## ARTICLE 1 RECOGNITION

Section 1. The Union is recognized as the exclusive representative for collective bargaining purposes for employees within the classifications established by a certification of the Pennsylvania Labor Relations Board, dated January 4, 1972, Case No. PERA-R-1278-C, as amended.

Section 2. The term employee when used in this Agreement is defined as those persons in the positions and classifications covered by the certification referred to in Section 1 of this Article and is intended to include UC Claims Intermittent Intake Interviewers employed by the Department of Labor and Industry and Energy Assistance Workers in the Department of Human Services, unless so stated.

## ARTICLE 2 UNION SECURITY

Section 1. a. The Employer shall furnish each new employee with a copy of this Agreement together with an authorization card for dues payroll deduction and a packet of informational material; provided, however, the Union has furnished the Employer with sufficient copies of the Agreement containing the authorization for dues deduction as well as sufficient copies of the informational material. The Employer shall have the right to inspect the informational material and shall also retain the right to refuse to distribute the informational material if, in the Employer's opinion, the informational material contains derogatory statements or statements detrimental to the labor-management relationship. Additionally, if the Employer determines that the distribution of the informational material becomes an administrative burden, the Employer shall have the right to withdraw its participation.

b. The Union shall be given the opportunity to access new employees during the agency orientation process.

Section 2. The Employer shall provide, on a monthly basis, a statewide list of all employees who have been hired, including their work locations and most recent date of hire.

Section 3. It is understood by the parties that a member's status shall not change as a result of a member accepting a promotion to a position within this bargaining unit, transferring to a new work location, or returning from an extended leave.

Section 4. Requests to revoke Union membership shall be directed to the Union rather than the Employer. Any membership resignation requests received by the Employer should be redirected to the Union. The Union shall be solely responsible for processing member resignations.

### ARTICLE 3 DUES DEDUCTION

Section 1. The Employer agrees to deduct the Union membership dues, an annual assessment, and an initiation fee, from the pay of those employees who individually request in writing that such deductions be made. The signature of the employee on a properly completed Union dues deduction authorization card shall constitute the only necessary authorization to begin payroll deductions of said dues. The Union shall certify to the Employer the rate at which Union dues are to be deducted, and dues at this rate shall be deducted from all compensation paid. The aggregate deductions of all employees shall be remitted together with an itemized statement to the Union by the last day of the succeeding month, after such deductions are made.

The Employer agrees to process dues authorization cards in an expeditious manner upon receipt. Should it be determined by the Union that an employee's payroll dues deductions should cease, the Union shall be responsible for notifying the Employer. Such notices shall be communicated in writing and shall include the effective date of the cessation of payroll dues deduction. The Employer shall rely on the information provided by the Union to cancel or otherwise change authorizations.

Section 2. The employee's written authorization for dues payroll deductions shall contain the employee's name, the last four digits of the employee's social security number, agency in which employed, work location (institution, district, bureau, etc.), Union name and local number.

Section 3. Where an employee has been suspended, furloughed or discharged and subsequently returned to work, with full or partial back pay, the Employer shall, in the manner outlined in Section 1 above, deduct the Union membership dues that are due and owing for the period for which the employee receives back pay. Dues deductions will be resumed for employees upon their return from a leave of absence without pay, recall from furlough, recall of a UC Claims Intermittent Intake Interviewer from no pay status or placement into a permanent, temporary, emergency, provisional or UC Claims Intermittent Intake Interviewer position.

Section 4. The dues deduction provisions of this Article shall continue to pertain and be complied with by the Employer with regard to those employees who are either promoted into the unit of first level supervisors or transfer to another classification within the bargaining units covered by this agreement.

Section 5. The Employer shall continue to provide through electronic data transfer, at no cost to the Union, the personnel and the payroll data which are currently provided. Such data shall include employee separation dates.

Section 6. The Union shall indemnify and hold the Employer harmless against any and all claims, suits, orders, or judgments brought or issued against the Employer as a result of the action taken or not taken by the Employer under the provisions of this Article.

## ARTICLE 4 CREDIT UNION

Section 1. The Employer agrees to make payroll deductions available to employees who wish to participate in the State Employees Credit Union, as designated by the Union, and any one of the Credit Unions duly chartered under State or Federal statutes and approved by the Employer.

Section 2. The Employer shall remit the deductions of employees together with an itemized statement to the applicable Credit Union designated under Section 1 above within 30 days following the end of the calendar month in which deductions were made.

Section 3. a. The Employer shall establish rules, procedures and forms which it deems necessary to extend payroll deductions for Credit Union purposes.

b. Payroll deduction authorization forms for Credit Union purposes must be executed by and between the employee and an official of the credit union.

Section 4. The Union shall indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of the action taken or not taken by the Employer under the provisions of this Article.

Section 5. The Employer agrees to meet and discuss, at the request of the Union, concerning recommendations regarding the transfer of money to the State Employees Credit Union as well as the beginning and ending of Credit Union contributions.

## ARTICLE 5 PAYROLL DEDUCTIONS

Section 1. In the event the Union establishes a Health and Welfare Fund providing benefits to all employees covered by this Agreement, the Employer agrees to "meet and discuss" as provided in Act 195 to consider employee payroll deductions for said Health and Welfare Fund.

Section 2. The Employer agrees to deduct from the paycheck of employees covered by this Agreement voluntary contributions to the Union's Political Action Committee. The Employer shall make such deductions only in accordance with the written authorization of respective employees which shall specify the amount, frequency and duration of the deductions.

The Employer shall transmit the monies deducted in accordance with this Section to the Union's Political Action Committee, in accordance with the written direction of the Union.

The Union shall reimburse the Employer for the Employer's actual cost for the expenses incurred in administering this Section.

The Union shall indemnify and hold the Commonwealth harmless against all claims, suits, orders or judgments brought or issued against the Employer as a result of action taken or not taken by the Employer under the provisions of this Article.

## ARTICLE 6 HOURS OF WORK

Section 1. The work week shall consist of five consecutive work days in a pre-established work schedule except for employees in seven-day operations.

Section 2. The work day shall consist of any 24 hours in a pre-established work schedule beginning with the scheduled reporting time for the employee's shift.

Section 3. The work shift shall consist of 7.5 or 8 work hours within a work day.

Section 4. The regular hours of work for any shift shall be consecutive except that they may be interrupted by a meal period.

Section 5. a. Work schedules showing the employees' shifts, work days, and hours shall be posted on applicable departmental bulletin boards at the work site. Except for emergencies, changes will be posted two weeks in advance. At worksites where employees frequently work in the field, alternate methods of communicating schedules may be established through mutual written agreement of the parties at the local or agency level.

b. Where changes are to be made by the Employer for other than emergency reasons, or where schedules are to be adopted for new programs, the Employer agrees to meet and discuss with the Union prior to the implementation of such changes or schedules.

c. An employee whose regular work schedule is Monday through Friday throughout the year shall not have his/her work schedule changed to other than a Monday through Friday schedule except for a legitimate operational reason which is not arbitrary or capricious.

The Department of Human Services, Office of Income Maintenance, the Department of Labor and Industry and the Department of Corrections, in order to meet new regular, reoccurring service delivery requirements, may establish six and/or seven day operations. To meet these operational requirements on a non-overtime basis, work schedules other than Monday through Friday may be established after negotiating with the Statewide Union. If no agreement is reached, the Commonwealth may submit its proposed schedule to expedited arbitration. The arbitrator will determine if the proposed schedule is a reasonable good faith effort to meet operational needs. The Union will not be permitted to raise as an issue avoidance of overtime at the arbitration.

Section 6. a. Employees engaged in seven-day operations are defined as those employees working in any activity for which there is regularly scheduled employment for seven days a week. Except for Youth Development Centers and Youth Forestry Camps, the work week for seven day operations shall consist of any five consecutive days within a seven calendar day period except where employees have historically been regularly scheduled for seven days a week. In such cases of regularly scheduled employment for seven days per week, the work week shall consist of any five days within a consecutive seven calendar day period.

b. For employees of Youth Development Centers and Youth Forestry Camps in the Department of Human Services, the work schedule shall consist of any ten (10) days within a consecutive fourteen (14) calendar day period.

c. Employees engaged in seven day operations will not be scheduled for more than two (2) consecutive weekends except in cases where the Employer and the Union agree.

Section 7. In the event of a change in shift from a pre-established work schedule, employees must be off regularly scheduled work for a minimum of three shifts or their equivalent unless a scheduled day or days off intervene between such shift change.

Section 8. a. Local Union and management representatives at all locations may agree to work schedules that may be at variance with the specific provisions of this Agreement provided such work schedules are approved, in writing, by the Local Union representative, the appropriate SEIU Local 668 representative, the appropriate facility/location head, the agency, and the Office of Administration. Within 75 working days after receipt by the Agency for approval, the Agency shall return the work schedules to the local level parties for additional work/clarification or to the Office of Administration for their review and/or approval. Failure to do so will permit the proper SEIU Local 668 official to submit the work schedules to the Office of Administration for review and/or approval. Such local agreement may include but need not be limited to alternative work schedules, schedules providing for every other weekend off, four day work weeks, flex-time, 10 consecutive work days, weekend and evening work, and the use of seniority for bidding on work days and hours, subject to management's responsibility to maintain efficient operations. Both parties will work diligently to reach an agreement at the local level. Prior to the establishment of any schedule under this Section, the Union shall be required to prove a reasonable expectation that the schedule will improve the Employer's operational efficiency and/or service to its clients, and the quality of work life of employees. The parties recognize that what constitutes improved operational efficiency and/or service will vary across work sites and operations and must be assessed on a case-by-case basis. Such improvements may include, but are not limited to: operational cost-savings, increased revenues, greater access to/expanded service for customers, improved resident care outcomes, or increased access to/distribution of work tools/resources to staff in a manner that enhances productivity.

b. It is understood that recommendations submitted in accordance with a. above shall not be unreasonably denied provided that none of the conditions of Subsection e. below have been violated.

c. Failing to reach agreement, the Union may submit the proposed schedule to a three-person committee of representatives from the affected agency, Office of Administration and SEIU Local 668. The union's proposed schedule will be submitted to the Office of Administration. Upon receiving the union's proposed schedule, the committee will issue a determination within sixty (60) calendar days. The sixty (60) calendar day timeframe may be extended upon mutual agreement of the parties. If the Committee is unable to reach an agreement, the dispute may be submitted to arbitration where the burden of proof shall be upon the Union.

d. Nothing herein will impair or limit the Employer's rights to schedule employees as set forth in this Agreement.

e. No schedule may:

- (1) increase costs of operation
- (2) increase current complement
- (3) affect the Employer's ability to meet criteria for accreditation and/or certification
- (4) adversely impact the efficiency of affected operations, nor standards of service
- (5) contain an unreasonable number of work schedules

The Employer may cancel an alternate work schedule, schedule providing for every other weekend off or flextime schedule upon a minimum of 15 days notice to the Union, when the Employer reasonably determines that the purpose or conditions set forth above are not being met or that the criteria used to initiate the alternate work schedule, schedule providing for every other weekend off or flextime schedule have materially changed. If the Union submits the Employer's cancellation of a schedule to the resolution process described above, the burden of proof shall be on the Employer. Templates for alternate work schedules and flex time schedules are provided at Appendix J.

f. All discussions conducted pursuant to this Section shall be in accordance with the meet and discuss provisions of this Agreement.

Section 9. The Employer supports the concept of job sharing. The Employer agrees to meet and discuss at appropriate levels upon the request of the Union. It is understood that if mutual agreement is reached, all benefits of one full time permanent worker shall be prorated between the two job sharers in accordance with current practices for part-time employees. Such employees shall be allowed to return to full-time positions within their classification when the positions become available in preference over new hires and other employees who have promotional rights to those positions.

Section 10. The provisions of this Article shall not apply to UC Claims Intermittent Intake Interviewers.

## ARTICLE 7 REST PERIODS

Section 1. An employee shall be permitted a fifteen-minute paid rest period (uninterrupted) during each one-half work shift provided the employee works a minimum of three hours in that one-half work shift. The rest period shall be scheduled and taken whenever possible at the middle of such one-half shift. The Employer, however, shall be able to vary the scheduling of such period when, in its opinion, the demands of work require such variance.

Section 2. Employees who work, without interruption, before or beyond their regular shifts for at least two hours shall receive a fifteen-minute rest period. Those employees who work,

without interruption, beyond their regular shifts shall thereafter receive a fifteen-minute rest period for each additional two hours of such work unless at the end of such two-hour period his/her work is completed. If the employee takes a meal period at the expiration of his/her normal work day, then he/she shall thereafter be given a fifteen-minute rest period for each additional two hours of such work unless at the end of such two-hour period his/her work is completed.

Section 3. The scheduling of rest periods immediately before or after meal periods is permissible where the employee and the Employer agree to such a practice.

## ARTICLE 8 MEAL PERIODS

Section 1. All employees shall be granted a duty-free meal period, during the third to fifth hours, inclusive, of their work day. This shall not restrict the Employer's right to require an employee to remain on duty through his/her meal period or to recall an employee during any part of his/her meal period and compensate the employee as provided for in Section 7 of Article 21. Required hours of work during a work day shall be exclusive of this period.

Section 2. If an employee is required to work more than two hours beyond his/her regular quitting time, the employee will be allowed a meal period at the end of the initial two hour period or sooner. In addition, the employee will be allowed a meal period for each four hours worked beyond each meal period. If an employee works more than two (2) hours after his/her scheduled quitting time and has not had notice of such work requirement at least two (2) hours before commencement of his/her regular shift, the Employer shall furnish a meal or compensate the employee for a meal in an amount actually expended and not to exceed \$8.00.

Section 3. With the prior written approval of the first-level of management at the work site, employees may be allowed to utilize one-half of the time provided for the meal period to effect either a later reporting time at the beginning of the shift or an earlier dismissal time at the end of the shift. Such requests shall be considered on an individual by individual basis. However, it is understood and agreed that the approval of such request is at the sole discretion of the Employer.

## ARTICLE 9 EATING AND SANITARY FACILITIES

Section 1. The Employer shall provide adequate eating and sanitary facilities at all permanent state-owned or leased locations, which shall be properly heated and ventilated.

Section 2. Vending machines for beverages shall be provided at institutional sites where meal facilities are not available at all times. The Union may meet with authorized personnel of the various institutions to discuss the possible increase in items that may be furnished through vending machines. Additional vending machines may be installed in existing or new locations when feasible, providing that existing vendor contracts permit the installation of additional vending machines and that arrangements can be made to do so at no cost to the Employer.

Section 3. The Employer agrees to meet and discuss at the request of the Union regarding the standards for eating and sanitary facilities to be included in the specifications for state-owned or leased buildings.

## ARTICLE 10 HOLIDAYS

Section 1. The following days shall be recognized as holidays:

New Year's Day  
Martin Luther King Jr.'s Birthday  
Presidents' Day  
Memorial Day  
Independence Day  
Labor Day  
Columbus Day  
Veterans' Day  
Thanksgiving Day  
Day after Thanksgiving  
Christmas Day

Monday shall be recognized as a holiday for all holidays occurring on a Sunday, and Friday for all holidays occurring on a Saturday for those employees on a normal Monday through Friday work week. For other than these employees, the holiday shall be deemed to fall on the day on which the holiday occurs.

Section 2. A permanent full-time employee on a Monday through Friday work week or a UC Claims Intermittent Intake Interviewer, shall be paid for any holiday listed in Section 1 of this Article, provided the employee or UC Claims Intermittent Intake Interviewer, was scheduled to work on that day and if the employee or UC Claims Intermittent Intake Interviewer was in an active pay status on the afternoon of the scheduled work day immediately prior and the morning of the scheduled work day immediately subsequent thereto. If a holiday occurs while employees are on leave without pay under Article 17, Section 3, they shall be paid for the holiday provided the employees were in an active pay status the last half of their scheduled work day immediately prior and the first half of their scheduled work day immediately subsequent to the leave without pay.

If a holiday is observed while a permanent full-time employee is on paid leave status, the employee will receive holiday pay and the day will not be charged against other paid leave credits.

Full-time permanent employees working other than a regular Monday through Friday work week shall be guaranteed the same number of days off with pay equal to the number of paid holidays received by the employees on the regular Monday through Friday schedule, subject to the same entitlement requirement.

A UC Claims Intermittent Intake Interviewer in no pay status shall not be entitled to holiday pay.

Section 3. If a permanent full-time employee or UC Claims Intermittent Intake Interviewer, works on any of the holidays set forth in Section 1 of this Article, except the day after Thanksgiving, the employee shall be compensated at one and one-half times the employee's regular hourly rate of pay for all hours worked on said holiday. In addition, the employee shall receive paid time off for all hours worked on a holiday but not to exceed the hours in the employee's regular work shift.

Employees will be permitted to use paid time off earned for working scheduled holidays within 60 days succeeding the designated holiday. If such scheduling is not possible, the scheduling period shall be extended 60 days, regardless of the calendar year. The employees may select the date on which they shall utilize their paid time off provided they have given the Employer three weeks notice and the Employer will respect the requested selection time, as long as it is not detrimental to the efficiency of the operation. If the employee is not granted such paid time off in accordance with the above provisions, the employee shall be compensated at his/her regular rate of pay in lieu of such paid time off. Available paid time off may be used by the employee for an emergency.

Section 4. If a permanent full-time employee or UC Claims Intermittent Intake Interviewer works on the day after Thanksgiving, the employee shall be compensated at the employee's regular hourly rate of pay for all hours worked on said holiday. In addition, the employee shall receive paid time off for all hours worked on the day after Thanksgiving but not to exceed the hours in the employee's regular work shift.

Section 5. Whenever the Employer declares a special holiday or part holiday for all employees under the Employer's jurisdiction, all permanent full-time employees including UC Claims Intermittent Intake Interviewers who are required to work on the day on which such holiday hours occur shall receive time off with pay for all hours worked equivalent to the number of hours in the employee's normal work shift if a full holiday is declared, or a pro rata share of the normal work shift if a partial holiday is declared. The Employer shall have the option of paying the employee his/her regular hourly rate of pay in lieu of such equivalent time off with pay.

Section 6. When an employee's work shift overlaps the calendar day, the first shift of the employee in which 50% or more of the time occurs on the applicable holiday shall be considered in the holiday period and the holiday period shall end 24 hours after the commencement of that shift.

Section 7. Permanent part-time employees shall receive holidays on a pro rata basis. Employees, at the option of the Employer, shall receive either prorated paid leave or shall be paid at their regular hourly rate of pay in lieu of such paid leave.

Permanent part-time employees shall be compensated at one and one-half times their regular hourly rate of pay for all hours worked on a holiday set forth in Section 1 above.

Section 8. In no event shall an employee be entitled to duplicate holiday payment. Time worked on holidays during an employee's regular shift shall not be excluded from hours worked for the purposes of determining eligibility for overtime pay under Section 1 of Article 21 of this Agreement.

Section 9. There shall be no duplication or pyramiding of any premium pay provided for under the provisions of this Agreement for the same hours worked.

Section 10. When it is necessary to schedule employees in this unit to work on a holiday listed in Section 1 of this Article, the Employer shall first seek to obtain volunteers from among employees in the same job classification at the work site beginning with the most senior employee. In the event that sufficient volunteers are not available, the Employer shall have the right to assign such work on a non-volunteer basis beginning with the least senior of those employees in the same job classification at the work site who have not worked a holiday on an involuntary basis. Volunteers may be passed over in order to insure that all employees have an equal opportunity to work holidays.

Section 11. UC Claims Intermittent Intake Interviewers shall not be entitled to utilize paid time off earned in accordance with the applicable provisions of this Article during periods of no pay status.

Section 12. Effective as soon as practically and legally possible, the Commonwealth will adopt a tax-qualified Leave Payout Plan. All employees who attain age 55 before or during the calendar year they separate from service after adoption of the Leave Payout Plan shall have the leave payouts otherwise payable for accumulated and unused Annual Leave, Compensatory Leave, Holiday Leave and Sick Leave, up to the maximum allowable by law, deposited in an account in the employee's name, provided however that if the total amount of leave payout is \$5000 or less, this amount shall be paid to the employee in cash. Amounts in excess of the maximum allowable amount will be paid to the employee in cash.

In the event that any participant (in the leave payout plan) also participates in the Pennsylvania State System of Higher Education Alternative Retirement Plan (the "ARP"), contributions to this (leave payout) plan shall be allowed for any plan year only to the extent such contributions will not cause the limitations contained in Code Sections 402(g), 414(v) or 415 to be exceeded for the plan year when such contributions are aggregated with contributions made to the ARP on behalf of the participant.

## ARTICLE 11 LEAVE DONATION PROGRAM

Section 1. Permanent employees may donate annual leave to a designated permanent employee in the employee's agency who has used all accrued paid leave and anticipated annual leave for the current leave calendar year. The leave is to be used for the recipient's own catastrophic or severe injury or illness, the catastrophic or severe injury or illness of a family member, or for absences related to an organ donation by the recipient. The leave also may be used

as bereavement leave if the employee's family member dies and the employee has no accrued or anticipated sick leave available, subject to the limitations in Article 12, Section 6.

## Section 2. Recipients

a. Recipients must be permanent employees in bargaining units that have agreed to participate in this program.

b. Family member is defined as a husband, wife, domestic partner, child, step-child, foster child or parent of the employee or any other person qualifying as a dependent under IRS eligibility criteria or the child of the employee's domestic partner.

Effective with the beginning of the 2021 leave calendar year, leave donations may not be used for the catastrophic or severe injury or illness of a domestic partner of an employee or the child of an employee's domestic partner.

c. An organ donation or catastrophic illness or injury that poses a direct threat to life or to the vital function of major bodily systems or organs, and would cause the employee to take leave without pay or terminate employment, must be documented on a Family and Medical Leave Act Serious Health Condition Certification form. Donated leave may not be used for work-related injuries or illnesses, minor illnesses, injuries, or impairments, sporadic, short-term recurrences of chronic, non-life threatening conditions, short-term absences due to contagious diseases, or short-term recurring medical or therapeutic treatments, except for conditions such as those listed above.

d. An organ donation, severe illness or injury must also be documented on a Medical Condition Certification to Receive Leave Donations Form.

e. Organ donation is defined as a living donor giving an organ (kidney) or part of an organ (liver, lung, intestine) to be transplanted into another person.

f. The absence due to an organ donation, the catastrophic or severe illness or injury of the employee, or a catastrophic or severe illness or injury of a family member must be for more than 20 workdays in the current leave calendar year. The 20-workday absence may be accumulated on an intermittent basis if properly documented as related to the organ donation or the same catastrophic or severe illness or injury. Annual, sick (for employee's own serious health condition), sick family (for the serious health condition of a family member), holiday, compensatory, or unpaid leave may be used during the accumulation period. A separate accumulation period must be met for each organ donation, catastrophic or severe illness or injury and for each leave calendar year in which donated leave is used. Donated leave may not be applied to the required 20-workday accumulation period.

g. All accrued leave must be used as follows before any donation may be received.

(1) For an employee's organ donation or own catastrophic or severe injury or illness, all accrued annual, sick, holiday, and compensatory leave and all

anticipated annual and sick leave for the current leave calendar year must be used.

(2) For the organ donation or catastrophic or severe injury or illness of a family member, all accrued annual, holiday, and compensatory leave and all anticipated annual leave for the current leave calendar year must be used. All five days of sick family leave and any additional sick family leave for which the employee is eligible must be used.

h. Up to 12 weeks of donated leave per leave calendar year may be received for all conditions of the employee and family members cumulatively, but donations may not be received in more than two consecutive leave calendar years. Donated leave is added to the recipient's sick leave balance on a biweekly basis. Recipients do not repay the donor for donated leave. Leave usage is monitored closely to ensure that donated leave is used only for absences related to the organ donation or catastrophic or severe illness or injury.

i. The recipient's entitlement to leave under the Family and Medical Leave Act will be reduced, where applicable, by donated leave that is used. Entitlements to sick leave without pay (for an employee's own illness) or family care leave without pay (for a family member's illness) will also be reduced.

j. Donated leave may be used on an intermittent basis. However, each absence may be required to be medically documented as due to the organ donation or the same catastrophic or severe illness or injury.

k. An employee is not eligible to receive donations of leave if, during the previous six months, the employee has been placed on a written leave restriction, or has received a written reprimand or suspension related to attendance.

l. Donated leave that remains unused once the employee is released by the physician for full-time work, when the family member's condition no longer requires the employee's absence, or at the end of the leave calendar year, must be returned to the donors in inverse order of donation. However, if at the end of the year, the absence is expected to continue beyond the greater of 20 workdays or the amount of annual and sick leave that could be earned and used in the following leave calendar year, donated leave may be carried into the next year.

### Section 3. Donors

a. A donor may voluntarily donate annual and personal leave to an employee within the donor's agency who meets the requirements of the Leave Donation Program. Donations may be made to multiple employees as long as the minimum donation is made to each employee.

b. Donations must be made in increments of one day (7.50 or 8.0 hours), but not more than five days can be donated to any one employee in the same leave calendar year. The donor's annual leave balance after donation cannot be less than the equivalent of five workdays of leave (37.5 or 40.0 hours). Anticipated personal leave may not be donated.

c. The donation is effected by the completion and submission of a Request to Donate Leave to the agency Human Resource Office. Leave is deducted from the donor's annual and/or personal leave balance at the time of donation and transferred to the recipient in order by the date and time the Request to Donate Leave form is received.

d. Unused donations are returned to the donor if: the recipient or family member recovers, dies, or separates before the donor's leave is used; or if the recipient does not use the leave by the end of the leave calendar year, and is expected to either return to work within 20 workdays or to have sufficient anticipated annual leave available in the new year to cover the absence. In accordance with Section 1 above, an employee whose family member dies and who does not have accrued or anticipated sick leave available, may use donated leave as bereavement leave, subject to the limitations in Article 12, Section 6.

Section 4. The provisions of this Article are not grievable under Article 32 of this Agreement.

Section 5. For the purpose of this Article, domestic partner shall be defined as a same sex domestic partner who meets the eligibility criteria established by the Commonwealth.

Section 6. Notwithstanding the requirements in Sections 1 and 3 of this Article that annual and personal leave donations be from a permanent employee in the employee's agency, in the event that an employee does not receive sufficient donations from employees within the employee's own agency, the employee needing donations will be permitted to seek donations from permanent employees in other agencies under the Governor's jurisdiction within a reasonable geographic distance, through the requesting employee's designated local Human Resource contact. An exception to the reasonable geographic distance limitation will be allowed for relatives of the employee who wish to make donations.

## ARTICLE 12 SICK LEAVE AND BEREAVEMENT LEAVE

Section 1. a. Employees shall be eligible to use paid sick leave after 30 calendar days of service with the Employer. Employees shall earn sick leave as of their date of hire in accordance with the following schedule:

### **Maximum Sick Leave Entitlement Per Year**

Sick Leave will be	37.5 Hr. Workweek: 82.5 Hrs. (11 days)
earned at the rate of	40 Hr. Workweek: 88 Hrs. (11 days)
4.24% of all Regular	
Hours Paid	

b. Regular Hours Paid as used in this Article include all hours paid except overtime, standby time, call-time, and full-time out-service training.

Section 2. Employees may accumulate sick leave up to a maximum of 300 days.

Section 3. a. A doctor's certificate is required for an absence from work due to sickness for three or more consecutive days. For absences of less than three days, a doctor's certificate may be required where, in the opinion of the Employer, the employee has been abusing the sick leave privileges.

b. In those cases where a pattern of sick leave abuse is suspected, the Employer will advise the employee of the suspected abuse and discuss the matter with the employee. The total circumstances of an employee's use of sick leave rather than a numerical formula shall be the basis upon which the Employer's final determination is made that the employee is abusing sick leave.

c. Upon return from sick leave, employees are not required to state the nature of their illness on Form OA-330 or doctor's statement except as required by Article 17, Sections 6 and 7 and in those cases where sick leave abuse is suspected or where there is a suspicion of a contagious disease.

d. Discipline based upon patterns of sick leave use will be treated under the basic concepts of just cause.

