the trial of Derek Chauvin, our campus community continues to experience the pain elicited by the death of George Floyd and many others. We acknowledge the need to come together as Warriors to process the ongoing traumatic events impacting all of us, but in particular Black and Brown communities. We invite you to join us for the programs being offered over the next two weeks. We need each other during these difficult times to support one another as we attempt to move toward racial reconciliation and healing.

Resources & Programming

- Counseling and Psychological Services will be available to support students. Call 570-422-3277 to schedule an appointment.
- To submit a CARE Referral visit: www.esu.edu/care
- **Center for Multicultural Affairs & Inclusive Education** Healing Circles provide a safe space to process students' emotions, opinions, and realities. These safe spaces are meant to build community and provide support as students discuss relevant topics, challenges, and lived experiences in need of healing. These groups **ARE NOT THERAPY GROUPS/SESSIONS**, rather, they are communal spaces for growth, acknowledgment, validation, and release.
