

It's time to apply for financial aid for next academic year! **If you have already completed the process**, well done, and please ignore this message!

However, if you have not done so by now, complete your 2017-2018 FAFSA at www.fafsa.gov as soon as possible. If you are a Pennsylvania resident don't stop at the FAFSA confirmation page. Continue on to complete your PA State Grant application. The state filing deadline is May 1, 2017.

IMPORTANT NOTE – In 2015 the U.S. Department of Education replaced the PIN with a username and password called the FSA ID. If you have not yet created an FSA ID since then go to <http://StudentAid.gov/fsaid> and create one **BEFORE** you start your FAFSA. If parental information is required for your FAFSA, a parent must also obtain his or her own FSA ID.

Don't miss out on possible funding opportunities by delaying the FAFSA process!
