Email from The Office of the Provost to all Faculty, Department Chairs, Deans and selected Administrators that includes the following items:
1. Timeline
2. Response Form.

Faculty chooses to opt-in or opt-out by returning the response form to OIEPA. Returned responses are processed and course evaluation packets are assembled for the quarter courses. Courses are determined to be at least three hours or mentioned in the enrollment database. Courses, if a response is not submitted, courses automatically default to their classroom method of delivery.

Course evaluation packets are distributed to academic departments. Representatives from each department sign for the information in OIEPA. Evaluations are assembled and transferred to the Computing Center for scoring of the quantitative results. Completed course evaluation materials are to be placed in the Drop Boxes in Stroud Hall or Kemp Library.
