## **OUT OF THE BOX** **REQUEST FOR PROPOSALS 2019-2020**

### **Program Purpose**

East Stroudsburg University (ESU), in alignment with its strategy to become a university that has a reputation for innovation and entrepreneurship, offers the **Out of the Box** internal grant opportunity. This opportunity is sponsored by the Office of the Provost.

This internal grant program allows all ESU faculty, staff, and students the opportunity to experience the positive impact of entrepreneurship. It is intended to support the development of and to infuse an entrepreneurial culture at ESU.

This opportunity seeks to support entrepreneurship at ESU and not workforce development, which are not the same thing.

Workforce development is about bringing people to jobs. *Author unknown.*

Entrepreneurship is the persistent progression towards an innovative solution to a key problem. It's the constant hunger for making things better and the idea that you are never satisfied with how things are." *Debbie Roxarzade, founder and CEO of Rachel's Kitchen*

*An ESU Entrepreneur is an innovator who creates opportunities and implements solutions-for profit or non-profit-for the ESU community and beyond.*

**Collaborative proposals are *strongly encouraged*.**

### **Link to ESU's Strategy**

The proposals must address how the project or proposed idea is in alignment with ESU's strategic plan *Students First: Empowering Innovation through Collaboration 2017-2020*. ESU's goals for 2020 remain the same as those identified for 2014-2017. Goal 3 is: A Reputation for Innovation and Entrepreneurship: Creating a Curious, Inventive, and Risk-Taking Community.

### **Award Amounts**

Example of Funded Project: Join the Flock Socks, Awarded 2017

This project created a small-scale social entrepreneurship initiative run through the C.R.E.A.T.E. Lab. The goal of Join the Flock Socks was to start a campus-wide initiative to create a culture among students, faculty and staff that embraces social entrepreneurship, creativity and innovation; to brand innovation and entrepreneurs at ESU via specially designed socks; and to contribute financially to a local and international charity to support their social mission.