Section 4. Where sickness in the immediate family requires the employee's absence from work, employees may use not more than five days of such sick leave entitlement in each calendar year for that purpose. Immediate family, for the purposes of this Section, is defined as the following persons: husband, wife, domestic partner, step-child, child, foster child, parent, brother, sister, grandchild or step-parent of the employee or child of the employee's domestic partner. The Employer may require proof of such family sickness in accordance with Section 3 above.

Effective with the beginning of the 2021 leave calendar year, domestic partner and the child of the employee's domestic partner will no longer be considered as immediate family for the purposes of this Section.

Section 5. Where a family member's serious health condition requires the employee's absence from work beyond 20 days (150/160 hours as applicable) in a calendar year, permanent employees with at least one year of service may use accrued sick leave, in addition to that provided by Section 4 above.

a. Employees who meet the eligibility criteria in b. through e. below may use accrued sick leave in accordance with the following schedule:

**Leave Service Credit**

Over 1 year to 3 years  
Over 3 years to 15 years  
Over 15 years to 25 years  
Over 25 years

**Sick Family Allowance**

Up to 52.5/56 additional hours (7 days)  
Up to 112.5/120 additional hours (15 days)  
Up to 150/160 additional hours (20 days)  
Up to 195/208 additional hours (26 days)

b. During the initial 20 days (150/160 hours) of absence, paid annual and/or unpaid leave shall be used and may include leave provided under Section 4 above. The additional sick family leave allowance must be used prospectively, and may not be retroactively charged for any of the initial 20 days (150/160 hours). A separate 20 day (150/160 hour) requirement must be met for each different serious health condition and/or family member and for each calendar year, even if not all of the additional days were used during the previous calendar year.

c. The initial 20 days (150/160 hours) of absence may be accumulated and the additional leave may be used on an intermittent basis.

d. Proof of the family member's serious health condition as defined by the Family and Medical Leave Act must be provided on the Commonwealth's Serious Health Condition Certification form. Proof may be required for each absence during the 20 day (150/160 hour) period and subsequent additional sick family leave period.

e. Family member, for the purposes of this Section, is defined as the following persons: husband, wife, domestic partner, child, step-child, foster child or parent of the employee or child of the employee's domestic partner or any other person qualifying as a dependent under IRS eligibility criteria.

Effective with the beginning of the 2021 leave calendar year, domestic partner and the child of the employee's domestic partner will no longer be considered as immediate family for the purposes of this Section.

Section 6. Employees may use up to five days of sick leave for the death of the employee's spouse, domestic partner, parent, stepparent, child, or stepchild or the child of the employee's domestic partner and up to three days of such leave may be used for the death of the following relatives of the employee: brother, sister, grandparent, step-grandparent, grandchild, step-grandchild, son- or daughter-in-law, brother- or sister-in-law, parent-in-law, grandparent-in-law, aunt, uncle, foster child, step-sister, step-brother, niece, nephew, or any relative residing in the employee's household or the following relatives of the employee's domestic partner: parent, brother, sister, grandparent or grandchild.

Effective with the beginning of the 2021 leave calendar year, sick leave may not be used for the death of a domestic partner, the child of the employee's domestic partner, or the parent, brother, sister, grandparent or grandchild of the employee's domestic partner.

Section 7. a. Employees who retire as defined in Article 25, Section 6, shall be paid for their accumulated unused sick leave in accordance with the schedule below if they retire under the conditions set forth in Subsection b.

<u>Days Available at Retirement</u>	<u>Percentage Buy-Out</u>	<u>Maximum Days</u>
0 - 100	30%	30
101 - 200	40%	80
201 - 300	50%	150
over 300 (in last year of employment)	100% of days over 300	11

b. Eligibility for payment of accumulated unused sick leave under Subsection a. is as follows:

- (1) Superannuation retirement (as defined in Article 25, Section 6) with at least five years of credited service; or
- (2) Eligible for the Retired Employees Health Program under Article 25, Section 6.e.; or
- (3) After 7 years of service, death prior to retirement or separation of service except as provided in Section 8.

c. Such payments shall not be made for part days of accumulated sick leave.

d. No payments under this Section shall be construed to add to the credited service of the employee or to the retirement covered compensation of the employee.

e. Effective as soon as practically and legally possible, the Commonwealth will adopt a tax-qualified Leave Payout Plan. All employees who attain age 55 before or during the calendar year they separate from service after adoption of the Leave Payout Plan shall have the leave payouts otherwise payable for accumulated and unused Annual Leave, Compensatory Leave, Holiday Leave and Sick Leave, up to the maximum allowable by law, deposited in an account in the employee's name, provided however that if the total amount of leave payout is \$5000 or less, this amount shall be paid to the employee in cash. Amounts in excess of the maximum allowable amount will be paid to the employee in cash.

In the event that any participant (in the leave payout plan) also participates in the Pennsylvania State System of Higher Education Alternative Retirement Plan (the "ARP"), contributions to this (leave payout) plan shall be allowed for any plan year only to the extent such contributions will not cause the limitations contained in Code Sections 402(g), 414(v) or 415 to be exceeded for the plan year when such contributions are aggregated with contributions made to the ARP on behalf of the participant.

Section 8. When an employee dies as the result of a work-related accident or injury, the Commonwealth will pay 100% of the employee's unused sick leave unless the surviving spouse or minor children are entitled to benefits under Act 101 of 1976 in which case, the Commonwealth will pay 30% of the employee's unused sick leave up to 90 days. Such payments shall not be made for part days of accumulated sick leave.

Section 9. The provisions of Section 1 of this Article shall not apply to temporary employees unless such employees have worked 750 regular hours by the end of the last full pay period in each calendar year. It is understood that this Section does not apply to furloughed employees who, during their recall period, return to the Employer's payroll in a temporary capacity.

Section 10. Employees on leave without pay for the purposes provided for in Article 17, Sections 2.b. and 3 shall have that time included in regular hours paid for the purpose of earning sick leave entitlement in accordance with Section 1 above, provided, however, such leave without pay does not exceed six (6) weeks per employee per year.

Section 11. In no event shall an Energy Assistance Worker or UC Claims Intermittent Intake Interviewer be entitled to utilize sick leave while in no pay status. An Energy Assistance Worker who is not re-employed or a UC Claims Intermittent Intake Interviewer who is not recalled within 14 calendar days of being placed in no pay status may be paid for accumulated sick leave earned, provided he/she is either hospitalized or is disabled following hospitalization for no less than the equivalent of five working days, and provides appropriate medical documentation, consistent with current practices. Any hours paid shall not count for seniority purposes, benefits calculation or leave earnings, nor shall such hours paid entitle the Energy Assistance Worker or UC Claims Intermittent Intake Interviewer to any holiday pay. Payment shall be calculated based on the hourly rate in effect at the time the Energy Assistance Worker or UC Claims Intermittent Intake Interviewer was placed in no pay status. Payment for these initial or subsequent requests for accrued sick leave shall be for no less than 37.5 hours each.

Section 12. For the purpose of this Article, the calendar year shall be defined as beginning with the employee's first full pay period commencing on or after January 1 and continuing through the end of the employee's pay period that includes December 31.

Section 13. Permanent employees who have one or more years of service since their last date of hire may anticipate sick leave to which they become entitled during the then current calendar year unless the Employer has reason to believe that the employee has been abusing the leave privilege. Permanent employees with less than one year of service since their last date of hire may not anticipate sick leave.

Section 14. For the purpose of this Article, domestic partner shall be defined as a same sex domestic partner who meets the eligibility criteria established by the Commonwealth.

Section 15. Permanent employees and IIIs who have more than one year of service since their most recent date of hire and use no sick leave during the first half (first thirteen (13) pay periods) of the leave calendar year shall earn one-half day (3.75 or 4.0 hours) of annual leave in addition to those earned under Article 13, Sections 1.c. and 1.d. Permanent employees and IIIs who have

more than one year of service since their most recent date of hire and use no sick leave during the second half (last thirteen (13) or fourteen (14) pay periods, depending on the number of pay periods in the leave calendar year) of a leave calendar year shall earn one-half day (3.75 or 4.0 hours) of annual leave in addition to those earned under Article 13, Sections 1.c. and 1.d. Leave earned will be available for use in the pay period following the pay period in which it was earned.

Sick bereavement leave used will not be counted; however, all other types of paid sick leave; unpaid sick leave used under Article 18; and paid and unpaid leave used for work-related injuries shall count as sick leave for this section.

Section 2. Vacation pay shall be the employee's regular straight time rate of pay in effect for the employee's regular classification.

Section 3. a. Vacations shall be scheduled and granted for periods of time requested by the employee subject to management's responsibility to maintain efficient operations. Management shall not unreasonably deny such requests based on arbitrarily established numerical formulas. If the nature of the work makes it necessary to limit the number of employees on vacation at the same time, the employee with the greatest Bargaining Unit seniority with the Employer shall be given his/her choice of vacation periods in the event of any conflict in selection. Where reasonable opportunities are available for selection of vacations on a seniority basis, approved requests shall not be revoked if a conflict in selection develops after the selection period.

b. Requests for up to four days per year of emergency annual leave shall not be unreasonably denied with the understanding that an employee may be required to substantiate the emergency nature of the request and that further, it may be necessary, in order to accommodate the emergency, to reschedule requests of other employees for holiday, compensatory and/or annual leave not scheduled during the selection period.

c. Requests for full day (7.5 or 8 hours) of unscheduled, extraordinary annual leave will be reviewed for approval. Employees will not be required to substantiate the need for the extraordinary absence; however, absence requests may be denied if such absence would create significant or serious operational impacts. Unscheduled, extraordinary annual leave is limited to two days per calendar year (15.0 or 16.0 hours), and the first two days of such unscheduled absences will be recorded as extraordinary annual leave and be deducted from the four days of emergency annual leave permitted in subsection b. above.

An employee on an alternate work schedule may request and receive approval for extraordinary annual leave for a workday other than a 7.5 or 8 hour shift. In such instance, the entire shift shall be considered as extraordinary annual leave as long as the employee has a sufficient number of hours in his/her 15.0 or 16.0 hour allotment to cover the absence. Use of extraordinary annual leave on workdays for which there is an insufficient number of hours in the allotment to cover the full alternate work schedule shift will be limited to the available number of such hours.

d. An employee's request for an annual leave day on the employee's birthday received in writing at least 45 calendar days prior to the employee's birthday shall be approved. An employee shall be allowed to anticipate the earning requirement in Section 1 above, for an annual leave day used on the employee's birthday. If an employee's birthday falls on a day other than a regularly scheduled work day, the employee will be permitted to schedule an annual leave day in accordance with this Section either the work day immediately before or after the birthday.

e. Subsections b., c. and d. of this Section shall be effective with the beginning of the 2017 leave calendar year.

Section 4. a. If a holiday occurs during the work week in which vacation is taken by an employee, the holiday shall not be charged to annual leave.

b. Effective with the beginning of the 2017 leave calendar year, a temporary employee shall be permitted, upon request, to use up to a full shift of accrued annual leave on a holiday that the temporary employee is not scheduled to work provided the use of accrued annual leave does not result in the employee receiving more than 37.5/40.0 hours in a work week.

Section 5. An employee who becomes ill during his/her vacation will not be charged annual leave for the period of illness provided he/she furnishes satisfactory proof of such illness to the Employer upon his/her return to work.

Section 6. Employees separated from the service of the Employer for any reason prior to taking their vacation, shall be compensated in a lump sum for the unused vacation they have accumulated up to the time of separation.

Effective as soon as practically and legally possible, the Commonwealth will adopt a tax-qualified Leave Payout Plan. All employees who attain age 55 before or during the calendar year they separate from service after adoption of the Leave Payout Plan shall have the leave payouts otherwise payable for accumulated and unused Annual Leave, Compensatory Leave, Holiday Leave and Sick Leave, up to the maximum allowable by law, deposited in an account in the employee's name, provided however that if the total amount of leave payout is \$5000 or less, this amount shall be paid to the employee in cash. Amounts in excess of the maximum allowable amount will be paid to the employee in cash.

In the event that any participant (in the leave payout plan) also participates in the Pennsylvania State System of Higher Education Alternative Retirement Plan (the "ARP"), contributions to this (leave payout) plan shall be allowed for any plan year only to the extent such contributions will not cause the limitations contained in Code Sections 402(g), 414(v) or 415 to be exceeded for the plan year when such contributions are aggregated with contributions made to the ARP on behalf of the participant.

Section 7. Unused annual leave shall be carried over from one calendar year to the next provided that in no case shall the amount thus carried over exceed 45 days. However, employees will be permitted to carry over annual leave in excess of the 45 day limit into the first seven (7) pay periods of the next calendar year. Any days carried over in accordance with this Section which are

not scheduled and used during the first seven (7) pay periods of the next calendar year will be converted to sick leave, subject to the 300 day limitation contained in Article 12, Section 2. Scheduling of those days carried over shall be in accordance with Section 3 above.

Section 8. If an employee is required to return to work after commencement of a prescheduled vacation, the employee shall be compensated at one and one-half times the employee's regular hourly rate of pay for all hours required to work on the prescheduled vacation day or days. The employee shall be permitted to reschedule such vacation day or days in accordance with Section 3.

Section 9. The provisions of Section 1 of this Article shall not apply to temporary employees unless such employees have worked 750 regular hours by the end of the last full pay period in each calendar year. It is understood that this Section does not apply to furloughed employees who, during their recall period, return to the Employer's payroll in a temporary capacity.

Section 10. Employees on leave without pay for the purposes provided for in Article 17, Sections 2.b. and 3 shall have that time included in regular hours paid for the purpose of earning vacation leave entitlement in accordance with Section 1 above; provided, however, such leave without pay does not exceed six (6) weeks per employee per year.

Section 11. An employee who is furloughed and is not employed in another position within 14 calendar days of the effective date of furlough will receive a lump sum payment for all earned, unused annual leave unless the employee requests in writing before the end of the 14 calendar days to freeze all earned, unused annual leave.

An employee may subsequently change a decision to freeze the earned, unused annual leave by submitting a written request for a lump sum payment for the annual leave.

Payment will be made within 35 days of the date on which the request is received by the Employer, and will be at the rate of pay in effect on the last day of employment prior to the date of furlough.

If the employee is reemployed during the furlough recall period, annual leave which was frozen will be reinstated. If the employee is not reemployed prior to the expiration of the furlough recall period, the employee shall be paid off in lump sum for all frozen earned, unused annual leave at the rate of pay in effect on the last date of employment prior to the date of furlough.

Section 12. a. In no event shall UC Claims Intermittent Intake Interviewers or Energy Assistance Workers be entitled to utilize annual leave during periods of no pay status. In the event a UC Claims Intermittent Intake Interviewer or Energy Assistance Worker is placed in no pay status on a pre-scheduled annual leave day, the UC Claims Intermittent Intake Interviewer or Energy Assistance Worker shall not be permitted to use annual leave for that day, but shall be permitted to either reschedule the annual day or carry over such leave. If annual leave must be rescheduled under this Section, but cannot be rescheduled during the calendar year, the calendar year shall be extended for seven (7) pay periods for rescheduling purposes. Any days carried over in accordance with this Subsection in excess of the 45 day limit which are not scheduled and used during the first seven (7) pay periods of the next calendar year or which are not used prior to

placement in no pay status, whichever is sooner will be converted to sick leave, subject to the 300 day limitation contained in Article 12, Section 2. Scheduling of those days carried over shall be in accordance with Section 3 above.

b. UC Claims Intermittent Intake Interviewers and Energy Assistance Workers who are placed in no pay status and are not recalled within 14 calendar days of the effective date of being placed in no pay status may elect at the expiration of the 14 calendar day period, to be paid for any accumulated annual leave which they have earned. Any hours paid shall not count for seniority purposes, benefits calculation or leave earnings. Nor shall such pay-out be used to "bracket" a holiday so as to incur the payment of holiday pay. The payment hereunder shall be calculated based on the hourly rate in effect at the time the UC Claims Intermittent Intake Interviewer or Energy Assistance Worker was placed in no pay status. If the UC Claims Intermittent Intake Interviewer does not elect to be paid for accumulated annual leave earned, the UC Claims Intermittent Intake Interviewer's or Energy Assistance Worker's accumulated annual leave shall be frozen until his or her return to active pay status.

c. UC Claims Intermittent Intake Interviewers may access accrued annual leave as outlined in b. no more than once per calendar quarter.

Energy Assistance Workers who are placed in no pay status and are not reemployed during the subsequent LIHEAP program year may access accrued annual leave as outlined in b. above. If the Energy Assistance Workers do not request to be paid for their accumulated annual leave by submitting a written request to their local human resource officer by July 15, the leave shall be frozen until their return to active status or separated from employment.

Section 13. For the purpose of this Article, the calendar year shall be defined as beginning with the employee's first full pay period commencing on or after January 1 and continuing through the end of the employee's pay period that includes December 31.

Section 14. Permanent employees who have one or more years of service since their last date of hire may anticipate annual leave to which they become entitled during the then current calendar year unless the Employer has reason to believe that the employee has been abusing the leave privilege. Permanent employees with less than one year of service since their last date of hire may not anticipate annual leave. Effective with the beginning of the 2017 leave calendar year, permanent employees with less than one year of service may, at the Employer's discretion, anticipate up to one day (7.5 or 8.0 hours) of annual leave before it is earned. An employee who is permitted to anticipate such leave and who subsequently terminates employment shall reimburse the Employer for leave used but not earned.

## ARTICLE 14 LEAVES OF ABSENCE

Section 1. All time that an employee is absent from work shall be appropriately charged. This shall not affect the current practice of allowing employees to schedule medical appointments during work hours, provided such absences are charged to an appropriate leave.

Section 2. Where a state civil service examination is not readily available during an employee's non-working time, a permanent full-time employee shall be granted administrative leave with pay to take such examination which is scheduled during his/her regular work hours at the nearest location subject to management's responsibility to maintain efficient operations. Employees shall only be entitled to leave for this purpose on two occasions during the calendar year. Such leave shall not exceed the employee's normal work shift or the time necessary to travel to and from the examination and to take the examination, whichever is lesser. Employees shall not be eligible for travel expenses under this Section.

UC Claims Intermittent Intake Interviewers and Energy Assistance Workers shall be entitled to such leave provided they are in an active pay status and scheduled to work on the day the civil service examination is scheduled.

Section 3. All requests for leave must be submitted in writing to the employee's immediate supervisor and shall be answered in writing promptly. Requests for emergency type leaves shall be answered before the end of the shift on which the request is made. Except for such emergency type leaves, the time when leave is taken is within the discretion of the Employer.

Requests for any type of leave to which an employee is entitled under this Agreement and which is not to exceed one month shall be answered by the Employer within five days. If the requested leave is in excess of one month, the request shall be answered within 10 days.

Section 4. Employees shall be granted up to two (2) hours of administrative leave per calendar year quarter to donate blood.

Section 5. For the purpose of this Article, the calendar year shall be defined as beginning with the employee's first full pay period commencing on or after January 1 and continuing through the end of the employee's pay period that includes December 31.

## ARTICLE 15 CIVIL LEAVE

Section 1. The Employer recognizes the responsibility of its employees to fulfill their civic duties as jurors and witnesses in court proceedings. The Employer agrees therefore to grant civil leave with pay to permanent employees:

- a. Who have not volunteered for jury duty and are called for jury duty; or
- b. Who are not a party in a civil or criminal court proceeding, but are subpoenaed as a witness to attend such a court proceeding.

Civil leave shall be granted for the period of time (including reasonable travel time) when the employee's regularly scheduled work is in conflict with the required court attendance time. An employee shall be eligible to receive a maximum of one (1) day's pay at their regular straight time rate (one (1) full shift) for each day of required court attendance.

If an employee works a second or third shift and their hours of work are not in conflict with the required court attendance time, the employee shall be granted civil leave equal to the required court attendance time plus reasonable travel time up to a full shift for each day of the required court attendance during either their regular shift immediately preceding or subsequent to the court appearance.

Evidence of such civil duty in the form of a subpoena or other written notification shall be presented to the employee's immediate supervisor as far in advance as possible.

Section 2. Permanent employees who are subpoenaed as witnesses or who are parties in the following administrative hearings shall be granted leave with pay while attending such hearings: Unemployment Compensation Board of Review Referee, Workers' Compensation Judge, and Workers' Compensation Appeal Board.

Permanent employees who are subpoenaed as witnesses before the State Civil Service Commission or Pennsylvania Human Relations Commission shall be granted leave with pay while attending such hearings.

Evidence of such duty in the form of a subpoena or other written notification shall be presented to the employee's immediate supervisor as far in advance as practicable.

Section 3. The term "court" as used in this Article is intended to mean only the following courts: Minor Judiciary Court, Courts of Common Pleas, Commonwealth Court, United States District Court and a Grand Jury.

Section 4. a. Permanent employees, while performing fire fighting duties, fire police duties, emergency medical technician duties, civil air patrol activities or emergency management rescue work during a fire, flood, hurricane or other disaster, may be granted leave with pay. Certified Red Cross disaster relief volunteers may be granted leave with pay to perform disaster

relief work for the Red Cross throughout the United States during a state of emergency as declared by that state's Governor.

b. Volunteer participation in fire fighting activities, fire police duties, emergency medical technician activities, civil air patrol activities, emergency management rescue work or disaster relief work for the Red Cross shall require the prior approval of the agency head. Employees absent from work for reasons under Subsection a. of this Section shall be required to obtain a written statement from the fire company, forest unit, emergency management agency, or other organization with which they served, certifying as to their activities during the period of absence.

Section 5. A UC Claims Intermittent Intake Interviewer in the Department of Labor and Industry or an Energy Assistance Worker in the Department of Human Services who works 950 hours or more in the last full fiscal year preceding the date in which Civil Leave is to be taken shall be entitled to Civil Leave as per the provisions of this Article. For the purpose of this Section, only straight-time compensable hours shall be counted as hours worked.

When a UC Claims Intermittent Intake Interviewer in the Department of Labor and Industry or an Energy Assistance Worker in the Department of Human Services is required to be absent from scheduled work to fulfill civic duties as outlined in Sections 1 and/or 2, but the employee is not eligible for paid civil leave and is granted leave without pay, such employee shall receive seniority credit during the absence.

## ARTICLE 18 FAMILY AND MEDICAL LEAVE ACT (FMLA) LEAVE

### Section 1. General

a. After completing one year of service, a permanent employee and UC Claims Intermittent Intake Interviewer shall be granted up to 12 weeks of FMLA leave with benefits, on a rolling twelve month year basis, provided the employee has at least 1250 hours of actual work time within the twelve months preceding the commencement of the leave. Leave under this Section may be approved on an intermittent, reduced-time, or full-time basis. A permanent part-time employee shall be granted the 12 week entitlement provided by this Subsection if the employee has at least 900 hours of actual work time within the twelve months preceding the commencement of the leave; the entitlement will be pro-rated based on the employee's percentage of full-time regular hours worked.

b. FMLA leave shall be granted for the following reasons:

- (1) when the illness or disability is due to an employee's serious health condition;
- (2) when attending to the medical needs of a spouse, domestic partner, parent, son or daughter or other person qualifying as a dependent who has a serious health condition;
- (3) when becoming parents through childbirth or formal adoption or placement of a child with an employee for foster care;
- (4) when a qualifying exigency event related to a family member who is a military servicemember occurs; or,
- (5) when an employee attends to the serious injury or illness of a covered servicemember or veteran who is a family member.

Effective with the beginning of the 2021 leave calendar year, FMLA leave may not be used for the medical needs of a domestic partner.

If the leave is for a military caregiver under (5) above, 26 weeks of leave within a single 12 month period is provided and other FMLA leave used does not reduce this entitlement. For FMLA leave due to reasons (1), (2), (3), or (4) above, one aggregate 12 week entitlement is provided.

c. Upon request of a permanent employee, an extension of up to an additional nine months of leave without pay shall be granted for the following reasons:

- (1) employee sickness upon receipt of proof of continuing illness or disability;
- (2) family care reasons upon receipt of proof of continuing illness or disability of the family member and need to care for the family member;
- (3) parental reasons.

The extension shall be with benefits for the first 13 weeks (91 calendar days) and shall be without benefits for the remainder of the extension. Such extensions shall be contiguous to the termination of the 12 week entitlement. It shall not be used on an intermittent or reduced-time basis, except as provided under Section 1.f.

d. Upon request, up to 13 weeks (91 calendar days) of leave without pay with benefits may be granted to a permanent employee with less than one year of employment, provided the absence is at least two consecutive weeks in duration; however, only one occasion within a twelve month rolling year may be approved.

e. This Article shall not apply to a compensable work-related injury. For non-compensable workers' compensation claims, Subsection 1.a. of this Article applies. When the employee does not meet eligibility requirements for leave under Subsection 1.a. of this Article, up to 13 weeks (91 calendar days) of leave without pay with benefits may be granted.

f. Intermittent or reduced-time FMLA leave may be approved for absences after the 12 week entitlement when due to a catastrophic illness or injury of the employee that poses a direct threat to life or to the vital function of major bodily systems or organs, and would cause the employee to take leave without pay or terminate employment. All accrued and anticipated leave must be used before granting leave without pay under this Subsection. Such leave without pay used will run concurrently with and reduce the entitlement.

## Section 2.      Granting Leave

a. An employee shall submit written notification to their immediate supervisor stating the anticipated duration of the leave at least two weeks in advance if circumstances permit, in accordance with the following:

- (1) For an employee with a serious health condition, proof of illness or disability in the form of a doctor's certificate which shall state a prognosis and expected date of return is required.
- (2) For an employee caring for family members, documentation supporting the need for care is required.

- (3) For an employee who becomes a parent, documentation is required and FMLA leave shall begin whenever the employee requests on or after the birth, adoption or foster care placement; however, it may be used prior to the date of custody or placement when required for adoption or placement to proceed, and no FMLA leave shall be granted beyond one year from the date of birth, of assuming custody of an adopted child or of placement of a foster child.

b. In no case shall an employee be required to commence FMLA leave sooner than he/she requests, unless the employee can no longer satisfactorily perform the duties of their position.

### Section 3. Re-employment

a. A permanent employee shall have the right to return to the same position in the same classification, or to an equivalent position with regard to pay and skill, as the position he/she held before going on leave for absences under Section 1.a. and the first 14 weeks of leave as described under Section 1.c.

b. Upon the expiration of the re-employment rights under Subsection a. or Subsection c., and upon written request to return to work, a permanent employee shall be offered a position in the same classification and seniority unit for which a vacancy exists and to which there are no seniority claims and which the agency intends to fill. If such a position is not available, the employee shall be offered, during the remainder of the extension period, any position in the same classification, in a lower classification in the same classification series, or a position previously held, within the same geographical/organizational limitation as the seniority unit, for which a vacancy exists and to which there are no seniority claims and which the agency intends to fill. If the employee refuses an offer of a position in the same classification, the employee's rights under this Section shall terminate. If the employee accepts a position in a lower classification or a position previously held, the employee will be offered a position in the same classification if there is a vacancy in that classification during the remainder of the entitlement in the seniority unit, provided there are no seniority claims to the position, and the agency intends to fill the position.

