accelerated degree completion programs

Accelerated: Programs structured in 8- or 9-week sessions allowing you to attend full-time while taking two courses each session.

Accessible: Evening classes provide maximum flexibility. Consistent class schedules throughout the program.

Affordable: As a member of the Pennsylvania State System of Higher Education, ESU's tuition is the most competitive in the region.

Transfer Admission Criteria*

Applicants are required to have a minimum cumulative GPA of 2.5 to apply for this program. We encourage students to complete an associate degree prior to considering a degree completion program. However, all transfer students are welcome to apply or discuss their transfer credits with our admission staff.

**See specific program for any additional requirements*

To apply students will need to submit the following:

- Transfer application online at esu.edu/DCapply
- Official college transcripts from all institutions currently and previously attended
- Official/final high school transcripts or GED results, unless you have earned an A.A. / A.S. or B.A. / B.S.

business management

- Minimum cumulative transfer GPA: 2.25
- Spring and Fall admission
- Choice of either a Marketing or Management concentration

Career Opportunities

As companies strive to compete in a global market, they look for employees who are knowledgeable in current business practices and who can effectively evaluate the current competitive environment and meet customer needs. Businesses want employees with strong communication skills who are good at analyzing and solving problems and thinking critically. A business management degree can provide those skills, and earning this degree can increase your job opportunities and salary potential.

pre-graduate certificate program in communication sciences and disorders

Lehigh Valley Center

East Stroudsburg University is pleased to offer a 21-credit Speech-Language Pathology graduate pre-requisite program in our Lehigh Valley Center.

Any interested student is welcome to take these courses, however, they are designed for students with bachelor's degrees in other areas to fulfill prerequisites for admission to graduate programs in speech-language pathology. While enrollment in these courses does not guarantee admission into ESU's or any graduate program, completion of the courses will lend to a student's preparation to apply for graduate programs.

- 21-credits / 7 courses
- Designed for students with bachelor's degrees in other areas
- Completion of the courses prepares students to apply for speech-language pathology graduate programs
- Enrollment does not guarantee admission into ESU's or any graduate program
- New cohort starts every summer/May
- Students enroll as non-degree seeking
- Cohort does not qualify for financial aid

About This Program

This program is accredited by the Accreditation Commission for Education in Nursing (ACEN) and fully approved by the Pennsylvania State Board of Nursing.

Why a Bachelor's Degree is Important for RNs:

- The Institute of Medicine has called for an increase in baccalaureate holding nurses from the existing 50% to 80% by 2020.
- In the rapidly changing face of healthcare, there is pressure to make a bachelor's degree a requirement to be a practicing nurse. It is already a requirement in several states and many hospitals.
