Retirement Plan Options for Employees Hired on/after January 1, 2019 (Choose one)

Visit www.passhe.edu/retirement for additional information.

Alternative Retirement Plan (ARP)

The ARP is a defined contribution plan. Your retirement income is determined by your account balance at the time of retirement, which is comprised of your employee contributions, the employer contributions, and any earnings based on the performance of your investments. Participants are 100% vested from their date of enrollment. You decide how the benefit is paid at your retirement. You can take a one-time lump sum payment, partial distribution payments, or if you like the idea of receiving a guaranteed lifetime income that you cannot outlive, you can convert your ARP retirement monies to a lifetime annuity.

State Employees Retirement System (SERS)

Under the SERS umbrella there are three different plan options. Two "hybrid" plans where a portion goes to a defined benefit plan that features guaranteed monthly payments and a portion goes to a defined contribution plan where the amount of money you earn depends on the performance of your investments. The third option is a straight defined contribution/investment plan. Participants do not become vested for the employer contributions until you have worked 10 years for the pension plan and three years for the investment plan.

Plan	Employee Contribution	Employer Contribution
Alternative Retirement Plan	5%	9.29%
SERS Class A5 Hybrid Plan	8.25%	2.25% + Pension Fund Calculation*
SERS Class A6 Hybrid Plan	7.5%	2% + Pension Fund Calculation*
SERS Class 40 – Investment Plan	7.5%	3.5%

*The pension plan employer contribution is calculated each year based on assets and liabilities of SERS pension fund.

Supplemental Retirement Plan Options

Employees have the option to contribute additional pre-tax funds for retirement. You can choose a **403(b) plan (Tax Sheltered Annuity)**, or the **457(b) plan (Deferred Compensation)**, or participate in both plans. A Roth 457(b) after-tax contribution option is also available.

State Employee Assistance Program (SEAP)

SEAP is a confidential program which provides a wide range of no-cost services to address a broad range of problems. This program is administered by the Commonwealth's Office of Administration who has contracted with Optum to provide SEAP services. Employees and family members are entitled to up to four (4) counseling sessions at no charge.
