

State System of Higher Education Retirement Guide

AFSCME, **SEIU**

IMPORTANT NOTICE FOR EMPLOYEES CONSIDERING RETIREMENT

Each employee may have different responsibilities and benefits based upon eligibility criteria such as years of service, age, date of hire, retirement vendor, etc. **If you are considering retirement, you should meet with the Benefits office at your university** to verify your eligibility for retirement benefits. Resources are available to assist in determining your financial readiness for retirement.

Once a decision has been made to retire, it is recommended to submit a retirement letter and meet with your Benefits office to begin the process at least 3 months prior to your elected retirement date.

This document provides general information and is intended only for illustrative purposes to assist you in planning your retirement. Information provided in this document is subject to change.

Overview

This guide has been developed for prospective retirees to assist in the retirement process. In conjunction with this guide it is recommended to utilize the [retirement checklist](#) with suggested completion dates to ensure a smooth transition into retirement.

In order to be eligible for a sick leave payout upon your retirement, you must establish your monthly lifetime retirement annuity within **90 days**. If you fail to finalize your retirement annuity within 90 days you **will forfeit** your sick leave payout.

The Pennsylvania Employee Benefit Trust Fund (PEBTF), a jointly administered Health and Welfare Fund established between the Unions and the Employer, offers AFSCME and SEIU employees a retiree medical insurance program called the Retired Employees Health Program (REHP). In order to enroll in the REHP a retiree must meet the eligibility criteria and establish a lifetime retirement annuity. Retirees may delay enrollment into the REHP if health insurance is available from another source. Once a retiree enrolls in the REHP, coverage may continue until death or until the retiree chooses to discontinue enrollment. After the retiree passes away, survivor coverage may be extended to spouses/domestic partners. If a retiree chooses to discontinue REHP coverage, the retiree waives all rights to future coverage under REHP.

Establishing your retirement/pension

Determining the requirements for establishing your annuity depends upon which retirement vendor you are enrolled. **In order to be eligible for a sick leave payout or enroll in retiree health care, you must establish an annuity from your retirement vendor.**

State Employees' Retirement System (SERS) Public School Employees' Retirement System (PSERS)

Any of the monthly payment plan options available through SERS or PSERS meet the criteria to establish a monthly lifetime annuity. Contact SERS or PSERS to finalize your retirement paperwork.

Alternative Retirement Plan (ARP)

Annuity options vary by ARP vendor (Fidelity and TIAA). Schedule a meeting with your ARP vendor representative who will confirm and review the qualifying annuity options. A minimum of \$10,000 must be annuitized.

It is strongly recommended to meet with your vendor representative to complete the annuity paperwork and understand the options available in setting up your annuity. You should contact your vendor representative 90 days prior to your retirement.

Once your completed annuity paperwork has been submitted, it may take up to a six weeks before you receive your first monthly annuity payment. Be prepared to cover your expenses during this time.

Medical Insurance – Retired Employees Health Program (REHP)

Below are the criteria for majority paid coverage in the REHP, which provides medical benefits upon retirement to retirees and their eligible dependents for the retiree’s lifetime.

Eligibility Criteria – AFSCME/SEIU

REHP Enrollment and Forms

Annuity

In order to enroll in the REHP, you must establish an annuity from your retirement vendor.

Enroll or delay

Employees enrolled in SERS

Meet with a SERS counselor, complete and submit enrollment form (PEBTF-9) to SERS or if you are eligible but wish to delay your enrollment, complete the delayed enrollment form.

Employees enrolled in PSERS/ARP

Complete and return the enrollment form (PEBTF-9) to your university benefits office or if you are eligible but wish to delay your enrollment, complete and return the delayed enrollment form to your university benefits office.

Monthly Premium Payment

Employees enrolled in SERS

Your premium payment is automatically deducted from your SERS pension check

Employees enrolled in PSERS/ARP

Your premium payment is billed by the PEBTF for the cost of your selected plan

Child Dependents

Dependent children may be covered up to age 26.

