Major Leveraging Grants Mid-Project Progress Report

Recipients of *all* FDR Major Leveraging Grants are *required* to submit a Progress Report to the Office of Sponsored Projects and Research (OSPR) half-way through their project.

Submit your report, questions, or requests for assistance to ospr@esu.edu.

You may also call Sarah Weber, Assistant Director, OSPR, at 570-422-7908 for information or clarification.

Principal Investigator (PI) Name: FDR Grant # Department: Date:

Title of Project:

Start date:

End date:

Have you identified external funding, per the requirement of the grant?	Yes	No
<i>If no, would you like the OSPR to assist in the search?</i>	Yes	No

If you have not yet found an external grant opportunity, * please explain why:

If you have already found an external grant program(s), please list the funding agency, the program name, the deadline for submission, and the URL. Also, indicate which opportunity (if there are several) you are most likely to pursue.

Please describe your project achievements since receiving your award:

What challenges have you experienced throughout this project, if any?

** If you need assistance in identifying external grant opportunities, please contact the OSPR at your earliest convenience and the staff will assist you in these efforts.*

Have you been able to accomplish the work for your project within your proposed timeline or did you make adjustments? Please explain any changes.

How has this funding enhanced your personal research agenda?

How has this funding benefited your students and contributed to your professional development as a teacher?

Additional comments and/or request for extension (please include justification for extension request):
