East Stroudsburg University of Pennsylvania Student Evaluation of Instructor

During the next few minutes we would like to collect your anonymous opinions about some important aspects of this course. Your candid responses will be appreciated. The results will be used to assess and improve instruction. The instructor will only see a statistical summary of the responses by the class (not your individual responses) and the group of anonymous comments.

Your answers will be returned to the instructor only after final grades for this course have been recorded.