In those instances in which a seniority unit includes several work sites, it is understood that an employee's right to reemployment as set forth in this section will be to a position at the work site in which the employee was assigned to work prior to the FMLA leave for absences under Section 1.a., providing that a position in the employee's classification continues to exist at the work site and further provided that the employee is not subject to a transfer or furlough as provided for in Article 29.

c. Upon the Employer's receipt of written notice of the availability of the UC Claims Intermittent Intake Interviewer for work, the name of such UC Claims Intermittent Intake Interviewer shall be placed on the no pay status recall list for the appropriate seniority unit in the order of seniority unless there is a UC Claims Intermittent Intake Interviewer working who has less seniority. In such cases, the UC Claims Intermittent Intake Interviewer returning from FMLA leave shall be returned to active pay status and the UC Claims Intermittent Intake Interviewer with

less seniority shall be placed in no pay status. If the UC Claims Intermittent Intake Interviewer is unable to report for work upon the expiration of the approved leave or at the end of the initial entitlement, whichever is sooner, the UC Claims Intermittent Intake Interviewer shall be terminated.

d. Employees who use 26 weeks or more of paid leave (12 weeks of leave under Section 1.a. and the first 14 weeks of leave under Section 1.c.) and who return to work before or upon the exhaustion of the paid leave will have the same return rights as described in Subsection a., Return Rights after paid leave is exhausted, if the absence is more than 26 weeks (12 weeks of leave under Section 1.a. and the first 14 weeks of leave under Section 1.c.) are in accordance with Subsection b.

#### Section 4. Seniority Rights

a. Upon return from FMLA leave, a permanent employee shall retain all seniority and pension rights that had accrued up to the time of leave. Seniority shall continue to accrue during FMLA leave under Section 1.a., and during the extension period under Section 1.c.

b. For the calculation of seniority for UC Claims Intermittent Intake Interviewer, seniority standing shall be determined by the number of straight-time compensable hours credited to a UC Claims Intermittent Intake Interviewer.

#### Section 5. Annual, Sick, Compensatory and Holiday Leave

a. An employee using FMLA leave for military exigencies or military caregiving, must use all applicable, accrued paid leave types upon commencement of FMLA leave. For all other FMLA leave, an employee shall be required to use all applicable accrued paid sick leave (sick family or additional sick family for family care reasons) as certified by a health care provider upon commencement of FMLA leave, except as provided in Subsection b. below. An employee shall not be required to use annual, compensatory or holiday leave upon the commencement of FMLA leave. If any paid leave is used, it will run concurrently with and reduce the entitlements under Sections 1.a. and 1.c. of this Article. Unused leave shall be carried over until return. An employee shall not earn annual, and sick leave while on leave without pay. Holidays will be earned based on Article 10, Holidays.

b. An employee may choose to retain up to ten days of accrued sick leave. The choice to retain or not retain sick leave cannot be made retroactively, and saved days will be measured based on accrued sick leave available at the commencement of the absence. Saved days may be used during the 12 week entitlement as certified by a physician; such sick leave used will run concurrently with and reduce the entitlement. Days saved and requested for intermittent or reduced-time absences for periods less than two consecutive weeks after the first 12 week entitlement will be reviewed for approval under the provisions of Article 12; such use will not be counted against the FMLA entitlement.

c. An employee who has accrued more than 12 weeks of paid leave is not limited to 12 weeks of FMLA leave. Leave in excess of 12 weeks will run concurrently with and reduce the entitlement under Section 1.c. of this Article.

#### Section 6. Benefits

a. State-paid coverage for life insurance and state payments toward coverage for health benefits as provided in Articles 24 and 25 will continue during FMLA leave under Section 1.a. and Section 1.c. of this Article.

b. The continuation of benefits under this Article is subject to the employee's payment of any required employee contribution under Article 25, Section 3.

#### Section 7. Definitions

a. For the purpose of this Article, parent shall be defined as the biological, adoptive, step or foster parent of the employee or an individual who stood in loco parentis to an employee when the employee was a son or daughter.

b. For the purpose of this Article, son or daughter shall be defined as a biological, adopted, or foster child, a step-child, a legal ward, a child of a person standing in loco parentis, or a biological or adopted child of the employee's domestic partner who is:

- (1) under 18 years of age; or
- (2) 18 years of age or older and incapable of self-care because of a mental or physical disability.

Effective with the beginning of the 2021 leave calendar year, the definition of a son or daughter shall not include a biological or adopted child of the employee's domestic partner.

c. For the purpose of this Article, domestic partner shall be defined as a same sex domestic partner who meets the eligibility criteria established by the Commonwealth.

#### Section 8. Guidelines

a. Guidelines established by the Secretary of Administration regarding FMLA leave are published through the Directives Management System (Reference Management Directive 530.30).

b. It is understood by both parties that the provisions of this Article are consistent with the Pennsylvania Human Relations Act, 43 P.S. Sections 951, et seq., and the Family and Medical Leave Act of 1993, 29 U.S.C. Sections 2601, et seq.

c. Should the Patient Protection and Affordable Care Act of 2010, 42 USC § 18001 *et seq.*, or its regulations be modified or interpreted to not provide an additional 91 calendar days of benefits as described in Section 1 of this Article, it is agreed that the health and life insurance entitlements outlined in this Article will not be diminished.

## ARTICLE 19 WORK-RELATED INJURIES

Section 1. a. An employee who sustains a work-related injury, during the period of this Agreement, as the result of which the employee is disabled, if so determined by a decision issued under the operation of the Workers' Compensation Program, shall be entitled to use accumulated sick, annual, or injury leave without pay. While using accumulated leave, the employee will be paid a supplement to workers' compensation of full pay reduced by an amount that yields a net pay, including workers' compensation and social security disability benefits, that is equal to the employee's net pay immediately prior to the injury. Net pay prior to injury is defined as gross base pay minus federal, state, and local withholding, unemployment compensation tax and social security and retirement contributions. One full day of accumulated leave (7.5 or 8 hours as appropriate) will be charged for each day the supplement is paid. Accumulated leave and injury leave without pay may be used for an aggregate of nine (9) months (274 calendar days) or for the duration of the disability, whichever is the lesser, except that, if only accumulated leave is used, it may be used beyond nine (9) months (274 calendar days) until exhausted or until the disability ceases, whichever occurs sooner. In no case, however, will the aggregate of nine (9) months (274 calendar days) extend beyond three years from the date the injury occurred. If no leave is available under this Section, the provisions of Section 10 may apply.

For temporary employees, accumulated leave and injury leave without pay shall be available for an aggregate of up to nine (9) months (274 calendar days), for the duration of the disability or for the scheduled duration of the temporary employment, whichever is the least. In no case, however, will the aggregate of nine (9) months (274 calendar days) extend beyond three years from the date the injury occurred.

The employee election to use or not use accumulated leave under this Section cannot be changed more than once.

b. State-paid coverage for life insurance and state payments toward coverage for health benefits as provided in Articles 24 and 25 will continue for the period of time that the employee is on leave under Sections 1.a. and 10 and for the first 13 weeks (91 calendar days) after leave under Section 1.a. expires if the employee remains disabled, provided that the employee's right of return under Section 6 has not expired.

Section 2. An employee who works a reduced number of hours (part-time) due to partial disability may use leave in accordance with Section 1.a. Pay for accumulated leave used will be calculated in accordance with Section 1.a., based on the net amount of lost earnings.

Section 3. Retirement credited service for the period of time that the employee is using leave under this Article, shall be determined in accordance with the State Employees' Retirement Code.

Section 4. At the expiration of the leave under Section 1.a. if an employee continues to receive workers' compensation, the employee will be placed on leave without pay in accordance with Section 6 below.

Section 5. An employee is required to refund to the Employer the amount of any overpayment. In no case shall an employee be entitled to full pay and workers' compensation and/or social security for the same period. The Employer shall recover any amount in excess of the paid supplement to workers' compensation as described in Section 1.a. Failure to apply for or report social security or other applicable disability benefits to the Employer will result in the termination of the leave under Section 1.a.

Section 6. An employee has the right to return to a position in the same or equivalent classification held before being disabled, for a period of up to three years from the date the injury occurred provided the employee is fully capable of performing the duties of that position, subject to the furlough provisions of Article 29, Seniority. This guarantee expires if the disability ceases prior to the expiration of the three-year period and the employee does not return to work immediately or if the employee retires or otherwise terminates employment. During the period of time between the end of the leave under Section 1.a. or Section 11, where applicable, and the end of the guarantee in this Section, the employee will be on leave without pay.

During the three-year period, employees who are not fully capable of performing the duties of their position shall have, upon request, a right to return to an available position in a lower classification, within the same geographical/organizational limitation as the seniority unit, to which there are no seniority claims and which the agency intends to fill, provided the employee meets the minimum requirements and qualifications essential to the work of the classification and the employee is fully capable of performing the duties of the position. If an employee returns to a position in a lower classification, the employee will be demoted in accordance with the Commonwealth's Personnel Rules, but shall maintain the right to return to a position in the same or equivalent classification held before being disabled, for a period of up to three years from the date the injury occurred, provided the employee is fully capable of performing the duties of that position, subject to the furlough provisions of Article 29, Seniority.

Disabled employees receiving workers' compensation will be notified 90 days prior to the expiration of the three-year period. The notification will include information concerning the employee's right to apply for disability retirement, if eligible. If the employee does not receive 90 days' notice, the employee's right to return will not be extended. However, the leave without pay will be extended for 90 days from the date of notification to enable the employee if eligible to apply for disability retirement.

The right of return for temporary employees shall be limited to the scheduled duration of the temporary employment.

Section 7. The compensation for disability retirement arising out of work-related injuries shall be in accordance with the State Employees' Retirement Code.

Section 8. An employee who sustains a work-related injury, during the period of this Agreement, if so determined by a decision issued under the operation of the workers' compensation program, may use sick or annual leave for the purpose of continued medical treatment of the work-related injury in accordance with Articles 12 and 13. If no paid leave is available, an employee may use leave without pay. Each absence shall not exceed the minimum amount of time necessary to obtain the medical treatment. Employees shall make reasonable efforts to schedule medical appointments during non-work hours or at times that will minimize absence from work. Verification of the length of the medical appointment may be required. This Section is not applicable to any absence for which workers' compensation is payable. When workers' compensation is payable, the provisions of Section 1 shall apply.

Section 9. The Commonwealth agrees to the use of modified duty where the employee is able to work only in a limited capacity and the prognosis for the injury indicates that the employee will be able to resume all of the duties of the employee's classification in a reasonable period of time. The Employer may terminate a modified duty assignment when it becomes apparent that the employee will not be able to resume the full duties of the employee's classification within a reasonable period of time.

Under the modified duty concept, the employee will be retained without loss of pay or status. The Employer may assign the employee duties outside their classification and bargaining unit, outside their previously assigned shift and/or outside their overtime equalization unit. To facilitate the implementation of modified duty assignments, schedule and assignment changes may be implemented as soon as practicable. If the employee is unable to resume all of the duties of the employee's classification within a reasonable period of time, the Employer may demote or laterally reclassify the employee to an appropriate classification, taking into account the duties and responsibilities the employee is capable of performing and subject to the protections afforded by Federal and State Statutes.

Section 10. An employee who is disabled due to a recurrence of a work-related injury after three years from the date the injury occurred, or before three years if the leave entitlement in Section 1 has been depleted, shall be entitled to use accumulated leave and injury leave without pay while disabled for a period of up to 12 weeks. To be eligible to use injury leave without pay, the employee must have been at work at least 1250 hours within the previous 12 months. The 12 week period will be reduced by any other leave used within the previous 12 months that was designated as leave under the provisions of the Family and Medical Leave Act. If only accumulated leave is used, it may be used beyond 12 weeks until exhausted or until the disability ceases, whichever occurs sooner. While using accumulated leave, the leave will be charged and paid in accordance with Section 1.a.

Section 11. Sections 1 through 9 and Sections 10 and 14 of this Article shall not be applicable to employees whose injuries are within the scope of either Act 193 of 1935, P.L. 477, as amended, or Act 632 of 1959, P.L. 1718, as amended.

Section 12. It is understood by both parties that the provisions of this Article are consistent with the Family and Medical Leave Act of 1993, U.S.C. Sections 2601 et seq. and that leave granted in accordance with Sections 1.a. and 11 shall be designated as leave under the provisions of the Act.

Section 13. It is understood by both parties that the provisions of this Article are consistent with the Americans with Disabilities Act, 43 P.S. Sections 951 et seq.

Section 14. Should the Patient Protection and Affordable Care Act of 2010, 42 USC, § 18001 *et seq.* or its regulations be modified or interpreted to not provide an additional 91 calendar days of benefits, as described in Section 1.b. of this Article, it is agreed that the health and life insurance entitlements outlined in this Article will not be diminished.

## ARTICLE 20 SALARIES AND WAGES

Section 1. Effective July 1, 2019, each employee covered by this Agreement who is in an active pay status shall receive a general pay increase of three percent (3.0%). This increase is reflected in the Standard Pay Schedule in Appendix A.

Section 2. Effective October 1, 2020, each employee covered by this Agreement who is in an active pay status shall receive a general pay increase of two percent (2.0%). This increase is reflected in the Standard Pay Schedule in Appendix B.

Section 4. Effective October 1, 2022, each employee covered by this Agreement who is in an active pay status shall receive a general pay increase of two and one-half percent (2.5%). This increase is reflected in the Standard Pay Schedule in Appendix D.

Section 5. A permanent salaried employee whose salary exceeds the maximum of the employee's applicable pay scale group when the general pay increases outlined in Sections 1, 2, 3, and 4 are effective shall receive the annual amount of the general pay increase, in the form of a one-time cash payment rounded to the nearest dollar. The cash payment shall be paid no later than the next payday after the general pay increase is reflected in the paychecks of employees who are not above the maximum.

If an employee's rate of pay exceeds the maximum of the employee's applicable pay scale group before the general pay increase, but would not exceed the maximum after the general pay increase, the employee's rate shall be increased by an amount which will make it equal to the new maximum. The one-time cash-payment for an employee in this situation shall be reduced by the amount of increase in the employee's annual rate of pay.

Section 6. a. Employees covered by this Agreement, including UC Claims Intermittent Intake Interviewers, who have been employed continuously by the Commonwealth since April 30, 2019, will be eligible to receive a one step service increment effective on the first day of the first full pay period in April 2020. For Energy Assistance Workers, one year of service equals 1950 hours.

b. Employees covered by this Agreement who have been employed continuously by the Commonwealth since April 30, 2020, will be eligible to receive a one step service increment effective on the first day of the first full pay period in April 2021.

c. Employees covered by this Agreement who have been employed continuously by the Commonwealth since January 31, 2022 will be eligible to receive a one step service increment effective on the first day of the first full pay period in January 2023.

d. Employees covered by this Agreement who terminate with at least one year of continuous service since their most recent appointment and who are reemployed within six months from the date of termination or furlough will be eligible to receive the one step service increments outlined in Subsections a., b., and c., if they are in an active pay status on the effective date of the increments.

e. During the term of this Agreement, employees who are at or above the maximum step of their pay scale group at the time they become eligible for a service increment as outlined in Subsections a., b., and c. shall receive the annual amount of a two and one-quarter percent (2.25%) increase in the form of a one-time cash payment rounded to the nearest dollar.

Section 7. a. When an employee covered by this Agreement is promoted to another classification in a higher pay scale group, the employee shall receive an increase of four steps for each pay scale group the employee is promoted or to the minimum of the new pay scale group, whichever is greater.

b. When an employee covered by this Agreement is demoted (including demotions occurring as a result of furlough bump or furlough recall) to another classification in a lower pay scale group, the employee shall receive a decrease of four steps for each pay scale group the employee is demoted or to the maximum of the new pay scale group, whichever is lesser.

c. When an employee covered by this Agreement is transferred to another classification in the same pay scale group, the employee shall be placed at the same step in the pay scale group.

Section 8. The cash payments provided for in this Article shall not be added to the employee's base salary. The cash payment shall be subject to dues deductions where applicable.

Section 9. An employee in an inactive pay status shall, upon return to active pay status, be entitled to the above general pay increases outlined in Sections 1, 2, 3 and 4; the cash payments outlined in Sections 5 and 6; and the service increments outlined in Section 6 where applicable.

Section 10. The salaries of employees shall be paid biweekly. In the event the payday occurs on a holiday the preceding day shall be the payday.

Section 12. a. Employees hired into classifications covered by this Agreement shall be paid the minimum rate for the pay scale group assigned to their classification as reflected on the Standard Pay Schedule.

b. The Commonwealth may hire employees at pay rates above the minimum rate of the assigned pay scale group, provided the candidates are not current commonwealth employees. In such cases, the Office of Administration will notify the Union before it has approved the hiring above the minimum rate and will provide the underlying rationale prior to the above minimum appointments are made by the appointing authority.

## ARTICLE 21 OVERTIME

Section 1. One and one-half of the employee's regular hourly rate of pay exclusive of any premium or differential pay shall be paid for work under the following conditions:

- a. For any work performed in excess of eight hours in any work day or in excess of 40 hours in any work week.
- b. For employees of Youth Development Centers in the Department of Human Services, for any work in excess of eight hours in any one work day or in excess of 80 hours in any biweekly pay period.
- c. There shall be no duplication of premium pay for the same hours worked under the provisions of Subsections a. and b. of this Section.
- d. The provisions of this Article are not applicable to employees in job classes assigned to pay scale group 8 and above and identified as exempt from the overtime provisions of the Fair Labor Standards Act in the Commonwealth's Pay Plan. However, such employees shall be granted straight-time pay or compensatory time off one hour for each hour worked at the election of the employee.

Section 2. The following items will be regarded as hours worked for the purpose of computing overtime pay under Section 1 of this Article:

- a. Hours worked, excluding standby time.
- b. Rest periods.

- c. Holidays, except where compensation is paid for a holiday which occurs on an employee's day off.
- d. Annual leave.
- e. Compensatory leave; to be included in the period of occurrence for the purpose of computing overtime.
- f. Sick leave.
- g. Administrative leave.

Section 3. Double an employee's regular hourly rate of pay shall be paid for work under the following conditions:

a. Employee on a five day per week schedule shall be paid double time for hours worked on the second scheduled day off in the work week provided the employee is in an active pay status on his/her five regularly scheduled work days and works his/her first scheduled day off in the work week. If such an employee is in an active pay status his/her next five regularly scheduled work days and works his/her next scheduled day off or his/her next two scheduled days off, he/she shall be paid double time for hours worked on those days and shall continue to be paid double time for hours worked on subsequent scheduled days off until the employee is not required to work on a regularly scheduled day off provided the employee continues in an active pay status on all regularly scheduled work days.

b. An employee whose work schedule consists of any ten days within a consecutive 14 calendar day period as provided in Article 6, Section 6, shall be paid double time for the second and fourth scheduled days off work; provided, in order to be eligible for double time on the second day off, the employee must be in an active pay status the first five regularly scheduled work days and work the first scheduled day off in the normal biweekly work period and, in order to be eligible for double time on the fourth day off, the employee must be in an active pay status the second five regularly scheduled work days and work the third scheduled day off in the normal biweekly work period. An employee on this work schedule shall be paid double time for the third scheduled day off; provided, in order to be eligible for double time on the third day off, the employee must be in an active pay status ten (10) regularly scheduled work days and work the first and second scheduled days off in the normal biweekly work period. An employee who has been paid double time for the fourth scheduled day off shall be paid double time for all subsequent consecutive scheduled days off worked provided the employee is in an active pay status the first five regularly scheduled work days in the normal biweekly work period, if the first or first and second scheduled days off are worked, and the employee is in an active pay status the second five regularly scheduled work days in the normal biweekly work period, if the third or third and fourth scheduled days off are worked.

c. For fifteen-minute rest periods, in the event employees are required, while on premium overtime, to work through their rest periods.

Section 4. By mutual agreement between the Employer, the appropriate local Union representative, and the employee involved, compensatory time at the appropriate rate may be granted in lieu of overtime pay. Such compensatory time is to be granted within the 60 calendar day period succeeding the date on which the overtime is worked. The compensatory time off shall

be scheduled for periods of time requested by the employee subject to management's responsibility to maintain efficient operations. If the compensatory time off is not granted within this time period, the employee shall be compensated at the appropriate rate of pay in lieu of paid time off. By mutual consent of the Employer and the employee involved such scheduling period may be extended an additional 60 calendar days. In no event shall UC Claims Intermittent Intake Interviewers be entitled to utilize such earned time off during periods of no pay status.

Section 5. The Employer will attempt to equalize overtime between or among the employees within the same job classification within each equalization unit during each one-half calendar year. When an overtime opportunity occurs, the Employer shall first seek to obtain volunteers for the performance of the overtime work beginning with the most senior of the employees using Bargaining Unit seniority who have the least overtime credit during the one-half calendar year. In the event that sufficient volunteers are not available, the Employer shall have the right to assign such work on a non-volunteer basis beginning with the least senior of those employees who have had the least assigned overtime on a non-volunteer basis during the period.

An employee declining overtime shall be credited with the overtime worked by the employee accepting or assigned to the overtime for equalization purposes. If an employee is unable to be reached by telephone the Employer will leave a message and document the call on a call log. An employee who does not return the call within ten (10) minutes will be determined to be unavailable and shall be credited with the amount of overtime worked by the employee accepting or assigned to the overtime. If an employee returns the call within ten (10) minutes but the overtime is no longer available, the employee will not be charged with the hours for equalization purposes. Local agreements that address employees who are unable to be reached by telephone shall supersede this provision. Employees may be passed over in order to comply with the equalization requirements. Employees entering established equalization units after the beginning of a six month equalization period shall be credited for equalization purposes with an amount of overtime equal to the maximum amount of credited overtime held by an employee in the same classification in the equalization unit.

Lists showing accumulations of overtime within each equalization unit during the preceding six-month period shall be posted every six months.

Equalization units will be established by written agreement of the parties. If either party requests a change to an established equalization unit the matter shall be discussed at labor-management meetings at appropriate local levels. If agreement is not reached, either party can request that an unresolved equalization unit issue be submitted to a committee consisting of representatives of the Union and representatives of the Office of Administration and the department or agency. After a period of forty-five (45) days from the date of the request to submit the unresolved issue to the Committee, either party can request that an unresolved equalization unit issue be submitted to an arbitration panel. The arbitration panel shall consist of one Union staff member, one staff member of the Employer, and one impartial arbitrator jointly selected by the parties.

If a grievance arises over equalization of overtime based on actions taken by the Employer prior to the date of an agreement or an arbitration award establishing the applicable equalization

unit, an arbitrator shall not award back pay to an employee due to the Employer's use of the incorrect equalization unit for the equalization of overtime.

The provisions of this Section shall not apply to employees in the Youth Development Centers operated by the Department of Human Services.

Section 6. The following overtime equalization procedure shall apply to the Youth Development Centers operated by the Department of Human Services:

a. The Employer will attempt to equalize overtime during each one-half calendar year between or among employees in the same job classification within each equalization unit who have previously stated in writing a willingness to accept overtime assignments. When the need for overtime occurs, the Employer shall first seek to obtain volunteers for the performance of overtime beginning with the most senior employee who has the least overtime credit during the one-half calendar year among those employees who have stated a willingness to work overtime. An employee declining overtime shall be credited with the overtime worked by the employee accepting the overtime for equalization purposes. If an employee is unable to be reached by telephone the Employer will leave a message and document the call on a call log. An employee who does not return the call within ten (10) minutes will be determined to be unavailable and shall be credited with the amount of overtime worked by the employee accepting or assigned to the overtime. If an employee returns the call within ten (10) minutes but the overtime is no longer available, the employee will not be charged with the hours for equalization purposes. Local agreements that address employees who are unable to be reached by telephone shall supersede this provision. Employees may be passed over in order to comply with the equalization requirements.

An employee submitting a written statement of willingness to work overtime or withdrawing his/her written statement of willingness to work overtime after the beginning of a six-month equalization period shall be credited for equalization purposes with an amount of overtime equal to the maximum amount of worked and credited overtime held by an employee in the same classification in the equalization unit at the time of submitting or withdrawing the statement. This paragraph shall be superseded by any existing or subsequent procedure mutually agreed upon in writing by the Employer and the Union at the agency, institutional or local agency level.

b. In the event there is an insufficient number of volunteers, the Employer shall have the right to assign overtime work on a non-volunteer basis. Such mandatory overtime shall be assigned in the following manner:

1. The Employer shall maintain a list, in Bargaining Unit seniority order, comprised of all employees (including those who have expressed a willingness to accept overtime assignments) in the same job classification within each equalization unit. Mandatory overtime shall be assigned to the least senior employee on said list who has not had a mandatory overtime assignment. Once an employee has been assigned overtime on a mandatory basis, such employee shall not be assigned mandatory overtime until all employees above him/her on the list have either been assigned mandatory overtime or have been excused for good and sufficient reasons,

regardless of the number of hours worked during such overtime assignment and regardless of the length of time between mandatory overtime assignments.

2. Once each employee whose name appears on the list provided for in Subsection b.1. above has been assigned mandatory overtime the process shall repeat itself.
3. There shall be no requirement to equalize overtime which is assigned on a mandatory basis and overtime assigned on a mandatory basis shall not be included in the hours which the Employer is required to equalize in accordance with the provisions of Subsection a. above.
4. In the event an employee cannot be reached to be informed of the mandatory overtime assignment, the Employer has the right to assign such mandatory overtime to the next employee on the list. However, when the next mandatory overtime assignment occurs the Employer shall assign such mandatory overtime to the employee(s) previously passed over.
5. Employees entering established equalization units shall be placed on the mandatory overtime list provided for in Subsection b.1. above in Bargaining Unit seniority.

c. Lists showing accumulations of overtime within each equalization unit during the preceding six-month period shall be posted every six months.

d. Equalization units will be established by written agreement of the parties. If either party requests a change to an established equalization unit the matter shall be discussed at labor-management meetings at appropriate local levels. If agreement is not reached, either party can request that an unresolved equalization unit issue be submitted to a committee consisting of representatives of the Union and representatives of the Office of Administration and the department or agency. After a period of 45 days from the date of the request to submit an unresolved issue to the Committee, either party can request that an unresolved equalization unit issue be submitted to an arbitration panel. The arbitration panel shall consist of one Union staff member, one staff member of the Employer, and one impartial arbitrator jointly selected by the parties.

e. If a grievance arises over equalization of overtime based on actions taken by the Employer prior to the date of an agreement or an arbitration award establishing the applicable equalization unit, an arbitrator shall not award back pay to an employee due to the Employer's use of the incorrect equalization unit for the equalization of overtime.

Section 7. Employees who are required to remain on duty during meal periods shall be compensated for these periods at the appropriate rate of pay. Employees who are not permitted to take rest periods during their regular shifts shall have that time counted as time worked in addition to that which is provided for in Section 2.

Section 8. Payment for overtime is to be made on the pay day of the first pay period following the pay period in which the overtime is worked.

Section 9. There shall be no duplication or pyramiding of any premium pay provided for under the provisions of this Agreement for the same hours worked. Time worked on holidays during an employee's regular shift shall not be excluded from hours worked for the purpose of determining eligibility for overtime pay under Section 1 of this Article.

Section 10. When permanent full-time employees who normally perform a certain type of work within a seniority unit are on furlough, the Employer shall not schedule other employees within the seniority unit to perform the same type of work on an overtime basis where such furloughed employees have the skill and experience to perform such work if the overtime involves full shifts and is expected to extend on a regular basis, for a period of four weeks or more.

Section 11. Effective as soon as practically and legally possible, the Commonwealth will adopt a tax-qualified Leave Payout Plan. All employees who attain age 55 before or during the calendar year they separate from service after adoption of the Leave Payout Plan shall have the leave payouts otherwise payable for accumulated and unused Annual Leave, Compensatory Leave, Holiday Leave and Sick Leave, up to the maximum allowable by law, deposited in an account in the employee's name, provided however that if the total amount of leave payout is \$5000 or less, this amount shall be paid to the employee in cash. Amounts in excess of the maximum allowable amount will be paid to the employee in cash.

In the event that any participant (in the leave payout plan) also participates in the Pennsylvania State System of Higher Education Alternative Retirement Plan (the "ARP"), contributions to this (leave payout) plan shall be allowed for any plan year only to the extent such contributions will not cause the limitations contained in Code Sections 402(g), 414(v) or 415 to be exceeded for the plan year when such contributions are aggregated with contributions made to the ARP on behalf of the participant.

