1. The committee discussed the overview of the Poster Session, which is scheduled for Thursday, October 24, 2013 from 9:00am to 7:00pm. The sessions will be held in four rooms on campus: Stroud Hall #319, Koehler Conference Room, Science & Tech. #338, and UC Reception Room. Each room will have all of the same information so individuals do not have to go to every room to complete the questions. The information will include the questions submitted by each task force. The three questions are due to Miguel Barbosa by the end of the business day on Friday, October 18.
2. A sign-up sheet was passed around for committee members to volunteer to be in Stroud #319 throughout the day to answer any questions people may have. Shannon will ask students if they are available in order fill the 10 hour timeframe.
3. The committee suggested various questions ranging from “do you feel a part of the university community?” to “how can the faculty and staff be better prepared to serve the students?”
4. Shannon will formulate 3 questions and send them to the committee members as soon as possible for their review and approval so she can forward the final version to Miguel by Friday the 18.
5. The next Student Centered Focus Task Force Committee meeting is scheduled for Thursday, November 7, 2013 at 2:00pm with Ann Duffield.
