To Ms. Mellner:

As a senior creative writing major graduating this May from East Stroudsburg University, I was excited to find your Marketing, PR and Community Outreach Specialist posting on Handshake. I am familiar with Northeast Youth Programs and the extraordinary service you provide to youth and families in Delaware County.

You will note on my enclosed resume, I have experience in various areas of public relations and marketing. My public relations internship with the American Red Cross of Delaware County provided me with the opportunity to work closely with a Board of Directors in a non-profit setting. I also worked daily with the director to plan, market, and execute the agency's largest fundraiser of the year: a benefit dance which raised over \$30,000. My duties included writing press releases and articles for the monthly newsletter, updating content on the agency website, soliciting donations from area businesses, maintaining a guest and donor list in Microsoft Access, and communicating with vendors. Planning an event of this magnitude requires the ability to multitask, as well as excellent communication skills, close attention to detail, and the ability to work both independently and as part of a team. In addition to this internship, I had the privilege to serve as my sorority's Community Outreach Chair where I communicated and worked with both campus and community residents to organize volunteer activities for my chapter. I coordinated a small team of volunteers who organized a fundraising project netting over \$5,000 for a charity; the experience of creating both on-line and in-print campaigns further strengthened my public relation skills.

Please let me know if you need additional information or writing samples. I am available for an interview at your convenience. Thank you for your time and consideration.