## ARTICLE 22 CALL TIME AND STAND-BY TIME

Section 1. An employee who has been called into work outside of his/her regular shift schedule shall be guaranteed a minimum of four (4) hours' work. Call time pay begins when the employee reports to his/her assigned work site ready for work. There shall be no duplication of hours.

Section 2. Call time shall be paid for at whatever rate is appropriate.

Section 3. An employee is on standby during the period that the employee is required to remain at home and to be available for emergencies. Only employees who are required to be on standby are entitled to the compensation hereafter set forth. Such an employee on standby time, at the Employer's discretion, shall either be paid 25% of his/her regular base pay for such standby time or receive compensatory time off equivalent to twenty-five percent of such standby time. Standby time shall not be considered as hours worked for the purpose of computing overtime. An employee is not considered to be on standby time during the period he/she is being paid for call time.

## ARTICLE 23 SHIFT DIFFERENTIAL

Section 1. a. An employee whose work shift consisting of 7.5 or 8 work hours on a scheduled work day begins before 6:00 a.m. or at or after 12:00 noon will be paid a shift differential of \$1.00 per hour for all such hours worked on that shift.

b. Effective with the start of the first full pay period in January 2020, shift differential shall be paid as follows:

1. An employee whose work shift consisting of 7.5 or 8.0 work hours on a scheduled work day begins at or after 8:00 p.m. and before 6:00 a.m. will be paid a shift differential of \$1.15 per hour for all such hours worked on that shift.
2. An employee whose work shift consisting of 7.5 or 8.0 work hours on a scheduled work day begins at or after 12:00 noon and before 8:00 p.m. will be paid a shift differential of \$1.25 per hour for all such hours worked on that shift.

Section 2. Any employee who works overtime on his/her work shift as described in Section 1.a. or b. will receive the applicable shift differential for all overtime hours worked.

Section 3. Employees who are called in to work a shift on their scheduled day off and who worked not less than a full 7.5 or 8 hour shift which begins before 6:00 a.m. or at or after 12:00 noon shall receive, in addition to the appropriate rate, the shift differential as set forth in Section 1.a or b. for all such hours worked.

## ARTICLE 24 INSURANCE

Section 1. The Employer shall continue to assume the entire cost of the life insurance coverage for eligible employees as set forth in the currently existing life insurance plan. The amount of insurance is based on the employee's annual pay rate in effect on the preceding January 1, rounded to the nearest \$1,000, but not to exceed \$40,000. However, the amount of life insurance coverage will be reduced at age 70 to 65% of that coverage amount previously in effect and at age 75 to 50% of that coverage amount previously in effect.

Section 2. a. Permanent employees who are granted leave without pay in accordance with Article 17, Article 18 and Article 19 will continue to receive 100% State-paid coverage under the current life insurance plan as described in those articles. When the entitlements to benefits end under those articles, employees may continue in the life insurance program by paying the entire premium. Coverage may continue for up to a total of one year, including both leave with benefits and leave without benefits

b. Those permanent employees who are placed on suspension or who are granted leave without pay for any reason other than leave without pay in accordance with the articles specified in a. above for longer than 91 calendar days may remain in the program for up to one (1) year by paying the entire premium.

Section 3. The Employer shall continue to provide each employee who is covered under the currently existing life insurance plan with fully paid accidental death benefits for work-related accidental deaths. The amount of coverage is \$25,000, unless the surviving spouse or minor children are entitled to benefits under Act 101 of 1976.

Section 4. The Employer will continue to provide liability coverage for employees, including UC Claims Intermittent Intake Interviewers and Energy Assistance Workers, who use their personal automobile on state business. It is clearly understood and agreed that this liability coverage is on an excess basis only and that excess liability limits applicable correspond to that minimally required on a per person and per occurrence basis under the Pa. Motor Vehicle Financial Responsibility Law, Act of February 12, 1984 (P.L. 26, No. 11 & 12) 75 Pa. C.S. Chapter 17. Excess basis means that any other valid and collectible insurance will be primary. The coverage provided by the Employer shall be considered primary if, in fact, no other valid and collectible insurance was in effect. However, in the event an employee has not complied with the mandated minimum coverage stated in the Pa. Motor Vehicle Financial Responsibility Law, the Employer's liability coverage as provided for above shall be considered primary only to the extent that any claims exceed the mandated minimums. Any accident occurring while on state business will be reported to the employee's own insurance carrier in addition to the Bureau of Risk and Insurance Management, Department of General Services.

Section 5. The provisions of this Article shall not apply to Energy Assistance Workers or UC Claims Intermittent Intake Interviewers, except as noted in Section 4 above; or, unless a UC Claims Intermittent Intake Interviewer qualifies for permanent benefits pursuant to Article 29, Section 21.h.

## ARTICLE 25 HEALTH BENEFITS

### Section 1. Pennsylvania Employees Benefit Trust Fund

a. A jointly administered, multi-union, Health and Welfare Fund has been established under the provisions of an Agreement and Declaration of Trust executed by and between Council 13, American Federation of State, County and Municipal Employees, AFL-CIO, and the Employer. This jointly administered Fund is known as the Pennsylvania Employees Benefit Trust Fund (hereinafter Fund or PEBTF). The Fund shall conform to all existing and future Federal and Commonwealth statutes applicable to and controlling such Health and Welfare Fund. Said Agreement and Declaration of Trust shall provide for equal representation on the Board of Trustees appointed by the Unions and the Employer. In addition, the Agreement and Declaration of Trust will allow the Fund to provide benefits to management level and retired employees, as well as employees represented by other unions and other employers in the Commonwealth of Pennsylvania.

b. The Board of Trustees of the Fund shall determine in their discretion and within the terms of this Agreement and the Agreement and Declaration of Trust the extent and level of medical plan benefits, supplemental benefits and other benefits to be extended by the Fund.

c. The Employer shall contribute to the Fund the amounts indicated below on behalf of each permanent full-time employee and UC Claims Intermittent Intake Interviewer who works 1900 hours or more in the prior fiscal year and who is eligible for benefits and covered by this Agreement effective on the first pay date in July for the fiscal years specified below:

July 2019 – June 2020	\$486 biweekly per employee
July 2020 – June 2021	\$502 biweekly per employee
July 2021 – June 2022	\$519 biweekly per employee
July 2022 – June 2023	\$536 biweekly per employee

The contributions for permanent part-time employees and UC Claims Intermittent Intake Interviewers who work 950 hours or more but less than 1900 hours in the prior fiscal year, who are eligible for benefits and expected to be in an active pay status at least 50% of the time every pay period, will be 50% of the above referenced rates.

The coverage period for UC Claims Intermittent Intake Interviewers will begin at the beginning of the pay period in which September 1 occurs and end at the end of the pay period prior to the pay period in which September 1 occurs. For the purpose of this Section, hours worked will include all time worked and all paid leave.

d. The Fund shall maintain a reserve sufficient to pay on a cash basis the three (3) next succeeding months of projected claims and expenses. Reserve is calculated as the ending fund balance, meaning the net amount of funds on hand as of the close of any given month. Fund revenues are to be adjusted to reflect the relevant cash amounts that should have been or are to be received or collected by the Fund under the agreement. Fund expenses are to be adjusted for any expense which should have been paid for the period. At each bimonthly meeting of the Board of Trustees, the Fund's actuary will present their financial projection to the Finance Committee including a report that will show the projected reserve level at the end of the succeeding 24 months, or through the end of the current agreement if this latter period is less than 24 months. The report will concisely state the assumptions and factors used in making these projections.

The report will be available to all trustees of the Fund. If the average amount of the projected reserve for any future quarter (e.g., July-September) is less than a three (3) month reserve as defined above, the actions below will be triggered:

1. The first day of the quarter during which the average reserve would be less than three (3) months will be considered the "target date" for additional funding;

2. At least six (6) months prior to the target date, the Fund's actuary will review the projection and confirm that a funding adjustment is needed and the amount of such adjustment. If the need for a funding adjustment occurs in the first nine (9) months, this subparagraph shall not apply;
3. Should the Commonwealth not dispute the finding by the Fund's actuary that an adjustment is necessary, the Commonwealth will implement the funding adjustment at least ten (10) calendar days prior to the target date.
4. If either the Chairman of the Board, Secretary of the Board, any four (4) management or any four (4) union Trustees of the Board dispute the findings of the Fund's actuary, the Chairman and the Secretary of the Board of Trustees will select a neutral actuary within five (5) business days to resolve the dispute and will forward their respective positions and any supporting documentation to the neutral actuary within five (5) business days of such selection. The neutral actuary may communicate and ask questions of the Fund's actuary provided, however, if such communications occur, the Finance Committee will have access to the discussions.
5. The neutral actuary shall render a decision within 30 calendar days of the receipt of said positions/documentation, which decision will be final and binding on the parties and must be implemented within 10 (ten) business days of its receipt by the parties.
6. The adjustment must be sufficiently large so as to restore the size of the reserve to a minimum of three months within 30 days following the target date.
7. Once the reserve exceeds the three (3) month equivalent, the contribution rate shall be reduced to the amount provided under this Section unless the parties agree that a new rate is necessary to maintain a three (3) month reserve.
8. It is understood and agreed to by the parties that the process outlined above is designed to ensure adequate funding for the PEBTF and not intended to place the financial status of the Fund in jeopardy.

e. The Employer shall make aggregate payments of Employer contributions together with an itemized statement to the Fund within one month from the end of the month in which the contributions were collected.

f. All benefits extended by the Fund must be designed to be excludable from the "regular rate" definition of the Fair Labor Standards Act, unless hereinafter required by federal law to be included.

g. No dispute over eligibility for benefits or over a claim for any benefits extended by the Fund shall be subject to the grievance procedure established in any collective bargaining agreement, except as otherwise specifically provided within this Article.

h. It is expressly agreed and understood that the Employer does not accept, nor is the Employer to be hereby charged with any responsibility in any manner connected with the determination of liability to any employee claiming any of the benefits extended by the Fund. It is expressly agreed that the Employer's liability, in any and every event, with respect to benefits extended by the Fund shall be limited to the contributions indicated under Subsections c. and d. above.

Section 2. The provisions of Sections 3 through 8 shall be modified to the extent the medical plan benefits, supplemental benefits and other benefits as determined and extended by the Fund and/or the Retired Employees Health Program are modified for current and/or future employees and retirees as provided for in Section 1 (employees) and/or Section 6 (retirees) of this Article, respectively.

Section 3. The Fund shall continue to provide each permanent full-time active employee medical plan benefits, supplemental benefits and other benefits as determined and extended by the Fund. In addition, it shall provide dependency coverage where the dependents of the employee qualify. The Fund shall continue to provide permanent part-time employees and UC Claims Intermittent Intake Interviewers who work 1900 hours or more in the prior fiscal year who are expected to be in active pay status at least 50% of the time every pay period and UC Claims Intermittent Intake Interviewers who work 950 hours or more but less than 1900 hours medical plan benefits, supplemental benefits and other benefits as determined and extended by the Fund. In addition, it shall provide 50% dependency coverage where the dependents of the employee qualify. Such employees shall contribute an amount determined by the Fund's Trustees toward the cost of coverage. Enrollment and continued coverage in Fund benefits is further subject to the following conditions:

a. Subject to the provisions of Section 3.b., employees will contribute a percentage of their biweekly gross base salary toward the cost of coverage as provided below:

July 2019 – June 2023	2.5%
-----------------------	------

Employee contributions shall be effective the first full pay period in July of the periods specified above. Biweekly gross base salary as used throughout this Article excludes premium or supplemental payments such as overtime, shift differentials, higher class pay, etc.

b. An employee will be eligible for an Employee Contribution Waiver if the employee and his/her qualifying dependents, as determined by the Trustees, participate in the Get Healthy Program as established from time-to-time by the Fund. In accordance with Section 1.b., the Fund shall be solely responsible for establishing all requirements and conditions of the Get Healthy Program, including rules and policies for the requirements for qualifying for the Employee Contribution Waiver and for making determinations regarding whether an employee and dependents have fulfilled the conditions for such Waiver.

The Employee Contribution Waiver will consist of a waiver of a portion of the employee's required contribution to the cost of health care as a percentage of biweekly gross base salary as follows:

	<u>Waiver Amount</u>	<u>Employee contribution with Waiver</u>	<u>Employee contribution without Waiver</u>
July 2019 – June 2023	2.5%	2.5%	5.0%

Employee Contribution Waivers shall be effective the first full pay period in July of the period specified above.

c. The parties agreed to an evaluation process with respect to the reserve levels of the Fund to determine if an employee contribution is necessary. Under this process, if the Fund's actuary certifies that a three (3) month reserve of projected claims and expenses has been achieved and will be maintained for at least six (6) months, the Trustees will evaluate whether employee cost sharing for employees hired before August 1, 2003, can be reduced or eliminated, provided that at no time shall any such reduction or elimination of cost sharing result in the reserve being reduced below the three (3) months of total projected claims and expenses. Should the Trustees, after evaluating the employee cost sharing, decide that contributions by employees hired before August 1, 2003 will be reduced or eliminated, the reserve will be reviewed on a six (6) month basis by the Fund's actuary. If the actuary certifies that the amount of the reserve has dropped below the three (3) month level, such contributions will resume immediately at the levels established in this Agreement, without any action on the part of the parties or the PEBTF Board of Trustees. This Subsection shall be read and administered in a manner consistent with Section 1.d. of this Article.

d. (1) For the first six (6) months of employment, the employee will be offered single coverage in the least costly medical plan offered and available in his/her area, with no supplemental benefits. The employee may opt to purchase medical coverage for the employee's qualifying dependents in the same medical plan as the employee, and/or may opt to purchase a more costly plan in the area by paying the difference in cost between the least costly and the more costly plan, in addition to the employee contribution, required under Section 3.a.

(2) After completing six (6) months of employment, the employee and his/her qualifying dependents will be eligible for coverage under the Fund's supplemental benefits, and the employee will be permitted to cover his/her qualifying dependents under the least costly medical plan at no additional cost. If a more costly medical plan is selected, the employee will be required to pay the cost difference between the least costly and more costly plan, in addition to the employee contribution, required under Section 3.a.

(3) Nothing herein shall be construed to limit the authority of the Board of Trustees to modify or adopt these or other eligibility rules.

e. Only employees who elect to enroll for PEBTF coverage, including those who enroll only for supplemental benefits, are subject to the employee contributions in this Article. An employee who is only enrolled as a spouse of another PEBTF covered employee is not subject to any required employee contributions.

f. Employee contributions under this Article will be paid to the Fund on a biweekly basis as soon as is practicable using the Employer's standard methods for transferring money. The parties intend that these contributions will be submitted in a more accelerated manner than the Employer contributions. Any employee contributions made pursuant to this Article will be made on a pre-tax basis.

Section 4. a. Permanent employees and UC Claims Intermittent Intake Interviewers who are granted leave without pay in accordance with Article 17, Article 18, or Article 19 may continue to receive benefits as described in those articles and as determined and extended by the Fund.

b. Permanent part-time employees, UC Claims Intermittent Intake Interviewers and those permanent full-time employees who are placed on suspension or who are granted leave without pay for any reason other than leave without pay in accordance with the articles specified in a. above for longer than one full pay period or for longer than the applicable periods specified in the articles delineated in a. above, will be permitted to continue coverage on a direct pay basis at a rate to be determined by the Fund but no greater than the COBRA rate.

c. The Employer shall continue to make full contributions to the Fund for permanent full-time employees and UC Claims Intermittent Intake Interviewers who work 1900 hours or more in the prior fiscal year for the period of time for which they are entitled to benefits under Subsection a. and 50% contributions for permanent part-time employees and UC Claims Intermittent Intake Interviewers who work 950 hours or more but less than 1900 hours for the period of time for which they are entitled to benefits under Subsection a.

d. The continuation of benefits under this Section is subject to the employee's payment of any required employee contribution under Section 3.

#### Section 5. Spousal Eligibility

a. For employees hired on or after August 1, 2003: If the spouse of an employee is covered by any PEBTF health care plan, and he/she is eligible for coverage under another employer's plan(s), the spouse shall be required to enroll in each such plan, which shall be the spouse's primary coverage, as a condition of the spouse's eligibility for coverage by the PEBTF plan(s), without regard to whether the spouse's plan requires cost sharing or to whether the spouse's employer offers an incentive to the spouse not to enroll.

b. For employees hired before August 1, 2003: If the spouse of an employee covered by any PEBTF health plan also is eligible for coverage under another employer's plan(s), the spouse shall be required to enroll in each such plan, provided that the plan in question does not require an employee contribution by the spouse or the spouse's employer does not offer an incentive to the spouse not to enroll. Once covered by another employer's plan, that

plan will be the spouse's primary coverage, and the PEBTF plan will be secondary.

c. Nothing herein shall be construed to limit the authority of the Board of Trustees to modify or adopt these or other spousal eligibility rules.

Section 6. a. The Employer shall allow each individual who was eligible as an active employee under the Fund's health benefits plan to elect coverage upon retirement under the Retired Employees Health Program (hereinafter REHP). In addition, dependency coverage shall be allowed where the dependents of the retiree qualify under such Program. The following phrases shall be defined as:

- (1) For State Employees' Retirement System or the Public School Employees' Retirement System members, an employee is deemed retired when the employee applies for and receives retirement benefits.
- (2) For State Employees Defined Contribution Plan participants, an employee is deemed retired when they receive a full distribution from their defined contribution plan.
- (3) Superannuation age, for the express purposes of this Section and Article 12 Section 7.b.(1) only, shall be defined as follows:
  - a. For State Employees Defined Contribution Plan participants, it shall be 67 years old.
  - b. For State Employees' Retirement System or the Public School Employees' Retirement System members it is defined by the State Employees Retirement Code.
- (4) For State Employees Defined Contribution Plan participants, credited service will be determined in the same manner as State Employees' Retirement System members.
- (5) The phrase "Commonwealth employee" shall be limited to service earned through an employing agency eligible to participate in the Commonwealth's Life Insurance Program.
- (6) The phrase "retirement system" shall be limited to the State Employees' Retirement System and or Public School Employees' Retirement System, TIAA-CREF, State Employees Defined Contribution Plan, or other approved retirement systems.

b. Employees who retire on or after July 1, 2007, and who elect REHP coverage, shall be eligible for the medical and prescription benefits in effect for active employees, provided that the Employer will modify the REHP plan of benefits from time-to-time to conform to the medical and prescription benefits in effect for the active employees. Retirees who are eligible

for Medicare will participate in Medicare medical and prescription plans, and those retirees who are eligible to enroll in Medicare Part B will not receive benefits through the REHP for benefits which are provided by Medicare Part B. It is understood that the REHP plan of benefits may be amended or modified by the Employer from time-to-time.

c. Employees who retire on or after July 1, 2007, and elect REHP coverage shall be required to contribute to the cost of coverage. The annual retiree contribution rate shall be a percentage of the employee's final annual gross salary at the time of retirement from State service equal to the active employee contribution rate in effect on the date of retirement and will be payable monthly at the rate of one-twelfth of the annual retiree contribution rate.

The annual retiree contribution rate during the term of this agreement for employees who retire on or after July 1, 2011 shall be three (3) percent of the employee's final average salary at the time of retirement, as determined by the methodology utilized by the State Employees' Retirement System to calculate pension benefits, and will be payable monthly at the rate of one-twelfth of the annual retiree contribution rate. The methodology utilized by the State Employees' Retirement System to calculate pension benefits will also be applied to determine the annual retiree contribution rate for employees who retired on or after July 1, 2007 through June 30, 2011 in those situations where said methodology results in a lower retiree contribution rate than results from the use of final gross annual salary; in situations where use of final gross annual salary yields a lower contribution rate for such former employees, it shall continue to be used. Further, the annual retiree contribution rate for all present and future Medicare eligible retirees who have a contribution rate of three (3) percent will be reduced to one-and-one-half (1.5) percent of the appropriate base (final gross annual salary or final average salary) when a retiree becomes eligible for Medicare coverage, and will be payable monthly at the rate of one-twelfth of the annual retiree contribution rate.

d. The REHP is developed and administered in a cost effective and beneficial manner by the Fund, subject only to the prior approval of the Office of Administration and in accordance with the terms and conditions of the REHP Participation Agreement between the Employer and the Fund.

e. The Employer shall continue to pay the cost of coverage, subject to the required retiree contribution rates, for employees who retire under (1), (2), (3), (4), or (5) below and who have elected REHP coverage:

(1) Retirement at or after superannuation age with at least 20 years of credited service, except that

- (a) an employee who leaves State employment prior to superannuation age and subsequently retires at or after superannuation age must have 25 years of credited service,
- (b) an employee who is furloughed prior to superannuation age and subsequently retires at or after superannuation age during the recall period must have 20 or more years of credited service,

- (c) an employee who leaves State employment prior to superannuation age and is subsequently rehired and then retires at or after superannuation age must have 20 or more years of credited service with at least three years of credited service from the most recent date of reemployment. However, if the departure from State employment was due to furlough and the employee returns during the recall period, this three year requirement will not apply. If the employee had qualified, other than through disability retirement, for Employer paid coverage in the REHP prior to the most recent rehire period, this three year requirement will not apply,
- (d) an employee who leaves State employment subsequent to superannuation age and is subsequently rehired and then retires must have 20 or more years of credited service with at least three years of credited service from the most recent date of reemployment. However, if the departure from State employment was due to furlough and the employee returns during the recall period, this three year requirement will not apply. If the employee had qualified, other than through disability retirement, for Employer paid coverage in the REHP prior to the most recent rehire period, this three year requirement will not apply.

(2) Disability retirement, which requires at least five years of credited service, except that, if an employee had previously qualified based on an approved disability retirement, then returns and retires under a normal or early retirement, he or she must retire at or after superannuation age with 20 or more years of credited service or 25 years of credited service regardless of age.

For State Employees Defined Contribution Plan participants, the disability retirement application must be approved by the Office of Administration using the same criteria as the State Employees' Retirement System.

(3) Other retirement with at least 25 years of credited service, except that an employee who leaves State employment, is subsequently rehired and retires must have at least 25 years of credited service with at least three years of credited service from the most recent date of reemployment. However, if the departure from State employment was due to furlough and the employee returns during the recall period, this three year requirement will not apply. If the employee had qualified, other than through disability retirement, for Employer paid coverage in the REHP prior to the most recent rehire period, this three year requirement will not apply.

(4) For UC Claims Intermittent Intake Interviewers in the Department of Labor and Industry who are treated as permanent employees for benefits purposes, entitlement to the REHP will require an additional six months of credited service for each five (5) years of credited service established in (1), (2), and (3) above.

(5) For purposes of eligibility for REHP coverage under this Section, credited service earned on or after July 1, 2007, will be limited to service as a Commonwealth employee which otherwise counts as credited service under the retirement systems' rules in effect from time to time. Employees hired on or after July 1, 2007 who have earned credited service under the retirement systems' rules with another employer will not have that service counted for purposes of eligibility for REHP coverage, unless they were employed by the Commonwealth prior to July 1, 2007. If it is determined by the retirement system that a Commonwealth employee is eligible for additional credited service for military service, such credited service will be included in the determination of eligibility for REHP coverage. For State Employees Defined Contribution Plan participants, the Office of Administration will determine if a Commonwealth employee is eligible for additional credited service for military service using the same criteria as the State Employees' Retirement System. The phrase "Commonwealth employee" shall be limited to service earned through an employing agency eligible to participate in the Commonwealth's Life Insurance Program.

Section 7. When an employee dies as a result of a work-related accident, the Fund shall continue to provide medical plan benefits and supplemental benefits, as determined and extended by the Fund, to the spouse and eligible dependents of the employee until the spouse remarries or becomes eligible for coverage under another Employer's health plan. Annual certification of non-coverage will be required.

The medical plan benefits and supplemental benefits will be converted to the REHP at the time when the employee would have reached superannuation age.

Section 8. a. An Energy Assistance Worker in the Department of Human Services who works the hours referenced below during any one contract year (July 1 to June 30) shall be reimbursed the percentages listed below for that year, for actual verified out-of-pocket premium costs which he/she pays for hospital, medical/surgical and major medical insurance. Such employee reimbursement shall not exceed the equivalent of biweekly premiums for three, six, nine or twelve months, whichever is appropriate, of premiums provided for in Section 1.c. above.

This reimbursement shall be calculated at the end of the contract year in which the hours are completed and payment made to the employee within 90 days thereafter.

<u>Hours Worked</u>	<u>Reimbursement Percentage</u>
From 475 to 949	25%
From 950 to 1424	50%
From 1425 to 1899	75%
From 1900 and up	100%

b. Energy Assistance Workers who worked nine or more months and had previously qualified for medical plan benefits and supplemental benefits under the Commonwealth's program shall continue to receive such benefits and the provisions of Subsection a. above shall not apply.

Section 9. The parties will evaluate the health plans offered under the Fund, and take action as necessary, in order to ensure that a tax and/or penalty is not assessed against the Commonwealth pursuant to the Affordable Health Care Act as a result of the impact upon employees of any such plans.

Section 10. The Commonwealth is committed to implementing a Flexible Spending Account (FSA) program for qualified employee health care expenses no later than January 1, 2021.

## ARTICLE 26 DAY CARE

A statewide joint committee comprised of five representatives of the Union and five representatives of the Employer (agencies under the Governor's jurisdiction) will meet during the term of this Agreement to discuss expansion of child care facilities.

## ARTICLE 27 CLASSIFICATION

Section 1. The position classification plan, as established and maintained by the Employer, consists of a schedule of classification titles with classification specifications for each classification which define and describe representative duties and responsibilities and set forth the minimum requirements and qualifications essential to the performance of the work of the classification. If employees consider their permanent position to be improperly classified the employee may process an appeal for a reallocation of their position through an Expedited Classification Grievance Procedure as follows:

**STEP 1:** The Employee or the Union will present the grievance to the Office of Administration, Bureau of Organization Management. The preferred method is to send an email to the Office of Administration, Classification Grievances resource account ([RA-OAClassGrievances@pa.gov](mailto:RA-OAClassGrievances@pa.gov)). The Employee or the Union shall attach to the grievance a description of the job. The Employer will respond in writing within 60 working days of receipt of the grievance. This period may, however, be modified by mutual agreement.

In the case of grievances involving a downward reclassification or a temporary working out of classification assignment under Section 3 of this Article, the employee shall present the grievance within 15 working days of the date of the occurrence giving rise to the dispute, or when the employee knew or by reasonable diligence should have known of the occurrence.

If a determination is made by the Employer in the course of an employee appeal that a position should be upgraded, the employee shall be promoted retroactively to the date the grievance was filed in writing.

If a final determination is made by the Employer in the course of an employee appeal or an Employer-initiated classification review that a position should be downgraded, the employee shall

be demoted to the proper classification and pay scale group at the nearest step not greater than the employee's current salary. If the employee's salary is greater than the maximum step of the lower pay scale group, there shall be no reduction in salary. The effective date of the classification change shall be the first day of the first pay period subsequent to the response.

If a final determination is made by the Employer in the course of an employee appeal or an Employer initiated classification review that a position should be reclassified to another class in the same pay scale group, the effective date of the classification change shall be the first day of the first pay period subsequent to the response.

Section 2. The Union, in response to an unfavorable decision at Step 2, may submit classification appeals to advisory arbitration, within 45 days after the Office of Administration's response is due. Such appeals will be reviewed by a panel which shall consist of three (3) members; one member appointed by the Employer, one member appointed by the Union, and a third member selected by the parties jointly from a list of five names to be mutually agreed upon by the Employer and the Union. The third member shall not be affiliated, directly or indirectly, with any labor organization or be an employee of the Commonwealth and must be knowledgeable in the field of position classification. The parties agree to select arbitrators and agree upon hearing dates as expeditiously as possible, and agree that grievances will be scheduled for arbitration within two years of the Union's provision of notice of intent to proceed to arbitration. It is understood that the two year time limit refers to the Union proposing selection of an arbitrator and a hearing date for the case, rather than the actual conduct of the hearing.

