Please note that pursuant to applicable statute which ties the base amount for triggering bidding requirements under the Procurement Code to the consumer price index, the bid threshold amount for 2017 has increased from \$19,400 to \$19,700. As a reminder, this amount applies to all procurements, including construction. The only exception is for contracts for the retention of architects and engineers (threshold remains at \$10,000) and consultative services (threshold remains at \$5,000 under §20-2010-A(13) of Act 188). Notice of the increase was published in the [Pennsylvania Bulletin on December 10, 2016](#).

Please feel free to forward this notice to individuals in your office who may not be on the distribution lists above. As always, please do not hesitate to contact me should you have any questions.
