GRADUATE STUDENT RESEARCHER (GSR) SUMMER 2021
APPLICATION GUIDELINES

Graduate and Extended Studies, together with the Office of Sponsored Projects and Research, would like to support the research enterprise at ESU by offering two, ½ time Graduate Student Researcher - funded positions for the summer 2021. The position will be for the summer, beginning May 17 and ending August 27 for 10 hours a week at a pay of $10/hour. This is a summer opportunity only. *This is a competitive application process for a faculty member and a select graduate student to submit an application for a paid research position.*

The requirements of the position are that the graduate student must have direct and substantial involvement in a research or creative project – short or long term – in your department, that it will substantially enhance the student's learning potential by said involvement, and that you, the faculty member, will mentor this student's work. The proposal should <u>not</u> be to support a student's thesis work.

To Apply:
1.   Visit ***ESU eGRANTS****;* **Log in or register** (Contact Lynne Ozgur, lozgur@esu.edu for questions about the portal).
2.   Click on **Graduate Student Researcher Summer 2021** link on the homepage.
3.   Complete the cover page: The *ESU eGRANTS* application must include the name and contact information of the faculty member who will lead the endeavor (applicant), title of research project, a timeframe, the number of hours (10/week), and the name, major, and contact information of the student.
4.   Upload Proposal (Word doc or PDF): Include in your application a **3-4 paragraph** justification for the position which - if chosen - will become the student's job description.

Applications are due in ***ESU eGRANTS*** by **Noon, Monday, April 19, 2021**. Review time will be swift with announcement made by the end of April.

Criteria for selection are:

1. **Student's level of substantial involvement in the project**
2. **Clear impact on student's education and future career aspirations**
3. **Depth of faculty member's commitment to mentor student**

If chosen, the student will have to apply immediately to a job description that will be posted in Atlas.