The panel shall neither add to, subtract from, nor modify the provisions of this Article nor recommend any alterations or revisions to the Commonwealth's classification and compensation plans. The panel shall be confined to deciding the proper classification in the then existing classification plan for the position in dispute.

The findings of the panel shall be submitted to the parties within 30 working days after the hearing or receipt of transcript when taken. The determination of the panel shall be advisory only as to the Employer.

The panel shall meet monthly if necessary for the purpose of hearing appeals under this Section.

Section 3. The Union recognizes the right of the Employer to direct its working forces, which includes the assignment of work to individual employees and it further recognizes that such assignments may include work outside an employee's classification. However, it is understood that assignments outside of classification shall be made in a manner consistent with the Employer's operations and organizational requirements.

Whenever an employee within the unit temporarily is charged to perform in general the duties and responsibilities of a position in a higher rated classification that are separate and distinct from those of the employee's own position for a period of five full cumulative days in a quarter, the employee shall be compensated, retroactive to the time the assignment took place, at an amount equal to four and one-half percent of the employee's current rate of pay or at the starting rate of the

pay scale group for the higher class, whichever is greater. Employees who are charged to perform higher class work for a full day and who take leave for a portion of that day will be compensated, in increments of 1/4 hour, for the partial day worked in the higher class after the five full day threshold has been met. Such employee while working and being paid in a higher class will also be paid at the higher rate for a holiday provided the employee is charged to perform the higher level duties on the employee's scheduled workday immediately before and immediately after such holiday and is paid at the higher rate for those days. The holiday shall not count toward the requirement for five full cumulative days in a quarter, unless actually worked. Once the requirement for the five full cumulative day threshold has been met, payment will be included in the biweekly paycheck. An employee or employees shall not be temporarily assigned to fill a position in a higher rated classification for more than nine (9) continuous months or the length of an approved leave of absence where the employee being replaced has a guaranteed right of return, whichever is greater.

If the position is filled permanently by other than the employee temporarily filling the position, the employee temporarily assigned shall be returned to their previous position and compensation, but shall receive any increments and service credits for such increments to which they would have been entitled had they remained in their normal assignment.

In addition, if the Employer assigns an employee on a temporary basis to a lower classification or if an employee temporarily performs some duties and functions assigned to a lower classification, the employee so assigned shall receive the compensation of the higher level to which the employee is regularly assigned. The Employer, however, at any individual work site, shall make such assignments on a non-discriminatory basis so as to equalize the same among the employees within the classification from which assignments are made, so long as such equalization does not interfere with efficient operating procedures.

Grievances arising from the provisions of this Section shall be submitted in writing and include the dates on which the alleged out of class work occurred and a description of the alleged higher level work performed. Grievances pertaining to this Section may be processed in accordance with the grievance and arbitration procedure delineated in Sections 1 and 2 of this Article.

For the purpose of this Section, the calendar quarters shall be defined as beginning with the first full pay period in January through March 31, April 1 through June 30, July 1 through September 30, and October 1 through the last full pay period of the leave calendar year, which is the pay period that includes December 31. For employees of the Pennsylvania State System of Higher Education, the calendar quarters for the purpose of this Article shall be defined as January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31.

Section 4. Under Sections 2 and 3 above, all fees and expenses of the arbitrator shall be divided equally between the parties except where one of the parties of this Agreement requests a postponement of a previously scheduled arbitration meeting which results in a postponement charge. The postponing party shall pay such charge unless such postponement results in a settlement of the appeal in which event the postponement charge shall be divided equally between

the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Each party shall bear the costs of preparing and presenting its own case. Either party desiring a record of the proceedings shall pay for the record and make a copy available without charge to the arbitrator.

Section 5. The Employer shall notify the Union of changes to the Classification and Pay Plan involving jobs presently in or reasonably anticipated to be placed in certified bargaining units for which the Union is the representative, prior to the submission of these changes to the Executive Board of the Commonwealth. The Union will submit its comments in writing, to the Employer within 30 calendar days of receipt of the notification. If written comments are not received from the Union within 30 calendar days, the Employer will contact the Union before submitting the proposals to the Executive Board. Reasonable written requests by the Union for time extensions will be granted.

If the Union disagrees with a change to the Classification and Pay Plan affecting an existing job represented by the Union that is proposed by the Employer, the Union may submit the issue to the Job Evaluation Committee. The Committee will be comprised of representatives from the Statewide Union and the Office of Administration, Bureau of Organization Management. Agency management representatives may sit on the Committee when deemed necessary by the Employer, and other union officials may sit on the Committee when deemed necessary by the Statewide Union. The Union will place issues before the Committee by submitting a written request to the Office of Administration, Bureau of Organization Management. The request will identify the Union's specific objections to the Commonwealth's proposal and the Union's rationale for the objections. The Committee will then meet to review and discuss the Union's objections. Either party may elect to hold a subsequent meeting of the Committee for the purposes of hearing from potential affected representative employees chosen by the Union. The Employer will provide a written response to the Union upon completion of its review.

Disputes not resolved by the Job Evaluation Committee may be submitted by the Union to an Arbitration Panel. The Union must submit a written notice of intent to proceed to arbitration to the Employer within 45 working days of the Employer's written response to the Union. The Arbitration Panel shall be composed of three members; one appointed by the Union, one appointed by the Employer, and the third to be mutually agreed upon or selected from a list of arbitrators supplied by the Pennsylvania Bureau of Mediation. The Panel will be confined to considering the appropriateness of the changes proposed by the Commonwealth. The decision of the Panel shall be advisory to the parties in this Agreement.

Section 6. When employees are assigned to a new permanent job with duties that are substantially different from their current duties, a job description, if available, shall be provided in advance of the new job being assumed. If no job description exists, sufficient explanation shall be provided and the job description prepared as soon as possible. Employee job descriptions should be reviewed with the employee on an annual basis and updated as necessary. Upon request, the employee shall be provided a copy. The appropriate forum for issues relating to this Section shall be labor-management meetings.

Section 7. A statewide joint committee comprised of 5 representatives from the Union and 5 representatives from the Employer shall be established to discuss recruitment and retention issues involving jobs in units represented by the Union.

## ARTICLE 28 TRAVEL EXPENSES

Section 1. Travel expenses shall be paid in accordance with the Commonwealth's existing Travel Expense Regulations. Mileage allowances shall correspond with the applicable privately-owned vehicle mileage reimbursement rate established by the General Services Administration (GSA). With the implementation of Concur software, meal and incidental expenses incurred during overnight travel shall be reimbursed up to the GSA meals and incidentals rate established for the applicable travel destination. Should the GSA change either the privately-owned vehicle mileage reimbursement rates or the meals and incidentals rates, or should the GSA change the methodology used to calculate these rates, the allowances for employee under this Agreement shall be adjusted accordingly on the effective date of the GSA change.

Employees may submit no more than one travel expense report per work week. Multiple trips may be entered into an individual expense report.

Section 2. An employee who is required by the Employer to travel 15 miles or more from his/her regular office work site and whose work assignment requires that he/she remain away from said office work site during his/her normal lunch period, shall be reimbursed for out-of-pocket lunch expenses not to exceed \$3.50 (including sales tax).

Section 3. When an employee is required to take patients/residents/inmates out of the institution or to shop off grounds for the patient/resident/inmate over a meal period, the employee will be provided with a meal similar to that provided the patients/residents/inmates, or will be compensated for a meal in the amount not to exceed \$7.75, including sales tax. In addition, an employee shall be compensated for the money expended on a meal for the patient/resident/ inmate. These allowances for subsistence require no receipt or other accounting. However, they are not flat allowances and only amounts actually expended may be claimed.

Section 4. a. Except as described in Subsection 4.b. of this Article, bargaining unit employees in the Department of Labor and Industry who are required to travel between 25 miles and 49 miles as measured by the shortest regularly traveled route from their home or headquarters to a field work site shall be granted one-half hour travel time in each direction.

Employees who are required to travel between 50 miles and 99 miles as measured by the shortest regularly traveled route from their home or headquarters to a field work site shall be granted one hour travel time in each direction.

Employees who are required to travel more than 100 miles as measured by the shortest regularly traveled route from their home or headquarters to a field work site shall be granted an additional one hour's travel time in each direction, for each additional 50 miles traveled.

Hours of work for employees, if required by the Employer to travel to and from the work site by transportation provided by the Employer, shall commence at the time of embarkation and shall cease at the time of debarkation.

An employee's regular headquarters location shall not be changed in order to diminish the travel time in this subsection that would be associated with a given assignment.

b. The calculation of travel on a portal-to-portal basis in the Department of Labor and Industry's Bureau of Blindness and Visual Services will be continued for those individual employees in the Bureau who were subject to such calculation on July 1, 2011 and to those individual employees hired into bargaining unit positions in the Bureau from June 1, 2010 through March 31, 2012. Subsection 4.a. of this Article will apply to individual employees hired into bargaining unit positions in the Bureau on or after April 1, 2012.

Section 5. An employee's work schedule shall not be changed for the purpose of performing a field assignment except as permitted under Article 6, Hours of Work, unless there is mutual agreement between the employer, employee, and local union representative.

## ARTICLE 29 SENIORITY

Section 1. Under the terms of this Agreement, the term "seniority" means a preferred position for specific purposes which one employee within a seniority unit may have over another employee within the seniority unit because of a greater length of service within the state government or a particular organizational or occupational segment thereof.

a. Bargaining Unit seniority standing for the purpose of promotion, furlough, recall, placement, shift preference and involuntary permanent transfers, shall be determined by the length of unbroken (as defined in Section 2) service with the Employer in rank and file classifications in the bargaining unit covered by this Agreement.

b. Employees who are absent without pay will not lose seniority for regularly scheduled days off that immediately precede the day of their return, provided the employees return at the beginning of their scheduled shift.

c. Employees who served in the Armed Forces of the United States during periods of war in which the United States was or is engaged as listed below shall, if they have not previously done so, be responsible for providing proof of military service to their human resource officer within 60 days of their first day of work or 60 days after discharge or release from active duty during a current period of war in order to receive seniority credit in accordance with the Veteran's Preference Act 51 Pa. C.S. 7101. When the Employer determines that a furlough is necessary and there is no proof of military service in an employee's personnel file, the Employer shall not be held liable for any actions associated with the evaluation of seniority standing unless an employee provides proof of military service within ten (10) days of the date the employee is notified of

his/her furlough.

Applicable periods of war are as follows:

1. World War II - December 7, 1941 - December 31, 1946
2. Korea - June 7, 1950 - January 31, 1955
3. Vietnam (in-country) – February 28, 1961 – May 7, 1975
4. Vietnam - August 5, 1964 - May 7, 1975
5. Persian Gulf - August 2, 1990 - to date to be determined by the Adjutant General (Department of Military and Veterans Affairs) pursuant to 51 Pa. C.S. 7101.

d. Employees will accrue seniority in accordance with the following procedure: The number of regular hours paid each biweekly pay period plus the number of hours of military leave without pay; leave without pay for Union business in accordance with Article 17, Sections 2.b. and 3; leave without pay for work-related injuries in accordance with Article 19; and Family and Medical Leave Act (FMLA) leave in accordance with Article 18, Section 1, will be accumulated. This total number of hours will be divided by 7.5 or 8 as applicable and rounded up to the next higher day. The result will be added to the employee's accumulated total.

Section 2. The following shall constitute a break in service: resignation, separation for just cause, retirement, absence without leave for five consecutive work days, failure to report within 10 consecutive work days of recall, expiration of recall period, failure to report after leave and acceptance of other permanent employment while on leave. This shall not restrict the Employer's right to take whatever personnel action it deems warranted for any of the above. If service is broken by any of the above, the employee shall lose Bargaining Unit seniority. If an employee is returned within one year after such break in service, he/she shall be entitled to credit for seniority purposes the time accrued up to the time break in service occurred, but shall not be entitled to any credit for the time represented by such break in service. Furloughed employees who either are superannuated or who are eligible under a special retirement incentive program, and who file applications for retirement benefits which are subsequently approved, will be considered to have a break in service as of the date of the approval of benefits by the State Employees' Retirement Board.

Section 3. Seniority lists shall be prepared for each seniority group and revised where necessary every six months. Appropriate seniority dates shall be shown thereon to permit application of various seniority provisions. Such lists shall be posted on the appropriate bulletin boards at permanent work sites.

Section 4. The Employer agrees to post all vacancies within the bargaining unit at appropriate work locations within the seniority unit prior to the filling of such vacancies for a period of at least 15 calendar days when the vacancies are above the entrance level and 10 calendar days when the vacancies are entrance level unless an emergency requires a lesser period of time. Such posted notice shall include the location (i.e. office, institution) of the vacancy. With respect to the Bureau of Employer and Career Services, the postmark or the date on a return receipt will be the determining factor in deciding timely bids.

If a vacancy is not filled within 90 calendar days following the closing date specified on the posting, the Employer will re-post the vacancy and all employees must follow the procedures set forth in Sections 5.a. and 6.a. of this Article in order to be considered.

Section 5. Whenever the Employer deems it necessary to fill a non-civil service vacancy, vacancies shall be filled in the following manner:

- a. Employees in the seniority unit and in the classification(s) immediately below (as shown in Appendix E) the classification of the vacancy wishing to bid for such vacancy shall submit to the Employer their name on a bidding form available from an agency office specified on the posting. Employees must submit a bid within the time period specified on the posting.
- b. Where it is determined that skill and ability are relatively equal among the bidding seniority unit employees in the classification(s) immediately below (as shown in Appendix E) the classification of the vacancy, the vacancy shall be filled by the employees with the greatest Bargaining Unit seniority except in the following instances:
  - (1) Where it is necessary to comply with the provisions of applicable law and rules relating to the Commonwealth's Equal Employment Opportunity Program.
  - (2) Where the job involved requires highly specialized skill, training and expertise and there are no employees in the classification immediately below (as shown in Appendix E) the vacancy who possess such qualifications.
  - (3) Whenever a position is reclassified upward to correct an improper classification or to reflect an accretion of duties or reorganization of duties, then the incumbent shall be awarded the higher position.
  - (4) Where an employee who has completed the probationary period and is downgraded in accordance with the provisions of Article 27, Section 1. In such cases, an employee who bids shall be granted preference to a posted vacancy in the same classification from which the employee was downgraded. The preferential right shall cease when the employee accepts a position to a classification with the same or higher pay scale group as the classification from which the employee was downgraded. For purposes of this Subsection, seniority standing shall be the length of service in the classification from which the employee was downgraded.

If an employee is promoted in accordance with this Subsection and was temporarily assigned, at the time the position was posted or thereafter, to work in that position, the employee will be promoted retroactive to the ending date of the posting.

Section 6. Whenever the Employer deems it necessary to fill a civil service vacancy, vacancies shall be filled in the following manner:

- a. Employees in the seniority unit and in the classification immediately below (as shown in Appendix E) the classification of the vacancy wishing to bid for such vacancy shall submit to the Employer their name on a bidding form available from an agency office specified on the posting. Employees must submit a bid within the time period specified on the posting.
- b. When a vacancy is filled without examination and where it is determined that skill and ability are relatively equal among the bidding seniority unit employees in the classification(s) immediately below (as shown in Appendix E) the vacancy, the vacancy shall be filled by promoting the employee with the greatest Bargaining Unit seniority in the classification immediately below the classification of the vacancy (as shown in Appendix E) subject to the exceptions noted in Section 5.b. of this Article.
- c. When a vacancy is filled by examination within a seniority unit, the bidding employee with the greatest Bargaining Unit seniority in the classification(s) immediately below (as shown in Appendix E) the vacancy who is within five points of the seniority unit employee with the highest score shall be promoted unless a person outside the seniority unit receives a grade placing him/her 10 points or more higher than the seniority unit employee with the highest score in which instance the person from outside the seniority unit may be appointed. An example of a five-point range would be 85-90, inclusive. An example of a 10 point range would be 80-90, inclusive. This Section is subject to the exceptions as set forth for non-civil service employees in Subsections (1), (2), (3) and (4) of Section 5.b. of this Article. For the purpose of this Section, persons outside the seniority unit whose names appear on the civil service list are not required to submit a bid in order to be considered for the vacancy.
- d. If an employee is promoted in accordance with this Section and was temporarily assigned, at the time the position was posted or thereafter, to work in that position, the employee will be promoted retroactive to the ending date of the posting.

Section 7. When the Employer determines that a furlough is necessary within seniority units as listed in Appendix F, employees will be furloughed in the inverse order of Bargaining Unit seniority. Employees affected by furlough who have the requisite seniority and skill and ability shall bump laterally or down in the following manner:

- a. If an employee is affected by furlough, he/she shall bump laterally into any classification previously held within the same geographical and organizational limitation as the seniority unit listed in Appendix F, provided that he/she has more Bargaining Unit seniority than the employee with the least Bargaining Unit seniority of all lateral classifications previously held and has the requisite skill and ability.

- b. If the affected employee is unable to bump under Subsection a. above, he/she shall bump back into the next lower classification in the classification series at the time of furlough within the bargaining unit and within the same geographical and organizational limitation of the seniority unit listed in Appendix F, using the seniority procedure specified in a. above. If such a bump is not available, the employee shall bump into a lower classification in the classification series of the position previously held using the same procedure.
- c. If the affected employee is unable to bump into any position as provided in Subsections a. and b. above, he/she shall bump down into a lower classification in any classification series previously held within the same geographical and organizational limitation of the seniority unit listed in Appendix F, using the seniority procedure specified in a. above provided that he/she has the requisite skill and ability to perform the work in that classification.
- d. If the affected employee is unable to bump into any position as provided in Subsections a., b. or c. above, he/she shall be furloughed except for employees of County Assistance Offices, (CAO), Mental Health/Mental Retardation (MH/MR) facilities, General Hospitals, Youth Development Centers (YDC) and Youth Forestry Camps (YFC), and the Office of Vocational Rehabilitation who have five or more years of Bargaining Unit seniority. An employee in any of the above referenced organizational units who has five or more years of Bargaining Unit seniority and who is scheduled to be furloughed from an individual CAO, MH/MR facility, General Hospital, YDC and YFC, or a District Office of the Office of Vocational Rehabilitation in which he/she is employed, may bump, in a manner consistent with the provisions of Subsections a., b. or c. above within the appropriate expanded seniority unit as listed in Appendix G. If such affected employees are unable to bump into any position in the appropriate expanded seniority unit, such employees shall be furloughed. An employee who refuses to bump within the appropriate expanded seniority unit listed in Appendix G shall forfeit all recall rights within the applicable expanded seniority unit listed in Appendix G but shall retain recall rights within the seniority units listed in Appendix F.
- e. If the Employer becomes aware that a furlough bump is to occur that would not conform to the terms of this Section, it shall proceed in accordance with the terms of the sideletter dated July 30, 1996 and titled "Reconfiguring Bumps" appended to this Agreement.
- f. Where the need for furlough can be reasonably anticipated, the Employer will notify the Union one month in advance of any impending furlough. The parties are encouraged to consider mutually acceptable cost-savings alternatives within the impacted seniority unit to reduce and/or avoid employee furloughs.

- g. Employees shall be permitted to adjust their seniority downward prior to any furlough action which affects their classification. However, exercise of this option shall be subject to the following limitations:
- (1) there shall be no increase in cost to the Employer;
  - (2) the employee must sign an indemnification agreement holding the Employer and the Union harmless from any claims resulting by operation of this Section;
  - (3) the employee shall be subject to recall in accordance with his or her own seniority and the applicable provisions on recall contained herein;
  - (4) the employee shall not have rights to placement;
  - (5) the employee shall not have rights to bump.

The Union shall provide the Employer with written notice of the names of those employees who have elected to exercise this option and the fully executed indemnification agreement within 10 calendar days of the date of the Employer's notice to the Union of furlough.

Section 8. Before any furlough is implemented in a classification in the classified service in a seniority unit, all emergency employees in the seniority unit will be separated before any temporary employees in the seniority unit; temporary employees in the seniority unit will be separated before any provisional employees in the seniority unit; provisional employees in the seniority unit will be separated before any probationary or regular status members of the classified service in the seniority unit are furloughed.

Before any furlough is implemented in a non-civil service classification, all temporary employees in that classification in the seniority unit will be separated before any permanent employees in the seniority unit are furloughed.

Section 9. The Employer shall establish a recall list by classification series using the same geographical and organizational limitation as the seniority unit from which the furlough occurred (see Appendix F for seniority unit designations) for those employees furloughed under Section 7 of this Article in the inverse order of Bargaining Unit seniority:

- a. Employees on such recall lists shall have rights to a position in a classification within the geographical and organizational unit as listed in Appendix F from which they were furloughed or to any lower level classification in the same classification series in the same geographical and organizational limitation as the seniority unit listed in Appendix F in which the furlough occurred provided they have the requisite skill and ability.
- b. The Employer shall also establish a recall list for employees furloughed under Sections 7.a., 7.b., 7.c. and 7.d. of this Article from positions in County Assistance

Offices, MH/MR Facilities, General Hospitals, YDC's and YFC's, Correctional Institutions, Office of Vocational Rehabilitation and the Bureau of Employer and Career Services, by classification series using the geographical and organizational units listed in Appendix G.

Employees on such recall lists shall have rights to a position in a classification within the geographical and organizational unit as listed in Appendix G from which they were furloughed or to any lower level classification in the same classification series in the same geographical and organizational unit as listed in Appendix G in which the furlough occurred provided there are no claims to such positions arising from Subsection a. above, and provided they have the requisite seniority and skill and ability.

Employees furloughed as a result of the closing of an institution operated by the Department of Human Services will be allowed a one-time right to be placed on the recall list of another institution.

- c. If an employee refuses to bump in accordance with Section 7.a., such employee shall forfeit all recall rights in b. above and shall be limited to recall rights to the classification from which furloughed in a. above.
- d. In the event an employee refuses an offer of employment to any classification for which he/she has recall rights under b. above, such employee shall forfeit all recall rights under b. above.
- e. If an employee on a recall list in accordance with a. above refuses an offer of employment in a lower classification for which he/she has seniority rights, he/she shall forfeit recall rights to such a classification; if the employee refuses an offer of employment in the classification from which he/she was initially furloughed he/she shall forfeit all recall rights under this Section.
- f. An employee who accepts an offer of employment to a lower classification for which he/she has seniority rights under a. and b. above shall not be removed from any recall list for any higher level classification for which he/she has seniority rights.
- g. Employees shall be placed on recall lists in a. and b. above in Bargaining Unit seniority order (most senior first), and employees shall be recalled in Bargaining Unit seniority order regardless of the date of furlough or the date an employee was placed on the list.
- h. If an employee on a recall list in accordance with a. and b. above refuses an offer of recall to either a temporary or part-time position for which he/she has seniority rights, that employee shall forfeit recall rights to all temporary or part-time positions. The employee shall retain recall rights to permanent, full-time employment for which he/she is eligible.

- i. An employee's name shall remain on all recall lists for a period of three years after the effective date of the furlough. If an employee has not been recalled within such three year period, the employee's name shall be removed from all recall lists.
- j. During the period that an employee is on any recall list, he/she shall keep the Employer informed of any address changes. The Employer shall not be held liable if an employee is not offered recall due to failure to notify the Employer of a change of address.
- k. A furloughed employee who, during a recall period, returns to the Employer's payroll in a temporary capacity shall be eligible for all benefits enjoyed by permanent employees, provided other applicable eligibility requirements are met.
- l. The Employer will provide the Union with a copy of all recall lists.
- m. Furloughed employees shall forfeit all recall rights under this Section under the following circumstances:
  - 1. For a defined benefit retirement plan employee or a hybrid retirement plan employee, recall rights are forfeited when the furloughed employee applies for and receives retirement benefits from the State Employees' Retirement System or the Public School Employee's Retirement System, as of the date of the approval of such benefits.
  - 2. For a defined contribution retirement plan employee, recall rights are forfeited when the furloughed employee receives a full distribution from his or her defined contribution plan, as of the date of such distribution. A furloughed employee who receives less than a full distribution from his or her defined contribution plan shall not forfeit his or her recall rights under this Section.
- n. The recall period of a furloughed employee who, during the recall period, returns to the furloughing Agency's payroll in a temporary capacity shall be extended by the amount of time the employee serves in the temporary capacity.

Section 10. If an employee is unable to execute a bump as provided by Article 29, Section 7, and is placed on a furlough list, the Employer will attempt to place the employee in a budgeted, available, uncommitted vacancy in classifications covered by this Agreement to which there are no seniority claims in the following manner:

- a. Placement will be made to positions in classifications covered by this Agreement to which the employee has bumping rights in any agency under the jurisdiction of the Governor provided the employee possesses the requisite skill and ability. In addition, placement will be made to entrance level vacancies in any classification covered by this Agreement in the same or lower pay scale group in any agency

under the Governor's jurisdiction, provided the employee meets the minimum requirements and qualifications essential to the work of the vacancy. For purposes of this Section only, the following classifications shall be considered as entrance level provided there are no permanent, full-time employees who have a seniority right to the position in question and provided further that the promotional rights of temporary employees shall be superseded by the placement rights of permanent employees.

Vocational Rehabilitation Counselor I  
Claims Investigation Agent  
Residential Services Worker  
Human Service Aide  
Caseworker  
Corrections Counselor I  
Income Maintenance Caseworker  
Youth Development Counselor I  
Therapeutic Activities Services Worker  
Energy Assistance Worker  
Social Worker I  
Therapeutic Recreational Services Worker  
Vocational Adjustment Services Worker  
Vocational Rehabilitation Counseling Assistant

- b. Employees placed in entrance level vacancies which are not in the classification or classification series which an employee previously held will serve a six month probationary period during which the provisions of Article 31, Section 1 shall not apply. Employees who are terminated for failure to successfully complete the probationary period shall retain recall rights under Section 9 of this Article.
- c. Geographic limitations for the application of this Section will be designated by the employee completing a placement questionnaire. The employee may choose up to ten counties in which the employee would be available for employment or a statewide availability. Such county or statewide designation may be changed once during the placement period. Such changing will not be considered effective until received, in writing, by the Bureau of State Employment, Office of Administration, and will not alter the status of any placement referrals which have been initiated. In addition, the employee may designate a pay scale group below which the employee will not accept an offer of placement. However, once such a pay scale group cut-off is designated it cannot be changed.
- d. Each employee will complete an "Availability for Temporary Employment Questionnaire." If an employee indicates a desire not to be offered placement to temporary positions no such offers will be made and placement rights to permanent positions will not be affected. However, if an employee indicates a desire to be offered placement to temporary positions, is offered a temporary position and refuses such an offer, the employee shall forfeit all placement rights.

- e. Employees who are offered placement to a UC Claims Intermittent Intake Interviewer position and refuse such offers shall forfeit placement rights to other UC Claims Intermittent Intake Interviewer positions and temporary positions only. However, acceptance of placement to a UC Claims Intermittent Intake Interviewer position or a temporary position shall not impact placement rights to permanent positions.

Employees who have recall rights to Employment Interviewer Assistant positions and are placed into UC Claims Intermittent Intake Interviewer positions shall retain recall rights to Employment Interviewer Assistant positions.

- f. Placement will be made in order of Bargaining Unit seniority.
- g. Civil service employees will have placement rights to both civil service and non-civil service vacancies consistent with the requirements outlined in Subsection a. of this Section.

Non-civil service employees will have placement rights only to non-civil service vacancies, except that if an appropriate vacancy in a non-civil service position is not available and the employee previously was a member of the classified service in a classification to which the employee would have rights under this Section, placement in that civil service classification will be attempted consistent with the requirements outlined in Subsection a. of this Section and in accordance with the Civil Service Act and Rules.