Age 65 / Medicare Eligible

Submit a copy of your Medicare card(s) with your REHP enrollment. You must be enrolled in both Medicare Part A and Medicare Part B to receive medical and prescription drug coverage under the REHP.

Coverage Effective Date

Upon confirmation of your monthly lifetime annuity, your REHP coverage will be effective the day after your final day of employment. If you delayed enrollment, your coverage will be effective upon loss of coverage or during an open enrollment period, pending confirmation of monthly lifetime annuity.

Receiving ID Cards

ID card(s) will be received AFTER enrollment begins. You should not use the same cards as when you were an active employee, as your group number will change.

Making Changes to Coverage After Retirement

For more detail of REHP benefits, view the [REHP Handbook](http://www.pebtf.org) located at www.pebtf.org

Medicare Information

If Medicare eligible when you retire, enrollment in Medicare Parts A & B is required in order to be eligible for medical and prescription drug coverage under the REHP. Contact Social Security to make sure you are enrolled in Medicare Parts A & B effective the first of the month in which you will retire, to avoid a break in coverage between the active group coverage and the REHP coverage. Medicare eligible employees will be enrolled in the SilverScript prescription drug plan upon enrollment in the REHP, which is a Medicare Part D plan. **Do not enroll in a separate Medicare Part D Plan with Social Security.**

Tax Deferring Your Sick and Annual Leave Payout

The Commonwealth of Pennsylvania contracts with Empower Retirement, the retirement business of Great West Financial serving as the administrator for the deferred compensation 457 plan.

There are TWO steps you must take in order to defer your sick/annual leave payout:

1. Enroll in the deferred compensation plan

You must be contributing at least \$5 prior to the pay in which you defer your sick and/or annual leave. Enrollment can be done online or by completing a paper enrollment form.

2. Meet with a deferred compensation representative to complete paperwork to defer your sick and annual leave payout

In addition to enrolling in the plan, you must complete and submit a *Sick and Annual Leave Deduction Agreement* to defer your payout. This form must be received by Empower Retirement prior to the first day of the month in which the deferral will be made – this is an IRS regulation.

Prior to meeting with your deferred compensation representative, you should obtain a sick/annual leave payout estimate from your HR office. This will help the representative to estimate the correct deferral amount.

For complete guidelines/details and setup, contact Empower Retirement at 866.737.7457.

Group Life Insurance

Your employer-paid group life insurance coverage will cease on the last day of the month in which your employment ends. You will receive a conversion notice directly from MetLife. You have the option to convert the same or a lesser amount of your current group coverage into an individual insurance policy purchased at your own expense.

You may be eligible for continued insurance due to a disability through MetLife if you are proven to be totally disabled. For more information, contact MetLife's customer service unit at 1.855.972.5433.

Dental/Vision Insurance

The REHP does not offer dental or vision coverage to retirees.

You may be eligible for the following:

- If you are receiving a pension or eligible to receive a pension from the Commonwealth/State System, vision and dental coverage may be available through PARSE (www.parseofpa.org).

Voluntary Benefits After Retirement

Voluntary Group Life (VGLIP) and Accidental Death and Dismemberment (ADD) insurance

Your VGLIP/ADD coverage will cease on your last day of employment. You will need to obtain a form from your human resource office to convert/port any existing coverage with CIGNA.

- [Portability vs. Conversion](#)

Long Term Disability (LTD)

LTD insurance will cease at the time of retirement.

Tax-Sheltered Annuity 403(b) (TSA)

Money can be withdrawn at any time after separation. Contact your financial advisor or vendor representative for more information.

Deferred Compensation 457

Money can be withdrawn at any time after separation. Contact your Empower representative for more information.

Flexible Spending Account (FSA)

Remember to submit qualified expenses incurred prior to your date of separation. Reimbursement from your medical account will not be permitted for expenses incurred after your last day worked, unless you elect COBRA coverage for FSA.