- h. Employees will be offered placement in one vacant position. If an employee declines the offer of placement, the employee's rights under this Section shall cease. The furloughed employee shall retain recall rights as outlined in Article 29, Section 9.
- i. If an employee accepts an offer of placement under this Section, any other placement rights to which an employee may be entitled shall cease.

If an employee accepts an offer of placement to a temporary position, the employee shall retain placement rights to a permanent, full-time position under this Section.

- j. Employees placed in vacancies in the same classification from which furloughed or in vacancies in other classifications at the same pay scale group of the classification from which furloughed and in the same seniority unit from which furloughed shall lose recall rights outlined in Article 29, Section 9. However, employees placed in vacancies in the same classification from which furloughed or in vacancies in other classifications at the same pay scale group of the classification from which furloughed but in a seniority unit other than the seniority unit from which furloughed, will retain recall rights only to the seniority unit from which they were furloughed. Employees who have recall rights to Employment Interviewer

Assistant positions and are placed into UC Claims Intermittent Intake Interviewer positions shall retain recall rights to the Employment Interviewer Assistant positions. Those employees placed in a classification in a lower pay scale group will retain their recall rights under Article 29, Section 9.

- k. The provisions of this Section will be implemented at the time the employee's completed placement questionnaire is received by the central human resource office of the appropriate agency and will continue for 12 months after the employee has been furloughed. When the 12 month period has expired, an employee's rights under this Section cease. However, the employee will retain recall rights under Article 29, Section 9, except as provided in Subsection j. The provisions of this Section will not be implemented on behalf of employees who do not return completed placement questionnaires.
- l. Employees who refuse bump opportunities in accordance with Section 7.a., 7.b., 7.c. or 7.d. of this Article shall not be eligible for placement under the provisions of this Section.
- m. Furloughed employees shall forfeit all placement rights under this Section under the following circumstances:
  - 1. For a defined benefit retirement plan employee or a hybrid retirement plan employee, recall rights are forfeited when the furloughed employee applies for and receives retirement benefits from the State Employees' Retirement System or the Public School Employee's Retirement System, as of the date of the approval of such benefits.
  - 2. For a defined contribution retirement plan employee, recall rights are forfeited when the furloughed employee receives a full distribution from his or her defined contribution plan, as of the date of such distribution. A furloughed employee who receives less than a full distribution from his or her defined contribution plan shall not forfeit his or her recall rights under this Section.

Section 11. Employees desiring to transfer to other positions shall submit a written request to their immediate supervisor stating the reasons for the requested transfer. Preference shall be given to those transfers where the employee can demonstrate inordinate family hardships. If the Employer in its sole discretion agrees to such transfer, the employee shall be entitled to maintain whatever seniority rights that are appropriate.

Voluntary permanent transfers within multi-office seniority units shall be handled in the following manner:

- a. Employees shall advise the Employer in writing of their desire to be considered for voluntary permanent transfers within multi-office seniority units.

- b. Transfers will be accepted from among volunteers in the appropriate classification with the greatest Bargaining Unit seniority unless that employee does not have the necessary skill and ability to perform the job at the new location without further training, or if the remaining employees at the old location will not have the clear capacity and the requisite skill and ability to continue to provide the required public service without delay or disruptions. In addition, employees in the progressive disciplinary chain for work performance will not be considered for transfers in accordance with this Section.

Section 12. Permanent transfers from one geographical work location to another shall be made in the following manner:

- a. The Employer shall first attempt to secure volunteers from the appropriate classification consistent with Section 11 above. The volunteer in the appropriate classification with the greatest Bargaining Unit seniority shall be accepted unless the employee involved does not have the necessary skill and ability to perform the job at the new location without further training or if the remaining employees at the old location will not have the clear capacity and the requisite skill and ability to continue to provide the required public service without delay or disruption.
- b. In the event that sufficient volunteers are not secured or volunteers are passed over, involuntary permanent transfers shall be made in inverse order of Bargaining Unit seniority provided the employee involved has the skill and ability to perform the work at the new location without further training and further provided that the remaining employees at the old location have the clear capacity and requisite skill and ability to continue to provide the required public service without delay or disruption.
- c. Except in emergencies, the Employer shall give the local Union five days' notice of such transfers.
- d. The application of this Section may be modified by local agreement in those cases where an employee can demonstrate inordinate family hardships.

Section 13. In making shift assignments to shift openings, preference shall be granted on a seniority basis unless the Employer feels it is necessary to assign otherwise in order to protect the efficiency of operation. Seniority status in this regard shall be Bargaining Unit seniority.

Section 14. The probationary period for promotions shall be 180 calendar days in length. The Employer and the local Union may, by written agreement, extend the probationary period for an additional period. Written notification of such extension shall be sent to the employee. The provisions of Article 31, Section 1 shall not be applicable if an employee is demoted within the initial 180 calendar day probationary period or any extension period for failure to successfully complete the probationary period. In such case, employees shall have the right to return to their former classification during this period. Periods of leave without pay or periods of time during which an employee is using paid leave to supplement workers' compensation shall not count

toward the initial 180 calendar day probationary period or any extension period.

If an employee works out of class and is subsequently promoted to the same classification in the same seniority unit, the employee shall have the time worked out of class in the preceding six months credited toward the probationary period.

Section 15. a. For the purpose of layoff and furlough only, 500 Union officials shall be granted superseniority. Superseniority shall apply solely during the term of office of the employee as a Union official. The Union shall provide the Office of Administration, Bureau of Employee Relations, on a quarterly basis, a list of all employees who have been granted superseniority in accordance with the provisions of this Section. The list shall contain the employee's name, Union title, agency in which employed, work location, and local Union designation. Changes to this list will be submitted by the Union. Changes which have not been received by the Office of Administration, Bureau of Employee Relations, prior to the date the Union is informed of the furlough will not effect the list in existence prior to the announcement of the furlough and the number of supersenior positions allocated to the affected seniority unit shall not be changed. However, the Union shall have ten (10) days from the date it is notified of the furlough to notify the Employer of corrections that need to be made within the affected seniority unit due to turnover in the positions previously allocated. In addition, the Union shall be able to make corrections to the list of employees eligible for superseniority that are necessitated by statewide or local Union elections and the Employer is to be notified of such changes within ten (10) days after the election date.

b. The application of superseniority shall alter bumping rights provided for in Section 7 of this Article only to the extent that the employee holding superseniority shall be the last employee furloughed in the seniority unit and classification series which the employee holds at the time of furlough.

c. In the event that all employees in a classification are furloughed, including employees with superseniority, employees with superseniority status would be able to apply such superseniority status in classifications in the seniority unit to which employees have bumping rights.

d. Employees who have been granted superseniority and are furloughed shall be placed at the top of applicable recall lists in the seniority unit from which they are furloughed regardless of seniority standing as long as such employees remain on the superseniority list provided to the Employer in accordance with a. above.

Section 16. Seniority unit means that group of employees in a classification(s) within an affected institutional, bureau, agency or department operational structure in a given geographic work area as listed in Appendix E, Appendix F, and Appendix G. The parties agree to meet and discuss concerning the classification series/seniority units listed in Appendix E, Appendix F, and Appendix G.

Section 17. Grievances relating to the interpretation, application and implementation of Sections 5, 6, 7, 8, 9, 10, 16 and 20 of this Article shall be filed at the third step. Arbitration of

grievances relating to these Sections shall be conducted by a panel of three Members, one to be appointed by the Office of Administration, one to be appointed by the Union and the third to be selected by the Employer, from a list of five names to be mutually agreed upon by the Employer and the Union. Such third member shall not be affiliated, directly or indirectly, with any labor organization or be an employee of the Commonwealth of Pennsylvania. The decision of the panel, herein before described, shall be final and binding on the parties of this Agreement. The panel shall meet monthly for the purpose of adjusting grievances under this Section.

Section 18. When in the exercise of seniority rights provided in this Article, two or more employees are deemed relatively equal in skill and ability, preferential rights shall be determined by the measure of seniority applicable to that preferential right. If applicable seniority proves to be the same, then agency service shall be used. If the agency service is the same, total state service shall be used to determine preferential rights. Total state service will be the leave service credit which appears on the employee's pay statement.

In the event that after the application of the above specified procedures, two or more employees have the same seniority, preferential rights shall be determined by lot.

The above procedure shall also be used to break ties among employees who have been granted superseniority.

Section 19. The provisions of this Article relating to promotions and filling of vacancies shall not be applicable to entrance level classifications.

Section 20. In the event of a furlough of first-level supervisory employees within classifications covered by the certification of the Pennsylvania Labor Relations Board, dated January 5, 1973, Case No. PERA-R-2353, as amended, such employees shall first bump laterally or downward into the classification occupied immediately prior to leaving the bargaining unit, or if such a bump is not available, then into any lower classification in the same classification series, provided the classification is within the same geographical and organizational limitation as the seniority unit in which the furlough is occurring and provided that the employee has more Bargaining Unit seniority than the employee with the least amount of Bargaining Unit seniority in that classification and has the requisite skill and ability, and provided that the employee has not had a break in service as defined in Section 2 since leaving the bargaining unit. If a position cannot be obtained in this manner, the same procedure will be repeated for any position previously held within the bargaining unit or if such a bump is not available then into any lower classification in the same classification series, provided the classification is within the same geographical and organizational limitation as the seniority unit in which the furlough is occurring. Bargaining Unit seniority previously earned shall accrue to the employee upon return to the bargaining unit. Seniority earned by the employee while outside the bargaining unit shall not accrue to the employee upon movement back to the bargaining unit.

First-level supervisory employees who have bumping rights as provided above shall bump into the bargaining unit only after all bumps within the bargaining unit have been completed within the seniority unit but prior to the expanded bumps if any.

Section 21. a. Seniority rights of UC Claims Intermittent Intake Interviewers will be governed exclusively by the provisions of this Section.

b. Whenever the Employer determines that it is necessary to place UC Claims Intermittent Intake Interviewers in no pay status, UC Claims Intermittent Intake Interviewers in the applicable seniority unit are to be placed in no pay status in inverse order of seniority standing. Seniority for this purpose shall be determined by the number of straight time compensable hours credited to a UC Claims Intermittent Intake Interviewer, excluding overtime hours. All time spent in all other bargaining unit positions shall be converted to hours when an employee is assigned to a UC Claims Intermittent Intake Interviewer position. Such conversion shall not include overtime hours. UC Claims Intermittent Intake Interviewers will be provided with as much advanced notice as is reasonably possible when being placed into no pay status.

c. UC Claims Intermittent Intake Interviewers shall accrue seniority based on accrued straight-time compensable hours, less overtime, for the purpose of promotions, lay-off and recall. Only seniority hours accumulated in bargaining unit classes used within the Department of Labor and Industry's UC Service Center Offices shall be used for movement to permanent UC Claims Interviewer vacancies.

When in the exercise of seniority rights provided herein, two or more UC Claims Intermittent Intake Interviewers are determined relatively equal in skill and ability and have the same number of seniority hours, preferential rights shall be determined by lot.

d. The Employer shall establish a recall list by seniority unit and a UC Claims Intermittent Intake Interviewer in no pay status shall be recalled in the inverse order of no pay status. When a UC Claims Intermittent Intake Interviewer is placed in no pay status he/she shall be placed on an office and county recall list. The office recall list shall be primary.

If a UC Claims Intermittent Intake Interviewer is in no pay status for 18 months, he/she shall be terminated.

e. Where the Employer determines it is necessary to recall UC Claims Intermittent Intake Interviewers from no pay status, the Employer shall provide as much notice as is reasonably possible to a UC Claims Intermittent Intake Interviewer who is being recalled from no pay status. A senior UC Claims Intermittent Intake Interviewer will not be bypassed for recall until the Employer has been unsuccessful in its attempts to contact the employee by telephone once during the first two hours of the morning shift and once during the first two hours of the afternoon shift. The employee may provide the Employer with one alternate telephone number for use by the Employer in recall. If the Employer is unable to contact a UC Claims Intermittent Intake Interviewer during the times provided above, the Employer shall attempt to proceed to contact the next UC Claims Intermittent Intake Interviewer on the recall list until a sufficient number of UC Claims Intermittent Intake Interviewers have been secured. If the Employer is unable to contact a UC Claims Intermittent Intake Interviewer during the hours noted above on two consecutive occasions, the Employer shall send a certified letter return receipt requested advising the UC Claims Intermittent Intake Interviewer of the offer of recall, the date, time and place to which the UC Claims Intermittent Intake Interviewer is to report and that failure to appear as directed will

result in termination.

UC Claims Intermittent Intake Interviewers who are contacted and refuse an offer of recall shall be terminated. However, a UC Claims Intermittent Intake Interviewer who refuses an offer of recall because the UC Claims Intermittent Intake Interviewer was hospitalized at the time the recall offer was made, or a UC Claims Intermittent Intake Interviewer who can provide proof of illness or disability in the form of a doctor's certificate stating the employee is unable to perform the job at the time the recall offer was made, shall remain on the recall list. To the extent possible, the UC Claims Intermittent Intake Interviewer must provide advance notice of hospitalization to the Employer. In addition, if a UC Claims Intermittent Intake Interviewer offers the Employer a reason, other than hospitalization or illness, as to why the UC Claims Intermittent Intake Interviewer must decline the offer of recall and if the Employer accepts the offered reason, the UC Claims Intermittent Intake Interviewer shall remain on the recall list. Grievances concerning the termination of a UC Claims Intermittent Intake Interviewer who is contacted and refuses an offer of recall as provided for above shall cease at the third step and shall not be subject to arbitration.

The Employer may attempt to contact UC Claims Intermittent Intake Interviewers outside of the first two hours of the morning or afternoon shift if operations require. However, if the Employer is unable to contact the UC Claims Intermittent Intake Interviewer in such situations, no adverse action will be taken against the UC Claims Intermittent Intake Interviewer.

A UC Claims Intermittent Intake Interviewer who is available to return from a parental leave without pay or a family care leave without pay shall follow the provisions outlined in Article 18, Section 3, Reemployment.

f. The UC Claims Intermittent Intake Interviewer classification will be designated as the entry-level classification in the following series:

06590 UC Claims Intermittent Intake Interviewer  
06600 UC Claims Interviewer  
06610 UC Claims Examiner

g. UC Claims Intermittent Intake Interviewers in no pay status who indicate to their local office manager their interest in being notified of vacant UC Claims Interviewer positions in their promotional seniority unit and who provide the local office manager with a current mailing address prior to their placement into no pay status will be mailed copies of postings for those positions. It is understood that the Employer will not be liable for any failure to provide mailings. Disputes arising out of this Section shall be subject to discussions at Labor/Management meetings and shall not be subject to the grievance procedure.

h. A UC Claims Intermittent Intake Interviewer who is in compensable status for a minimum of 5,750 straight-time hours, less overtime, during 78 consecutive pay periods shall be placed into a permanent full time UC Claims Intake Interviewer position, effective with the beginning of the pay period following the pay period in which the noted 5,750 hours are reached.

i. A UC Claims Intermittent Intake Interviewer terminated pursuant to d. above shall have priority reinstatement rights as outlined in the Side Letter signed by the Union and the Department of Labor and Industry on March 28, 1989.

Section 22. Temporary Energy Assistance Worker positions in the Emergency Fuel Program in the Department of Human Services shall be filled from a special reemployment list, in Bargaining Unit seniority order, according to the following priority sequence:

- a. Preferred reemployment lists (for permanent status employees on Leave Without Pay in the classification of Income Maintenance Caseworker).
- b. Regular furlough recall list (for bureau or cluster).
- c. Contractual placement list for current furloughees (any agency).

Management furloughees (excluding optional category) and Supervisory unit employees on recall by Bargaining Unit seniority.

- d. Management furloughees (excluding optional category).
- e. Special reemployment list (group concerned).
- f. Regular State Civil Service Commission eligible lists.

Bargaining Unit seniority shall be earned for all times employed in a classification covered by this Agreement including time worked in the Emergency Fuel Program. A break in service of one year or more will result in the loss of all seniority. Seniority ties will be broken by lot.

Energy Assistance Workers who are elected Union officials and are granted superseniority shall be the first Energy Assistance Workers to return to active status at the beginning of the LIHEAP year, and shall remain in active status for the longest term of employment in the particular program year. The Union shall provide both the Office of Administration, Bureau of Employee Relations and the Department of Human Services, Division of Labor Relations a list of Energy Assistance Workers who are to receive superseniority during each September, October, January and April. In the event that a decision to extend the program year would cause the supersenior Energy Assistance Workers to work nine months or more, the Employer and the Union mutually agree that such continuous employment will not result in the Energy Assistance Workers being considered permanent employees for benefits purposes. In the event a program year extension causes supersenior Energy Assistance Workers' period of employment to be extended so that the employees work 12 consecutive months or more, Management Directive 530.11 shall govern such employee's eligibility for benefits.

Individuals employed in the Emergency Fuel Program will remain "temporary" for benefits regardless of the total months of Bargaining Unit seniority earned in previous calendar years and without regard to the fact that benefits had been granted in previous periods of employment with the following exceptions:

a. Energy Assistance Workers who are hired with the expectation of an employment term of nine (9) consecutive months will be eligible for specific medical plan benefits and supplemental benefits as provided for in Article 25 during the period of employment and shall also be entitled to holiday pay if they meet the eligibility criteria provided in Article 10, Section 2.

b. Energy Assistance Workers who are hired with the expectation of an employment term of fewer than nine (9) consecutive months will be reimbursed for actual verified out-of-pocket premium costs which he/she pays for hospital, medical/surgical and major medical insurance as provided for in Article 25, Section 8.b. and increments as provided for in Article 20 (Salaries and Wages) Section 7.

Contractual and Personnel Rule requirements will apply with regard to defining an employee as temporary or permanent for leave purposes in any calendar year. Employees who have worked 750 regular hours by the end of the last full pay period in each calendar year will be entitled to leave as appropriate.

Individuals employed under these special reemployment list provisions will be appointed in the classification title of Energy Assistance Workers and will be so certified by the State Civil Service Commission by reassigning certification upon reemployment. Energy Assistance Workers shall remain on reemployment lists while in no pay status for up to 36 months. If an Energy Assistance Worker who is on the reemployment list refuses an offer to return to a temporary or part-time position or accepts a permanent position, he/she shall forfeit return rights to all temporary or part-time positions. Employees (other than recalled furloughs) will be placed in no pay status upon the expiration of the employment term for which they were hired (usually nine (9) months or four (4) months although extension of these terms may be necessary and can be granted at the sole discretion of the Employer). It is understood that such placement into no pay status is not a furlough and shall not subject the employee to the furlough provisions of this Agreement.

Employees who are released earlier than their original projected program termination date, where possible, will be notified two weeks in advance of their return to no pay status. For the purpose of this Agreement, preference for longer term fuel positions shall be granted by seniority at the time of reemployment and extensions.

Seniority preference for extensions of Emergency Fuel employment will be provided to the most senior Energy Assistance Worker willing to accept the extension for whom the extension would not result in more than nine (9) months of employment during the current calendar year. It is understood that management has the sole discretion to determine the number of staff to be extended at each location, and the period of time the extension is necessary. It is understood that the Employer is not obligated to provide more than nine (9) months of Emergency Fuel employment to any employee under this Agreement. It is further understood that the Employer will not knowingly cause a less senior employee to exceed the relative seniority standing of a more senior employee unless the more senior employee has waived a position extension. For the purpose of extensions, seniority will be the Bargaining Unit seniority held by the employee on his date of appointment to the current fuel program.

Fuel Program employees who were terminated for unsatisfactory performance or other disciplinary reasons shall not be eligible for placement on the special recall list.

Employees in no pay status who indicate to management their interest in being notified of Income Maintenance Caseworker vacancies in their seniority unit and who provide the Employer with a current mailing address prior to their placement into no pay status will be mailed copies of posting for those positions. It is understood that the Employer will not be liable for any failure to provide mailings. Disputes arising out of this Section shall be subject to discussions at Labor/Management meetings and shall not be subject to the grievance procedure.

Section 23. The Employer and Union agree to continue, on a pilot basis, the procedure for allowing qualified Income Maintenance Caseworkers (IMCWs) to utilize their seniority to gain assignment to the Employment and Training Units and Disability Advocacy Programs. Additionally, IMCWs can utilize their seniority to gain assignment to other work functions that have been determined at the local level to be preferred assignments.

The parties further agree that this pilot program shall operate in the following County Assistance Offices:

1. Montgomery County Assistance Office;
2. Blair County Assistance Office;
3. McKean County Assistance Office;
4. Beaver County Assistance Office;
5. additional County Assistance Offices to be determined by the Employer after meeting and discussing with the Union.

The procedures governing this pilot shall be fully outlined in a sideletter to be executed by the parties.

This pilot can be expanded to include other CAOs provided the parties mutually agreed to such expansion.

Section 24. Representatives of the Union and the Department of Human Services will meet and discuss to explore the possible establishment of statewide seniority units for the state hospitals and mental retardation centers. Any such understanding that is developed will be reflected in a side letter between the parties. Thereafter, the Union may request of the Commonwealth to meet and discuss regarding the expansion of the concept elsewhere.

## ARTICLE 30 PERSONNEL FILES

Section 1. There shall be an official personnel record for each employee in this bargaining unit. Each employee shall be given an opportunity to periodically examine the contents of his/her personnel file. If there is any disagreement as to the contents of the personnel file, an employee shall have the right to submit a statement concerning any material in his/her file and any such

statement shall then become part of his/her personnel file. The official personnel file shall be maintained in accordance with Management Directive 505.18 as amended by the Employer.

In addition, if the official personnel file is maintained at a site other than the employee's worksite, the Employer shall take reasonable steps to provide the employee, once per year, with an opportunity to review the official personnel file within a reasonable time after the request is received. Such reviews shall be limited to one time per calendar year, unless otherwise agreed to.

Section 2. After a period of two years, a written reprimand or reference to an oral reprimand shall be removed from the employee's official personnel file if no intervening incidents of the same or a similar nature have occurred. The official personnel file shall not contain adverse records unrelated to employment or of unfounded charges or complaints which could adversely affect the employee's employment or career.

Section 3. If an employee is disciplined and subsequently, through utilization of the grievance procedure, is completely exonerated and the disciplinary action is rescinded, all material pertaining to the disciplinary action shall be removed from the employee's official personnel file as well as any other personnel file maintained by supervisory or managerial employees.

## ARTICLE 31 DISCHARGE, DEMOTION, SUSPENSION & DISCIPLINE

Section 1. The Employer shall not demote, suspend, discharge or take any disciplinary action against an employee, without just cause. The parties agree that included within the concept of just cause is the principle that disciplinary action should be corrective and progressive in nature and that the employees should be apprised of conduct requirements for violation of which they may be disciplined or discharged. Such appraisal may be by various means, including individual oral or written notice or warning or more general means such as bulletin board notice or general mailing. An employee may be expected to be aware, without such notice, that certain conduct, such as insubordination, coming to work intoxicated, theft of property of the Commonwealth or other employees, and fighting will subject the employee to immediate discipline or discharge. The parties recognize that for some serious offenses, progressive, corrective discipline is inappropriate and that immediate suspension or discharge from employment may be warranted by occurrence of the facts.

An employee may appeal a demotion, suspension, or discharge beginning at the third step of the grievance procedure within 15 working days of the date of its occurrence or when the employee knew or by reasonable diligence should have known of its occurrence. The Union shall be promptly notified by the Employer of any demotion, suspension or discharge.

Section 2. Any action instituted under Section 1 of this Article shall be implemented within a reasonable period of time after the event giving rise to such disciplinary action or knowledge thereof.

Section 3. The provisions of this Article shall not apply during the initial 180 calendar days of probationary employment or in the case of UC Claims Intermittent Intake Interviewers, Energy Assistance Workers, permanent part-time or wage employees during the first 975 hours of employment. The probationary period can be extended by agreement between the Employer and the local Union representative at the work site for an additional period during which time the provisions of this Article shall not apply. Periods of leave without pay and periods of time during which an employee is using paid leave to supplement workers' compensation shall not count toward the initial 180 calendar days or any extension period. In no event will the probationary period be less than 180 calendar days.

Section 4. The provisions of this Article shall not apply to demotions resulting from an employee appeal, an Employer initiated classification review or unsuccessful completion of a probationary period upon promotion.

Section 5. The Employer will attempt to discipline employees in such a manner so as not to embarrass the employee before the public or other employees, including the manner in which suspended or discharged employees are escorted off of the Employer's premises. It must be kept in mind, however, that where insubordination or flouting of authority by an employee in public and in the presence of other employees takes place, the Employer shall not be restricted by the operation of this Section.

Section 6. Upon request, an employee shall be entitled to Union representation:

- a. throughout the grievance procedure;
- b. during any meeting in which allegations are to be made which the employee reasonably believes could lead to discipline; or
- c. during any meeting held for the purpose of imposing discipline.

Section 7. Employee signatures on disciplinary documents shall constitute mere notification and shall not be construed as an admission against interest.

Section 8. No transcripts or tape recordings may be made of a disciplinary meeting.

Section 9. In the event any action is taken by the Employer under the provisions of this Article which involves alleged patient abuse and a grievance is filed by any employee, the arbitrator shall not consider the failure of the patient to appear as prejudicial.

Section 10. If an employee is disciplined for unsatisfactory work performance, the employee shall retain the right to raise, as a mitigating factor, the issue of being overloaded with work. The insertion of this language is not intended to act as a waiver of the Employer's right to contest the validity of such a defense or to argue as to the weight, if any, the arbitrator should accord the defense.

Section 11. The Commonwealth agrees to meet and discuss at the request of the Union over the SEAP Program. It is understood that the Union has not waived its right to negotiate over Conditions of Continued Employment for individual employees.

Section 12. An employee who is the subject of an Inspector General investigation will be notified when the investigation is concluded. The employee who is not being subject to disciplinary action will be notified at the conclusion of the investigation that the allegations were either “unfounded” or “unsubstantiated”. An employee shall be deemed a subject of an investigation when the employee has been accorded a “subject interview”.

Section 13. The Employer and the Union agree to expand the alternative forms of discipline in lieu of suspension actions program in accordance with the side letter dated April 6, 2017, found in Appendix L of this Agreement.

## ARTICLE 32 GRIEVANCES AND ARBITRATION

### STANDARD GRIEVANCE PROCEDURE

Section 1. Where an employee has the right to process a grievance through either the procedure provided herein or through the Pennsylvania Civil Service Commission and files an appeal with the Commission, either the contract grievance procedure shall cease, if the employee has submitted a contract grievance, or the employee shall not be entitled to institute proceedings under the contract grievance procedure. If the appeal to the Commission is withdrawn by the employee or not accepted by the Commission within fifteen (15) working days of the date of the occurrence of the action giving rise to the grievance, the processing of a contract grievance filed within the time limits set forth in Section 2 shall be permitted.

Section 2. Any grievance or dispute which may arise concerning the application, meaning or interpretation of this Agreement shall be settled in accordance with the following steps. Where grievances may be submitted in writing, they may also be submitted via email, however current practices regarding the provision of hard copy documentation provided as support for grievance submissions by the Union shall continue. Both parties will include a copy of the grievance with their grievance correspondence.

**STEP 1.** The employee, either alone or accompanied by the Union representative, or the Union where entitled, shall present the grievance orally or in writing to the immediate supervisor, or in the case of the Department of Human Services, to the District Manager of a district office of a County Assistance Office or to a designated management representative in a single office County Assistance Office, an institution, or a Youth Development Center, within fifteen (15) working days of the date of its occurrence, or when the employee knew or by reasonable diligence should have known of its occurrence. The supervisor or designated management representative shall attempt to resolve the matter and report the decision to the employee orally or in writing within fifteen (15) working days of its presentation.

**STEP 2.** In the event the grievance is not settled at Step 1, the appeal must be presented in writing by the employee or Union representative to the head of his/her division, bureau, institution, or equivalent organizational unit or in the case of the Department of Human Services, to the Executive Director of a County Assistance Office, Institution Superintendent, or Director of a Youth Development Center, within fifteen (15) working days after the Step 1 response is due or received. The official receiving the written appeal, or the designated representative, shall respond in writing to the employee and the Union representative within fifteen (15) working days after receipt of the appeal.

**STEP 3.** An appeal from an unfavorable decision at Step 2 shall be presented by the employee or Union representative to the agency head or designated representative within fifteen (15) working days after the response from Step 2 is due or received. The agency head or designated representative shall respond in writing to the employee and Union representative within fifteen (15) working days after receipt of the appeal.

**STEP 4.** In the event the grievance has not been satisfactorily resolved in Step 3, written appeal may be made by the employee or Union representative within fifteen (15) working days after the response from Step 3 is due or received to the Bureau of Employee Relations, Office of Administration and shall contain a copy of the Step 2 and Step 3 decisions. The Bureau of Employee Relations, Office of Administration shall issue a decision in writing to the employee and/or the Union within fifteen (15) working days after receipt of the appeal.

**STEP 5.** An appeal from an unfavorable decision at Step 4 may be initiated by the Union serving upon the Employer a notice in writing of the intent to proceed to arbitration within twenty (20) working days after the response from Step 4 is due or received. Said notice shall identify the provisions of the Agreement, the department, the employee involved, and a copy of the grievance. The Union may present grievances concerning agency-wide decisions directly to Step 3 within fifteen (15) working days of the date of occurrence or when the Union knew or by reasonable diligence, should have known of its occurrence. In addition, if Health & Safety concerns have been discussed with the Local Health & Safety Committee and cannot be resolved, then grievances concerning the issues discussed can be submitted directly to the third step.

Upon request of the Union, the Employer agrees to meet and discuss whether supervisors shall be the individuals designated to investigate and respond at Step 1 of the contractual grievance procedure. Such discussion shall be at the agency level. Moreover, at the local level the parties may agree to file a grievance immediately at the second step.

The arbitrator is to be selected by the parties. Representatives of the Employer and the Union shall meet weekly, or at any other interval mutually agreed upon, for the purpose of selecting an arbitrator for those cases which the Union has given notice of intent to arbitrate.

If the parties fail to agree on an arbitrator, either party may request the American Arbitration Association to submit a list of seven possible arbitrators. The parties shall meet

within five working days of the receipt of said list for the purpose of selecting the arbitrator by alternately striking one name from the list until one name remains. The Employer shall strike the first name.

Each case shall be considered on its merits and the collective bargaining agreement shall constitute the basis upon which the decision shall be rendered. The decision at Steps 1, 2, and 3 shall not be used as a precedent for any subsequent case.

The arbitrator shall neither add to, subtract from, nor modify the provisions of this Agreement. The arbitrator shall be confined to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted. This provision shall also be applicable when grievances are processed in accordance with Sections 3, 4 and 5 of this Article.

The decision of the arbitrator shall be final and binding on both parties, except where the decision would require an enactment of legislation, in which case it shall be binding only if such legislation is enacted. The arbitrator shall be requested to issue a decision within thirty (30) days after the hearing.

All the time limits contained in this Section may be extended by mutual agreement. The granting of any extension at any step shall not be deemed to establish precedence.

All fees and expenses of the arbitrator shall be divided equally between the parties except where one of the parties to this Agreement requests a postponement of a previously scheduled arbitration meeting which results in a postponement charge. The postponing party shall pay such charge unless such postponement results in a settlement of the grievance in which event the postponement charge shall be divided equally between the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Each party shall bear the costs of preparing and presenting its own case. Either party desiring a record of the proceedings shall pay for the record and make a copy available without charge to the arbitrator.

Section 3. The parties will meet and agree upon a list of 4 arbitrators. The first two of these arbitrators will be asked to set aside one fixed day (same day each month) in the months of January, March, May, July, September and November. The other two arbitrators will be asked to set aside one fixed day (same day each month) in the months of February, April, June, August, October and December. These dates will be used for the purpose of hearing grievances concerning employee discharge or a suspension of thirty (30) days or more, for which the Union has requested arbitration in accordance with the contract grievance/arbitration provisions contained in Section 2, or for other cases for which the Union has requested arbitration and where the parties mutually agree to use this expedited procedure.

Should any vacancies occur on the list of 4 arbitrators, the parties will meet within ten (10) days of the vacancy to select a replacement arbitrator. If the parties cannot mutually agree on a successor, the parties will request the American Arbitration Association to submit a list of fifteen (15) arbitrators who may be from Pennsylvania or any of the following states: New York, New Jersey, Maryland, Ohio and Delaware. Within seven (7) days of receipt of this list, the

parties shall meet for the purpose of selecting a successor by alternately striking from the list until the name of one arbitrator remains, which arbitrator shall fill the vacancy. The Union shall strike first.

A representative of the Union and the Commonwealth will meet no later than four (4) weeks before the date of the hearing to determine which case will be heard on the particular date. They shall make a reasonable attempt to schedule all cases under this procedure within ninety (90) days from the Union appeal to arbitration. In addition, to the extent possible, the advocate for each party hereto shall meet at least two weeks in advance of the arbitration hearing to discuss the case.

If the parties are able to reach settlement on any case in this expedited procedure prior to the hearing, they shall make a reasonable effort to schedule another case for that date. In no event, however, will a case be scheduled for hearing under this procedure less than two weeks prior to the date of the hearing.

No briefs will normally be filed by the parties in these cases. In those unusual cases where either party feels that a brief must be filed, the brief will be mailed to the arbitrator not later than ten (10) days from the date of hearing.

The arbitrator in each of these expedited discharge or thirty (30) day suspension cases will be requested to submit a decision to the parties within ten (10) days of the hearing, or the filing of the brief.

Either party to this Agreement may, in selected cases, exempt a particular discharge or thirty (30) day suspension case from these expedited procedures. However, the parties will make a good faith attempt to schedule the case within ninety (90) days.

Either party to this Agreement may delete an arbitrator from the list of four (4) arbitrators being used in this procedure. Where such a deletion occurs, the procedure described above in this Section will be used to fill the vacancy.

The parties may, by mutual agreement, use this procedure for any other grievance.

Section 4. The arbitrator for those grievances concerning disciplinary suspensions of thirty (30) days or less and oral or written reprimands, shall be selected in accordance with the following procedure:

- a. Upon the Employer's receipt of a request for arbitration, the Employer and the Union shall agree on a date and location of the hearing.
- b. When agreement has been reached on the date and location of the hearing, the Employer shall immediately notify the Director of the Pennsylvania Bureau of Mediation (hereinafter Director). The Director shall appoint an arbitrator from the list of arbitrators agreed to by the Employer and the Union who is able to serve on the date and at the location specified by the parties. The Director shall notify the

Employer and the Union of the selection.

- c. The Employer and the Union shall submit a list of arbitrators to the Director for use in this procedure. Either the Employer or the Union, at its discretion, may remove any arbitrator from the list provided to the Director. By mutual agreement, the parties may add arbitrators to the list provided to the Director.
- d. Either party may exempt a particular grievance from this procedure. Both parties, by mutual agreement, may add other grievances to this procedure including any that may be backlogged.

Section 5. The Union is the exclusive representative of all the employees in the unit throughout the grievance procedure provided that any individual employee or group of employees shall have the right at any time to present grievances to their Employer and to have them adjusted without the intervention of the bargaining representative as long as the adjustment is not inconsistent with the terms of the collective bargaining contract then in effect; and, provided further, that the bargaining representative has been given an opportunity to be present at such adjustment.

A reasonable number of witnesses, when required, shall be allowed to participate in the grievance procedure.

An aggrieved employee and Union representative, if employees of the Employer, shall be granted reasonable time during work hours, if required, to process grievances in accordance with this Article without loss of pay or leave time.

If a question arises as to the status of an employee in terms of his or her authority to handle, adjust or otherwise represent the Union in the grievance procedure, the Union shall certify the exact role and status of the employee in this regard, as well as the scope of the employee's authority.

Section 6. The Union and the Employer agree to establish a panel of five (5) arbitrators for safety and health grievances. The arbitrator shall be selected in accordance with the provisions of Article 32, Section 2. However, the provisions of this Section are not intended to bring within the scope of arbitration those issues which are governed by meet and discuss provisions of Act 195.

Section 7. The Union and the Employer agree to establish a joint committee to discuss expediting the grievance procedure.

Section 8. Effective fifteen business days following the completion of joint statewide training on the Accelerated Grievance Procedure (AGP), all new grievances filed within agencies under the Governor's jurisdiction shall be processed through the AGP contained in Sections 9 and 10 of this Article.

## ACCELERATED GRIEVANCE PROCEDURE

Section 9. Where an employee has the right to process a grievance through either the procedure provided herein or through the Pennsylvania Civil Service Commission and files an appeal with the Commission, either the contract grievance procedure shall cease, if the employee has submitted a contract grievance, or the employee shall not be entitled to institute proceedings under the contract grievance procedure. If the appeal to the Commission is withdrawn by the employee or not accepted by the Commission within fifteen (15) working days of the date of the occurrence of the action giving rise to the grievance, the processing of a contract grievance filed within the time limits set forth in Section 10 shall be permitted.

Section 10. Any grievance or dispute which may arise concerning the application, meaning or interpretation of this Agreement shall be processed in the following manner:

**STEP 1.** The employee, either alone or accompanied by a Union representative, or the Union representative alone, shall present the grievance in writing to the Employer's worksite designee within fifteen (15) working days of the date of the occurrence giving rise to the dispute, or when the employee knew or by reasonable diligence should have known of the occurrence. Any grievance submitted after the fifteen (15) working day deadline has passed shall be considered untimely and void.

The Employer's worksite designee and Union counterpart must schedule and meet on a monthly Step 1 basis, if necessary, in an attempt to resolve all outstanding grievances. At the Step 1 meeting, the parties will advise each other of all of the then known facts, including witnesses, and furnish copies of relevant reports or investigations upon which the party will rely in proving and/or supporting its respective position.

When special circumstances preclude the disclosure of confidential patient, resident, client, or student information at the Step 1 meeting, the case will be handled in accordance with the agreed upon procedures to be developed by the parties.

For a grievance to be discussed at Step 1, the Employer's worksite designee must receive a written confirmation of the grievance at least fifteen (15) working days prior to the prescheduled Step 1 meeting. This period may, however, be modified by mutual agreement.

Any agreed upon settlement of a grievance reached at Step 1 shall be reduced to writing and signed by the Employer's worksite designee and Union counterpart. Written Step 1 settlements signed by both parties are final and binding but shall not operate as precedent.

After the Step 1 meeting has been held and the then known information the parties intend to rely on to support their respective positions has been discussed and exchanged, the Employer designee must, if the grievance is not settled, provide the Union with a written disposition of the matter within fifteen (15) working days from the date of the Step 1 meeting.

**STEP 2.** If the grievance has not been satisfactorily resolved at Step 1, or if a response has not been received by the Union within fifteen (15) working days of the Step 1 meeting, the employee or Union representative shall present the grievance in writing to the agency Employee Relations Coordinator or designee within fifteen (15) working days after the Commonwealth's Step 1 response is received or due. Failure of the Union to submit grievances to Step 2 within the fifteen working day timeframe shall be cause for the Commonwealth to consider the grievance "settled and withdrawn." The Union's Step 2 submission shall contain a copy of the original grievance and the Step 1 response, if received.

The Employee Relations Coordinator or designee and the Union counterpart agree to schedule an Agency Settlement Conference on a quarterly basis, if necessary, in an attempt to resolve all outstanding grievances. The Agency Settlement Conference is not required to be in person; video conferences and teleconferences will be acceptable when mutually agreed by the parties. Grievants and other individuals able to provide information relevant to the grievance may participate in Agency Settlement Conferences only upon mutual agreement of the parties.

The Union may present grievances concerning agency-wide decisions directly to Step 2 within fifteen (15) working days of the date of occurrence or when the Union knew, or by reasonable diligence should have known, of the occurrence. If Health and Safety concerns have been discussed with the local Health and Safety Committee and cannot be resolved, grievances concerning such issues may be submitted directly to Step 2.

Any later discovered or developed evidence not previously disclosed to the other party at the Step 1 meeting must be submitted to the other side as soon as practical after discovery and/or development, but in no event less than 48 hours (excluding holidays and Saturdays/Sundays) before the Step 2 meeting.

Any agreed upon settlement of a grievance reached at Step 2 shall be reduced to writing and signed by the Employee Relations Coordinator or designee and the Union counterpart. Written Step 2 settlements signed by both parties are final and binding but shall not operate as precedent.

After the Step 2 Agency Settlement Conference has been held and the then known information the parties intend to rely on to support their respective positions has been discussed and exchanged, the Employee Relations Coordinator or designee must, if the grievance is not settled or withdrawn, provide the Union with a written disposition of the matter within fifteen (15) working days from the date of the Union's response following the Step 2 Agency Settlement Conference.

**STEP 3.** If the grievance has not been satisfactorily resolved at Step 2, or if a response has not been received by the Union within fifteen (15) working days of the Step 2 Agency Settlement Conference, the employee or Union representative shall present the grievance in writing to the Bureau of Employee Relations, Office of Administration, within fifteen (15) working days after the Commonwealth's Step 2 response is received or due. Failure of the Union to submit grievances to Step 3 within the fifteen working day timeframe shall be cause for the Commonwealth to consider the grievance "settled and withdrawn." The Union's Step 3 submission shall contain a copy of the original grievance and the Step 1 and Step 2 responses, if received.

Unless mutually agreed otherwise, the parties shall schedule quarterly Joint State Committee meetings in an attempt to resolve all outstanding grievances. No less than twenty (20) working days prior to a scheduled Committee meeting, the Union shall provide the Bureau of Employee Relations, Office of Administration, with a list of all grievances to be docketed for a hearing before the Committee.

The Committee shall be composed of two representatives from the Union and two representatives from the Employer. An impartial arbitrator selected from a panel of permanent arbitrators agreed upon by the parties shall serve as the fifth member of the Committee. The arbitrators will only be eligible to serve as a panel member for Joint State Committee cases that would be eligible to advance to arbitration under the current language in the Agreement. The Panel arbitrators will serve on a rotating basis. The Committee shall neither add to, subtract from, nor modify the provisions of the Agreement. The Committee shall be confined to the precise issue submitted and shall have no authority to determine any other issue not so submitted.

The Committee shall have the right to examine testimony from both parties, evaluate all relevant facts, and render a final and binding decision. Each grievance shall be considered on its merits and the Collective Bargaining Agreement shall constitute the basis upon which the decision shall be rendered. Any later discovered or developed evidence not previously disclosed to the other party at Step 1 or Step 2 must be submitted to the other side as soon as practical after discovery and/or development, but in no event less than 48 hours (excluding holidays and Saturdays/Sundays) before the Step 3 Committee meeting.

The parties will present their respective cases for each grievance to the Committee. Following case presentations by both parties, the Union and Employer Committee members shall meet privately in an executive session to discuss the grievance and vote on an outcome. All outcomes decided by majority vote during executive session shall be reduced to writing and signed by all Union and Employer Committee members. Such settlements shall be final and binding on both parties but shall not operate as precedent.

If the parties are unable to reach a decision by majority vote in the executive session, the matter will be turned over to the Committee arbitrator for a decision which shall be final and binding on both parties, except where the decision would require an

enactment of legislation, in which case it shall be binding only if such legislation is enacted. All cases shall require the arbitrator to issue a decision and brief written explanation at the conclusion of the executive session. All decisions by the arbitrator shall operate as precedent.

Grievances appealing terminations may bypass the Step 3 Joint State Committee and be scheduled for an arbitration review by either a Business Agent or the Office of Administration, Bureau of Employee Relations after discussion at Step 2. Further, any grievance that the parties mutually agree to move directly to arbitration review after discussion at Step 2, shall bypass the Step 3 Joint State Committee and may be scheduled for an arbitration review. The Bureau of Employee Relations, Office of Administration, and SEIU Local 668 will meet on a monthly basis to review cases to be scheduled for arbitration. The Union shall furnish a list of grievances to be discussed to the Bureau of Employee Relations, Office of Administration, no less than seven (7) calendar days prior to the scheduled review meeting. Any case that cannot be mutually resolved at this meeting will be scheduled for arbitration in accordance with the January 21, 2000, side letter outlining the selection of arbitrators.

The arbitrator selected to hear a termination case shall neither add to, subtract from, nor modify the provisions of this Agreement. The arbitrator shall be confined to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted. The decision of the arbitrator shall be final and binding on both parties and shall operate as precedent.

All fees and expenses of the arbitrator shall be divided equally between the parties except where one of the parties requests a postponement of a previously scheduled Step 3 Joint State Committee meeting or a termination arbitration hearing which results in a postponement charge. The postponing party shall pay such charge unless the postponement results in a settlement of the grievance, in which case the postponement charge shall be divided equally between the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Each party shall bear the costs of preparing and presenting its own case. Either party desiring a record of the proceedings shall pay for the record and make a copy available without charge to the arbitrator.

All Union grievance submissions and Employer written responses identified in this Section may be communicated via e-mail.

All time limits contained in this Section may be extended by mutual agreement of the parties. The granting of any extension at any step shall not be deemed to establish precedence.

Further details regarding the Accelerated Grievance Procedure are located in Appendix K, Rules of the Accelerated Grievance Procedure.

Section 11. No more than ninety (90) calendar days prior to the termination date of this Agreement, either party may serve notice to the other party of their intent to renegotiate the

terms of the Accelerated Grievance Procedure. Should the parties fail to negotiate mutually acceptable terms, the parties shall revert to the Standard Grievance Procedure outlined in this Article effective with the implementation date of the subsequent Agreement. The timeframe to negotiate new terms may be extended upon mutual agreement of the parties.

## ARTICLE 33 NON-DISCRIMINATION

Section 1. Section 8. The limitations set forth in Sections 2, 3, 4 and 5 will not be construed so as to prevent managerial or supervisory employees from performing bargaining unit work consistent with operational or organizational requirements. Other non-bargaining unit state employees may perform bargaining unit work for the purpose of instruction, illustration, lending an occasional

hand or in emergency situations to carry out the functions and programs of the Employer or maintain the Employer's standard of service.

This Appendix must be read in conjunction with Appendix F and Appendix G. When filling vacancies, the class listed immediately below the class in question is the one to which Article 29, Section 5.b. and Section 6.b. and c. provisions apply. In order to be considered for the higher class, employees must meet the Minimum Education and Training Requirements of that class.

When more than one classification is noted as a multiple next lower level for filling of vacancies, the classifications should be treated as if they were one classification for the purpose of bidding and calculating seniority.

Certain classes have special provisions for the filling of vacancies and/or furlough purposes. These classes have been footnoted. The explanation of the special provisions appears as noted above.

- d. Prohibitions for controlled substances.**

#### **No employee shall:**

- 2) Perform work if the employee tests positive for controlled substances.
- 3) Refuse to submit to a controlled substance test.

#### **e. Prohibitions for alcohol**

#### **No employee shall:**

**f. No supervisor/manager shall:**

- 1) Permit an employee who refuses to submit to controlled substance and/or alcohol tests to perform or continue to perform job functions.
- 2) Permit an employee to perform or continue to perform work if the Employer has actual knowledge that an employee has tested positive for alcohol and/or controlled substances.

**h. Consequences to employees who test positive for controlled substances or .04% or greater for alcohol or employees who test positive under the provisions of g. (4) above.**

- 1) Employees shall not be permitted to perform work and shall be evaluated by a State Employees Assistance Program substance abuse professional who shall determine what assistance the employee needs in resolving problems associated with the use of controlled substances and/or alcohol.
- 2) If the employee is determined to require treatment, the substance abuse professional will evaluate the employee's participation in the program and determine whether or not the employee has followed the prescribed rehabilitation program.

This training will be provided by a contractor and will cover the physical, behavioral, speech and performance indicators of use of controlled substances and of probable alcohol misuse.

\* These cutoff levels are established consistent with the Mandatory Guidelines for Federal Drug Testing Programs and are subject to change by the Department of Health and Human Services (DHHS). When advances in technology or other considerations warrant identification of these substances in other concentrations and the Department of Health and Human Services (DHHS) changes the Mandatory Guidelines for Federal Drug Testing Programs, the Drug Testing thresholds enumerated above will be changed as of the same effective date.

\*\* These cutoff levels are established with acceptable certified laboratory testing standards and are subject to change when advances in technology or other considerations warrant identification of these substances in other concentrations and the certified laboratory standards are changed.

**j.** The selected contractor must use a Department of Health and Human Services certified laboratory.

Upon determining that reasonable suspicion due to observable behavior exists, the agency supervisor/manager should have another supervisor/manager who has been trained in accordance with the regulations, witness the observations.
  - 2) The required observations for controlled substances and alcohol reasonable suspicion testing must be made by a supervisor or manager who is trained in accordance with the following requirements:

Prior to any testing, the employee will be provided with additional information. The employee will be required to sign receipt of any information and forms that are provided.

## APPENDIX J

### AWS TEMPLATE

#### INSTRUCTIONS FOR USE

*This template is based on a standard schedule consisting of a 37.5 hour Monday through Friday work week, and delineates a 9 out of 10 day AWS. With appropriate modification, it can be applied to AWSs in operations with other standard schedules (e.g., a 40 hour work week), and other AWS configurations (e.g., schedules providing for every other weekend off, 4 day work weeks, 10 consecutive work days, weekend and evening work, and the use of seniority for bidding on work days and hours).*

---

#### UNDERSTANDING BETWEEN

ORGANIZATIONAL ENTITY—OFFICE, FACILITY, ETC.

AND

SEIU LOCAL 668

FOR ALTERNATE WORK SCHEDULE: 9 OUT OF 10 DAYS<sup>1</sup>

#### INTRODUCTION

This understanding is entered into between (organizational entity—e.g., office, facility, etc.), of the (agency name) and SEIU Local 668, for the exclusive purpose of applying the provisions of Article 6, Section 8 of the Agreement between the Commonwealth and the Union in establishing an alternate work schedule (AWS).

The goals of this understanding are to improve the quality of work life of employees and improve the Employer's operational efficiency and/or delivery of service. The parties believe that the Union has demonstrated a reasonable expectation that this AWS will accomplish these goals, as described in the appendix to this understanding titled "Justification." It is agreed and understood that the AWS will not cause or require the Commonwealth to expend additional funds, add additional staff or budget for additional costs in order to comply with the conditions of this understanding. Further, there shall be no impairment of operational efficiency, jeopardizing of accreditation, or deleterious impact on standards of service (provision of care, etc.) posed by implementation of this understanding, nor shall this understanding provide for an unreasonable number of schedules. No additional benefits are to accrue to employees as a result of this alternate work schedule.

It is recognized that this understanding arises within the context of "meet and discuss," and all discussions conducted shall be in accordance with the meet and discuss provisions of the Agreement.

In accordance with Article 6, Section 8.a. of the Agreement, aspects of this understanding may be at variance with specific provisions of the Agreement. It is understood that Article 6, Sections 1, 3, and 7 are waived in order to establish this alternate work schedule. In addition, the parties recognize that all relevant contract language may not have been specifically waived in this understanding and agree that such provisions are waived to the extent that they conflict with the intent of the alternate work schedule.

This understanding is established without prejudice to the contractual rights of either party and shall set no precedent for any future action. The Agreement between the Commonwealth and SEIU Local 668 remains in force and effect except as modified by this AWS understanding.

## **TRIAL PERIOD AND EVALUATION**

The schedule will be implemented on a six-month<sup>2</sup> trial basis from \_\_\_\_\_ to \_\_\_\_\_. The parties recognize that an evaluation will be conducted by management at the conclusion of the trial period to ascertain the impact on cost, complement, efficiency, service to clients, and other appropriate program criteria, and to ensure that the goals stated in the Introduction and Justification Appendix have been met. Such evaluation will be submitted for review by the agency and Office of Administration before continuation of the AWS beyond the trial period can be authorized. Such continuation must be approved in writing and the terms of continuation will be appended to this understanding and will supersede this "Trial Period and Evaluation" section.<sup>3</sup>

If the AWS is continued beyond the trial period, management will thereafter conduct a review at the conclusion of each 12 month period to ensure that the goals stated in the Introduction and Justification Appendix continue to be met. However, the requirement for such annual review does not preclude management's performance of additional reviews at any other point. The results of any and all reviews shall be reported to the agency and the Office of Administration.

## **ELIGIBILITY**

Employees eligible for participation in the alternate work schedule are \_\_\_\_.<sup>4</sup> Employees may not participate in alternate scheduling during their contractual initial hire and promotional probationary periods with the Commonwealth. Management may authorize exceptions to this requirement for valid reasons.

It is understood that the AWS is not a substitute for adherence to time and attendance policies. Participation is dependent on maintaining positive leave balances. Management shall have the right to disqualify an employee from initial or continued participation in any alternate work schedule when documented abuse (defined as imposition of discipline and/or leave restriction) of time and attendance policy has occurred or the employee's productivity has deteriorated because of having to work extended work hours/days on a continuing basis. Disqualification is not considered discipline and the provisions of Article 6, Section 5 and Article 21, Section 1 shall not apply when the employee reverts to the standard schedule. Meet and discuss shall be the appropriate forum for resolution of disputes arising from such disqualifications; however, the grievance procedure will remain available for appeals of any attendant disciplinary action.

## **SCHEDULES<sup>5</sup>**

The "standard" schedule will continue to be \_\_\_\_.<sup>6</sup> Employees who do not participate in an alternate work schedule will continue with the standard schedule or their current staggered version of the standard schedule,<sup>7</sup> subject to the provisions of Article 6, Section 5.

### **Staggered Work Hours Schedules<sup>8</sup>**

It is understood that a staggered work hours schedule is not an alternate work schedule and that the decision to establish/continue a staggered work hours schedule is exclusively management's and not subject to the terms of Article 6, Section 8 or this understanding. A "staggered work hours schedule" for the purpose of this understanding is a schedule in which employees work 7.5 consecutive hours per day (exclusive of a meal period) for five (5) consecutive days in a work week, and that has differing start and/or end times for these 7.5 hour shifts.

Employees may be assigned to or select from the following schedules that consist of 7.5 work hours each day (37.5 hours per week) with an unpaid meal period as indicated.<sup>9</sup> Assignment to shifts will be made by seniority in accordance with Article 29, Section 13. Management will determine the number of employees that can be accommodated on each shift and may adjust shifts in accordance with the provisions of Article 6, Section 5.

**One-Half Hour Meal Period  
Monday through Friday**

7:30 a.m. to 3:30 p.m.  
8:00 a.m. to 4:00 p.m.  
8:30 a.m. to 4:30 p.m.  
9:00 a.m. to 5:00 p.m.

**One Hour Meal Period  
Monday through Friday**

7:30 a.m. to 4:00 p.m.  
8:00 a.m. to 4:30 p.m.  
8:30 a.m. to 5:00 p.m.  
9:00 a.m. to 5:30 p.m.

**Alternate Work Schedules<sup>10</sup>**

Eligible employees may select a schedule that allows them to work nine out of ten workdays in a two week (14 day) pay period. This will consist of one 40 hour work week (five days of eight hours each, exclusive of a half hour meal period) and one 35 hour work week (four days of eight hours and forty-five minutes each, exclusive of a half hour meal period). Options are as follow:

	<b>Week 1</b>	<b>Week 2</b>
<b>Option</b>	<b>Five Day Week (8 hours)</b>	<b>Four Day Week (8 hours 45 min.)</b>
1)	7:15 a.m. to 3:45 p.m.	7:15 a.m. to 4:30 p.m.
2)	7:30 a.m. to 4:00 p.m.	7:30 a.m. to 4:45 p.m.
3)	7:45 a.m. to 4:15 p.m.	7:45 a.m. to 5:00 p.m.
	<b>Four Day Week (8 hours 45 min.)</b>	<b>Five Day Week (8 hours)</b>
4)	7:15 a.m. to 4:30 p.m.	7:15 a.m. to 3:45 p.m.
5)	7:30 a.m. to 4:45 p.m.	7:30 a.m. to 4:00 p.m.
6)	7:45 a.m. to 5:00 p.m.	7:45 a.m. to 4:15 p.m.

The non-scheduled work day during the four day week may be any day of the week. Management will determine the number of employees scheduled to work each day, and the number of employees off on a given non-scheduled workday is subject to management's approval.

**SCHEDULE SELECTION**

Schedules will be developed and selected no later than 30 days prior to the beginning of each AWS scheduling period, which shall be \_\_\_\_<sup>11</sup> months in length.

At<sup>12</sup> the same time as employees select their AWS shift, they shall also request approval for a reversion schedule from among those schedules listed in the above provisions regarding staggered work hour schedules. Selection preference will be governed per the parameters described in those provisions. The reversion schedule is the schedule which shall be in effect for the employee for any period during which the AWS is not in effect.

Employees will be given their preference of AWS shift and non-scheduled workday in order of bargaining unit seniority within the applicable work unit as defined by local parties. In the event of a tie, order of choice will be determined by lot. The schedule selected will remain fixed for the \_\_\_\_ month AWS scheduling period except that an employee may, with supervisory approval, revert to his/her pre-selected standard schedule. The provisions of Article 6, Sections 5 and 7, and Article 21, Section 1 are waived in cases of reversion. After such reversion, re-entry into the AWS during the remainder of the scheduling period cannot be guaranteed and is subject to management's discretion.

Employees entering the work unit after the selection has occurred, if they meet the eligibility requirements and choose to work an alternate work schedule, will be afforded such a schedule subject to management's determination of an ability to place them on one, and if so, subject to management's determination of where the need exists. If such entry into a work unit is due to the involuntary transfer of an employee who was an AWS participant in his prior work unit, and his AWS schedule cannot be continued in the new unit, management and the local union will meet and discuss to explore alternatives. Article 6, Section 5 and Article 21, Section 1 are waived in effecting such placement for these employees.

After<sup>13</sup> the initial scheduling period, for which schedules will be selected by seniority as noted above, the choice of schedule shall be rotated for each successive six month scheduling period. That is, in the second six month scheduling period, the most senior employee shall choose last and the second most senior employee shall choose first, and so on. In the third scheduling period, the second most senior employee shall choose last, the third most senior shall choose first, and so on. Article 29, Section 13 is waived.

### **SCHEDULE ADJUSTMENTS**

In furtherance of the goals of this AWS, management has the option to adjust hours/schedules for individual/groups of employees when necessary for training, operational needs, and/or emergency purposes. Such adjustment may include reversion to the standard or a staggered<sup>14</sup> work schedule if maintaining the AWS is not feasible. When possible, management will inform employees of such schedule change at least 2 weeks in advance. Article 6, Sections 5 and 7, and Article 21, Section 1 are waived in the event of a schedule change made pursuant to this paragraph.

Employees scheduled for disciplinary suspension; for attendance at meetings, hearings, and training sessions; or for other special circumstances that cannot be accommodated within the AWS; or who are on approved paid leave or leave without pay that cannot be accommodated within the AWS or is disruptive to operations shall revert to the standard or their pre-selected staggered shift schedule during the pay periods the suspension, special assignment or circumstance, or leave is in effect. When reversion occurs, employees shall charge annual, personal, or compensatory leave for any difference between the number of hours required to be worked under their AWS and the number of hours actually worked on their standard schedule. The provisions of Article 11, Section 2 and Article 13, Section 3 shall not be applicable to leave used for this purpose. In effecting such reversion, there shall be no requirement to apply the provisions of Article 6, Sections 5 and 7 and Article 21, Section 1.<sup>15</sup>

### **STAFFING**

Management shall determine the number of employees who can be accommodated into the AWS program during any scheduling period. It is understood that staffing is a management function and that the work unit must be adequately staffed on a regular basis. Adequate managerial and supervisory oversight as determined by management must be maintained. Neither managerial nor supervisory staff shall be mandated to select an AWS or required to work in a lower classification or any other unit in order that an AWS selection can be accommodated. Article 6, Sections 5 and 7, and Article 21, Section 1 are waived in the event termination of the AWS is required due to the lack of adequate managerial/supervisory oversight. Disputes arising from the application of this paragraph shall be handled through the meet and discuss process and not the grievance procedure.

Employees who choose to participate in the AWS program acknowledge that their work assignments may be varied to accommodate the change in hours of work. Management, however, shall not be obligated to change work assignments or location in order to accommodate employee requests for or changes to this AWS.

## **COMPENSATION AND OVERTIME**

Employees selecting an alternate work schedule shall continue to receive a paycheck for 75 regular hours in each biweekly pay period, even though employees will work both more and fewer than 37.5 regular hours in each week of a pay period. An employee not in compensable status for 75 hours in a pay period shall be entitled to compensation only for the hours in compensable status.

Time and one-half will be paid for work in excess of one-half hour beyond the scheduled work shift or in excess of 40 hours in a work week. Work performed on the non-scheduled workday will not be considered as work performed on a scheduled day off for purposes of determining entitlement to double time.

For equalization purposes, overtime will be considered as work in excess of the scheduled work shift. Any obstacle to management's ability to equalize that is the result of the alternate work schedule is not grievable, but will be resolved through meet and discuss.

Conflicting provisions of Article 21, Sections 1, 3, and 5 are waived.

## **REST PERIODS**

Employees shall be permitted an uninterrupted 15 minute paid rest period during each 1/2 work shift, provided a minimum of three (3) hours is worked in that one half shift. Scheduling of rest periods will be in accordance with Article 7 of the Agreement. Any conflicting provisions of Article 7 are modified as above or waived as appropriate.

## **MEAL PERIODS**

All employees shall be granted an unpaid meal period as set forth in the particular AWS work schedules they are on, which shall fall within the third and sixth hours, inclusive, of the workday unless otherwise approved by the employer or unless emergencies or operational need requires a variance. The meal periods will begin at a time established by management. All requests to modify the time of a meal period require management approval. Conflicting provisions of Article 8 are modified as above or waived as appropriate.

## **HOLIDAYS<sup>16</sup>**

### **OPTION 1**

Payment<sup>17</sup> for an un-worked holiday shall consist of 7.5 hours at the straight time rate. When a holiday occurs during the pay period in which a holiday falls, employees shall revert to their pre-selected standard schedule for their entire pay period. The provisions of Article 6, Sections 5 and 7 and Article 21, Section 1 are waived in the event of reversion.

### **OPTION 2**

#### **Compensation<sup>18</sup> for a Holiday Falling on a Scheduled Work Day that is Not Worked:**

A holiday falling on a scheduled work day, but on which the employee does not work, will be compensated at the straight time rate of pay in an amount equal to the number of hours in a shift on the employee's standard schedule.

**Compensation for a Holiday Falling on a Regular Day Off (including a Non-Scheduled Work Day) that is Not Worked:**

Paid time off up to the number of hours in the employee's standard shift, at the straight time rate, will be awarded for a holiday other than a special holiday falling on a regular day off, and will be scheduled by management if the employee's request cannot be granted. Article 6, Section 5 shall not apply.

**Compensation for Work on a Holiday:**

Employees who work an AWS shift on a holiday other than the day after Thanksgiving or a special holiday will be compensated for the number of hours worked equal to the number of hours in the employee's standard work shift at one and one-half times the employee's regular hourly rate of pay, with the remaining time worked up to one-half hour beyond the number of hours in their AWS shift paid at the straight time rate. Hours worked in excess of one-half hour beyond the number of hours in the AWS shift shall be paid at the rate of one and one-half times the employee's regular hourly rate of pay. The employee will receive paid time off for all hours worked on the holiday up to the number of hours in the employee's standard work shift.

Employees who work an AWS shift on the day after Thanksgiving or a special holiday will be compensated at their straight time rate for all hours worked up to one-half hour beyond the number of hours in their AWS shift. Hours worked in excess of one-half hour beyond the number of hours in their AWS shift shall be paid at the rate of one and one-half the employee's regular hourly rate of pay. The employee will receive paid time off for all hours worked on the holiday up to the number of hours in the employee's standard work shift.

**General:**

The difference in the work hours between the standard shift and the AWS shift must be reconciled by the application of annual, personal, or compensatory leave. The use of annual, personal, or compensatory leave in this fashion shall not be subject to selection by seniority, nor shall such hours be regarded as hours worked for the purpose of computing overtime. Conflicting provisions of Article 10, Section 2 (Paragraph 2); Articles 11 and 13; and Article 21, Section 2 are waived.

Leave without pay shall not be granted in lieu of using annual, personal, or compensatory leave. If annual, personal, or compensatory leave is exhausted, leave without pay under Article 17, Section 1 will be charged and the employee may be returned at management's discretion to the standard schedule for the remainder of the scheduling period without the requirements of meet and discuss and two weeks' notice and without liability. Such reversion will occur with the start of the next pay period. Reversion shall not be considered discipline. Repeated instances of exhaustion of paid leave and resultant use of Article 17, Section 1 leave without pay will be grounds to bar participation in the AWS in future scheduling periods.

The parties agree to attempt to equalize holiday assignments but recognize that this AWS may preclude the strict application of Article 10, Section 10. Meet and discuss, in lieu of the grievance procedure, will be the appropriate means of resolving disputes related to holiday equalization.

Conflicting provisions of Article 10, Sections 2 (paragraph 2) and 10 are waived.

## **LEAVE ADMINISTRATION**

Sick, annual and personal leave will be earned in accordance with the schedule outlined in the Agreement. All time that an employee is absent from work will be charged appropriately on an hour-for-hour basis.

Five (5) days of sick family time, as defined in the Agreement, shall consist of 37.5 hours. Three (3) and/or five (5) days of sick bereavement leave, as defined in the Agreement, shall consist of 22.5 hours and 37.5 hours respectively. Fifteen (15) days of military leave, as defined in the Agreement, shall consist of 112.50 hours. A personal leave, civil leave, and administrative leave day shall consist of a maximum of 7.5 hours. Due consideration will be given to each employee's request for annual or personal time to allow 3 and/or 5 full days of sick bereavement. It is understood that when annual or personal leave is used to supplement sick bereavement or sick family leave, conflicting provisions of Article 11, Sections 2 and 5 and Article 13, Sections 3 and 5 are waived.

Civil or administrative leave granted on an AWS shift that exceeds 7.5 hours must be supplemented by annual, personal or compensatory leave to cover the remainder of the shift.

Employees requesting any type of leave shall be required to note in the "remarks" section of the leave request their starting and quitting times for the day(s) requested off.

Management may deny requests for or cancel approved leave in order to ensure coverage under this AWS.

## **CLASSIFICATION**

Employees shall be eligible for higher classification pay provided they have worked a minimum of 7.5 hours per work day in the higher classification and have worked this minimum for at least five full work days (7.5 hours per workday) during a calendar quarter. Conflicting provisions of Article 27 are waived.

## **DISPUTE RESOLUTION**

Disputes regarding the application, meaning, or interpretation of this understanding will be resolved exclusively through the meet and discuss process at the local level. Grievance appeal rights under the Agreement between the Commonwealth and SEIU Local 668 are not otherwise waived or modified.

For purposes of determining time frames for processing grievances, employees will be considered to be Monday through Friday employees.

## **TERMINATION**

Management may cancel the AWS with a minimum of 15 days' notice to the Union if it is reasonably determined that the AWS is not meeting the goals described in the Introduction and/or the Justification Appendix, or if the criteria used to initiate the AWS have materially changed. The parties shall meet and discuss upon request regarding the reason(s) for terminating the alternate work schedule.

In the event, however, that increased costs or increased staffing needs result; operational efficiency, accreditation, certification or standards of service are adversely affected; or emergency situations arise, management reserves the right to immediately void the AWS understanding and revert to the standard schedule. Such reversion will be free of financial or other liability, and will occur without triggering relevant requirements of Articles 6 and 21. Whenever possible, management shall meet and discuss with the union to discuss the necessity of taking such action prior to terminating the alternate work schedule. If this is not possible, management shall meet and discuss with the union as soon as possible thereafter.

Termination of this AWS is not grievable, but the Union may appeal a termination through the resolution process set forth in Article 6, Section 8.

**FOR ALTERNATE WORK SCHEDULE: 9 OUT OF 10 DAYS**

---

**CONTINUATION OF AWS BEYOND TRIAL PERIOD**

With the approval of the continuation of this AWS beyond the trial period, the parties' signatures below affirm that this document will amend the original understanding by replacing its "Trial Period and Evaluation" section. It will be appended to the original understanding, all other terms of which shall remain in effect.

The continuation is effective on date. It is recognized that management will conduct a review and evaluation at the conclusion of each 12 month period to ascertain the impact on cost, complement, efficiency, service to clients, and other appropriate program criteria, and to ensure that the goals stated in the Introduction and Justification Appendix have been met. The results of such reviews/evaluations will be submitted to the agency and Office of Administration. However, the requirement for such annual review/evaluation does not preclude management's performance of additional reviews at any other point. The results of any and all reviews/evaluations shall be reported to the agency and the Office of Administration.

<sup>1</sup> A 9 out of 10 schedule can be used only for employees whose standard work schedule is 37.5 hours per week. Another configuration would be required for an AWS involving employees whose standard schedule is 40 hours per week, with appropriate adjustments made throughout this format.

<sup>2</sup> The trial period should be a minimum of six months in length, but a longer one may be established.

<sup>3</sup> See attachment to this template entitled “Continuation Beyond Trial Period.” Upon written approval of continuation, this must be completed and appended to the AWS understanding.

<sup>4</sup> Identify by bargaining or supervisory unit (insert alpha/numeric code) status, class, work location. E.g., “...within the F4 bargaining unit, all permanent, full-time Income Maintenance Caseworkers in the \_\_\_\_ County Assistance Office.”

<sup>5</sup> When developing the AWS, management and the union must set forth the shift schedule options that will be available. Examples of scheduling descriptions are contained below. The examples apply to employees whose standard schedule is Monday through Friday, 37.5 hours per week. Keep in mind that these schedules are only examples and the parties must establish the AWS schedules that will be available to employees and that satisfy the goals of the AWS, and that reflect the parameters of the standard schedule and the AWS being developed (e.g., 4 day work week for a 40 hour operation, etc.).

If a staggered work hours schedule is available, it must be clarified that it is not part of the alternate work schedule. In a staggered work hours schedule, shift starting/ending times are varied so that, for example, some employees may be scheduled to work 7:30 a.m.-3:30 p.m., others 8:00 a.m.-4:00 p.m., others 8:30 a.m.-4:30 p.m., etc. A staggered work hours schedule, when established, is governed by the provisions of Article 6, Hours of Work, exclusive of Section 8. If the staggered schedule involves waivers of shift preference (e.g., to accommodate rotation/periodic re-selection), it should be established via a separate local agreement; otherwise, shift assignment is made per Article 29, Section 13.

<sup>6</sup> Describe the standard schedule, e.g., Monday through Friday, 8:30 a.m. to 5:00 p.m. with one hour unpaid lunch; or, 12:00 p.m. to 8:30 p.m. with half hour unpaid lunch.

<sup>7</sup> Include reference to staggered if appropriate.

<sup>8</sup> Include/delete staggered hours language as appropriate.

<sup>9</sup> These are examples.

<sup>10</sup> These are examples of a 9 out of 10 day schedule. Other AWS configurations would entail differently constructed ones. Schedules that are currently configured in SAP should be used when possible.

---

<sup>11</sup> Scheduling periods are to be determined by the parties, but should be of sufficient length to avoid operational disruption and excessive administrative effort.

<sup>12</sup> Include/delete this paragraph addressing staggered shifts as appropriate.

<sup>13</sup> ROTATION OPTION – This paragraph can be added to the language above to allow less senior participants to have an opportunity for preferred schedules.

<sup>14</sup> Include/delete reference to staggered shifts as appropriate.

<sup>15</sup> Include/delete reference to staggered shifts in this paragraph as appropriate.

<sup>16</sup> When developing this the AWS, the parties must select either OPTION 1 or OPTION 2. Whichever option is selected must apply to all employees who work an alternate schedule under the understanding.

<sup>17</sup> OPTION 1 – This paragraph is used for reversion to the pre-selected standard schedule.

<sup>18</sup> OPTION 2 – This paragraph and all following text under “Holidays” are used to continue the alternate work schedule when holidays occur.

<sup>19</sup> This is to contain information about the basic business functions of the operation and how they will be positively affected by the AWS. It must describe the tangible, measurable outcomes that are expected to be achieved. These will vary across operations, but might include such things as operational cost-savings, increased revenues, greater access/expanded service for customers, improved resident care outcomes, better access to/distribution of work tools/resources to staff that enhances productivity. Details and cost analysis are needed.

<sup>20</sup> Provide enough detail about aspects of operations/service affected by AWS to ensure reviewers’ understanding.

<sup>21</sup> Describe specific, measurable, improved outcomes that will result from the AWS and why they cannot be achieved without the AWS.

<sup>22</sup> Explain the production/outcome variables to be examined, how they will be captured and measured, and periods of time within which this will occur.

<sup>23</sup> List quantified outcomes expected to be realized as a result of the AWS, contrasting these outcomes with those that would result without the AWS.

<sup>24</sup> Upon written approval of continuation, this must be signed and appended to the AWS understanding. It then becomes part of the understanding.

### **RULES OF THE ACCELERATED GRIEVANCE PROCEDURE**

#### **RULE 1 GENERAL PROCEDURES**

##### **Section 1. Filing of Grievances**

The Union shall reduce the initial grievance to writing, indicate the specific Article(s) of the Agreement alleged to have been violated, briefly describe the nature of the alleged violation(s), and describe the remedy requested. The name of the witness must be typed or printed clearly and legibly on all witness statements. All statements must be signed and dated by the witness. If an individual other than the witness types or writes the witness statement, the typist or writer must be legibly identified on the witness statement.

At arbitration hearings held for termination cases, grievants and witnesses may appear and testify in person.

The Employer grievance packets shall contain copies of all documentation to be relied upon as evidence by the Employer. The exchange of lists, dockets, and grievance packets may be done via e-mail. ## Section 2.      Composition

The Joint State Committee shall be composed of two representatives from the Union and two representatives from the Employer and must at all times consist of an equal number of representatives from both parties. The parties will alternate appointing an Acting Chairperson for each Joint State Committee meeting. For each grievance heard before the Joint State Committee, each party shall assign a presenter to present their respective side's case and evidence to the Committee. Each party shall declare, prior to the presentation of its case, whether there will be a co-presenter for the respective case. The number of co-presenters shall be limited to two (2) for each party during each case, and a co-presenter shall only supplement the presentation of the case in chief. No representative of either side who participated in the Step 1 or Step 2 meetings shall be permitted to sit on the Joint State Committee at Step 3, however, representatives of either side who participated in the Step 1 or Step 2 meetings may be permitted to be presenters or co-presenters at the Joint State Committee.

Witnesses or grievants who, upon the mutual agreement of both parties, appear and testify at the Joint State Committee during regularly scheduled working hours shall be granted administrative leave, including reasonable travel time, not to exceed the total hours in their regularly scheduled work shift. Grievants and witnesses will provide written notice to their supervisor at least one week prior to the Joint State Committee. Under no circumstances will Union witnesses or grievants be compensated for appearances or travel occurring during a day or time they are not scheduled to work.

A Union representative who is also an employee of the Commonwealth and who presents a grievance or sits on the panel at the Joint State Committee during regularly scheduled working hours shall be granted administrative leave, including reasonable travel time, not to exceed the total hours in their regularly scheduled work shift. During the hearing, only Committee members, presenters, co-presenters, and individuals directly involved in the case being heard shall be permitted to sit in the immediate area where the hearing is being conducted. No spectators or observers shall be permitted to participate in the presentation, discussion, or questioning.

### Section 3. Time and Location

No less than twenty (20) working days prior to a scheduled Joint State Committee meeting, the Union shall provide the Bureau of Employee Relations, Office of Administration, with a list of grievances to be heard along with all accompanying Union grievance packets. Union grievance packets shall include copies of the original grievance, the Step 1 and Step 2 responses if issued, and copies of all documentation to be relied upon as evidence by the Union. After receiving the Union's list of grievances and grievance packets and no less than five (5) working days prior to the scheduled Joint State Committee meeting, the Bureau of Employee Relations, Office of Administration, shall provide the Union with a docket of the cases in the order they will be discussed along with all accompanying Employer grievance packets. The Employer grievance packets shall contain copies of all documentation to be relied upon as evidence by the Employer. Once the docket has been prepared and distributed, no additional cases can be added to the docket for that meeting unless mutually agreed by the parties.

### Section 5. Newly Discovered Evidence

Any newly discovered evidence not provided in the grievance packets must be exchanged per the terms of Article 32, Section 10, STEP 3, Paragraph 4. The only permissible exceptions to the "48-hour rule" are bargaining history, precedent setting arbitration awards, precedent setting settlements, court decisions, and labor board decisions. Failure of either party to comply with the "48-hour rule" shall constitute grounds for the Committee to refuse to consider the evidence in question if an objection to its introduction is raised.

### Section 6. Settlements

In the event that a grievance that has been placed on the Joint State Committee docket has been settled by the parties prior to the case being presented to the Committee, each party shall inform their respective Committee representatives prior to the case being heard and the grievance shall be removed from the docket.

### Section 7. Procedure

For each grievance, each party will have the opportunity to present their case in chief. Following each case in chief, the opposing party will have the opportunity to offer rebuttal. Following both case presentations and rebuttals, the Committee members will have the opportunity to ask questions of the presenters and co-presenters. Following questions from the Committee, the Committee shall retire to executive session. Voting in executive session shall be done by "show

of hands.” No individuals (including the arbitrator) other than the Committee members from the respective parties shall be permitted into the executive session. If the executive session vote results in a majority conclusion, such conclusion shall be reduced to writing by the Acting Chairperson and signed by all members of the Committee.

#### Section 8. Committee Arbitrator

If the parties are unable to reach a decision by majority vote in the executive session and the matter is turned over to the Committee arbitrator per the terms of Article 32, Section 10 (Step 3, Paragraph 6), the arbitrator’s decision shall be precedent setting. The arbitrator shall sign and date all decisions rendered within the timeframes established in Article 32, Section 10 (Step 3, Paragraph 6). An arbitrator may be removed and another arbitrator appointed to the panel of permanent arbitrators by mutual agreement of the parties.

#### Section 9. Postponements

Each party shall be permitted one postponement of cases provided the postponement is requested at least three (3) weeks prior to the Joint State Committee. Postponement requests inside the three (3) week period may be granted upon mutual agreement of the Committee members from the respective parties.

#### Section 10. Recess

A recess may be requested by either party during the hearing of a case. If such request is granted by the Acting Chairperson, the recess shall not exceed one hour. The Acting Chairperson may also call for recess at any time, but such recess shall not exceed one hour in duration.

#### Section 11. Default

If either party in a case which is scheduled to be heard before the Joint State Committee fails to appear at the time the case is called, that case will be placed at the end of the docket and will be called again after all remaining cases have been heard. When the case is called for the second time, if the party again fails to appear, the Committee shall render a default decision in favor of the appearing party.

#### Section 12. Minutes

A Commonwealth Committee member shall prepare written minutes of each Joint State Committee meeting, briefly outlining the facts and the decision reached by the Committee in each case heard. Copies of all such minutes and decisions shall be provided to the Union via e-mail. The Bureau of Employee Relations, Office of Administration, will provide copies of these documents to all Commonwealth Agencies (Divisions of Employee Relations) participating in the Accelerated Grievance Procedure. Minutes for the Joint State Committee will be approved at the next meeting of the Committee and will form the official record of the Committee action.

## APPENDIX L

### COMMONWEALTH OF PENNSYLVANIA OFFICE OF ADMINISTRATION

April 6, 2017

Mr. Tom Herman, President  
SEIU Local 668  
2589 Interstate Drive  
Harrisburg, PA 17110-9602

RE: Alternative Discipline Program

Dear Mr. Herman:

In accordance with the provisions of Article 31, Section 13 and Recommendation No. 31, Section 11, SEIU Local 668 and the Commonwealth agree to expand the Alternative Discipline Program for Agencies under the Governor's jurisdiction for non-exempt employees effective April 20, 2017, as described below. It is understood that the tenets of Article 31, Section 1 and Recommendation No. 31, Section 1 regarding just cause will continue to apply. Appeal procedures will not be affected by the Alternative Discipline Program.

For employees exempt from the overtime pay provisions of the Fair Labor Standards Act and not eligible for premium overtime pay pursuant to the provisions of the parties' labor agreement and memorandum of understanding, use of the Alternative Discipline Program will encompass discipline for other infractions in addition to those related to time and attendance, work performance, and failure to pay a Corporate Card bill after reimbursement of eligible expenses has been made by the Commonwealth.

For non-exempt employees and exempt employees eligible for overtime under the collective bargaining agreement and memorandum of understanding, effective April 20, 2017, the Alternative Discipline Program shall be expanded to encompass discipline for other infractions beyond those related to time and attendance infractions and/or work performance problems, or an employee's failure to pay a Corporate Card bill after reimbursement of eligible expenses has been made by the Commonwealth.

The Alternative Discipline Program will differ from the traditional progressive discipline steps by replacing suspensions without pay with the following:

1. Level 1 Letter: Signed by the Agency Head or designee, this letter will identify the employee's alleged misconduct, alert the employee that continuation of this problem will result in more severe disciplinary action, and identify the employee's appeal rights. The Employer will continue to provide the Union with a copy of this letter in accordance with Section 1 of both Article 31 and Recommendation No. 31.

This letter will clearly state that this action is in lieu of the traditional suspension without pay but has the effect of such a suspension.

2. Level 2 Letter: This letter, signed by the Agency Head or designee, will identify the employee's alleged misconduct, alert the employee that this is his/her final notice and that failure to correct this problem will result in termination, and

613 North Street | 207 Finance Building | Harrisburg, PA 17120 | 717.772.5174 | Fax 717.783.4374 | [www.oa.state.pa.us](http://www.oa.state.pa.us)

identify the employee's appeal rights. The Employer will continue to provide the Union with a copy of this letter in accordance with Section 1 of both Article 31 and Recommendation No. 31.

This letter will clearly state that this action is in lieu of the traditional suspension without pay but has the effect of such a suspension.

Additionally, copies of all Level 1 and Level 2 letters issued to employees covered by this program shall be sent to SEIU Local 668 Headquarters. It is the understanding of the parties that the expansion of the program is not intended to alter or in any way modify existing progressions of discipline that may exist in the agencies.

The parties also recognize that special or unusual situations could develop which do not readily lend themselves to the Alternative Discipline Program. These situations could include, among others, occasions where the circumstances of alleged conduct are such as to require the employee's immediate removal from the workplace, situations where an employee is suspended without pay pending investigation of suspected misconduct, or where the serious and/or egregious nature of the offense warrants a traditional suspension without pay. Consequently, if the Commonwealth deems circumstances warrant it, a traditional suspension without pay or other appropriate discipline could be imposed in lieu of the Level 1 or Level 2 letters. In such circumstances, advance notification shall be given to the Union.

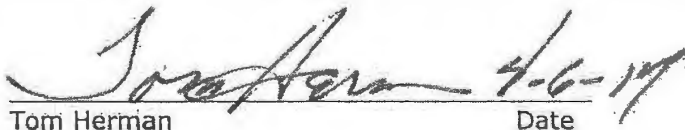

As such, effective April 20, 2017, this side letter of agreement replaces the previous one concerning the ADP dated March 10, 2000, and as a result, Article 31, Section 13 of the Collective Bargaining Agreement and Recommendation No. 31, Section 11 of the Memorandum of Understanding will be amended to reflect the date of this letter.

If you agree to the above, please sign below and return a copy of this letter to this office.

Sincerely,

Sharon P. Minnich, Secretary  
Governor's Office of Administration
