

## OFF CAMPUS HOUSING INFORMATION

Dear Student,

The Office of Residence Life has compiled the attached list of available off campus housing. This list includes properties owned and managed by individuals within our surrounding community. To narrow your search, refer to the Key below to ascertain your preferred “type” code that corresponds to the list’s Type column. We do not inspect, approve nor recommend any listed space nor are we responsible for the condition of the housing, the safety, or well being of the student while they reside in any off campus housing. We encourage all students to go to our ESU website, [http://www4.esu.edu/students/residence\\_life/off\\_campus\\_housing.cfm](http://www4.esu.edu/students/residence_life/off_campus_housing.cfm) and view the “Guide to Living Off Campus” and the most current list of “Off Campus Housing” rentals. Among the information you will find a sample lease and a checklist for your protection. The Off Campus list is a service to our students to make the task of finding places to live within the community a little easier. **If you also have returned an On-Campus Housing Application to Residence Life and Housing Operations (phone: 570-422-3460), assignments will continue to be made from the wait list as spaces become available.**

The University will not knowingly assist nor support any property owner or agent who engages in unlawful housing discrimination. Each property owner on the list has agreed to rent without regard to race, color, gender, religion, ancestry, national origin, sex, familial status, or disability. We are not responsible for any misrepresentations, omissions, or mistakes made by the individuals or agencies providing information on housing or housing conditions. It is strongly suggested that the student contact the individual noted on the list for further information concerning the condition of properties that are for rent.

You also may wish to review the local newspaper’s classified rental ads at their website:

<http://www.poconorecord.com/>

Our list is updated on a regular basis. It may be obtained by calling us at (570) 422-3460 with your name and address or by visiting our office in Hemlock Suites. You can also pick up other information about campus activities and events there.

We wish you the best in your housing search and look forward to offering you any assistance that you might need as a student of East Stroudsburg University.

Sincerely,

Doreen Tobin, VP of Student Affairs  
Interim Director of Residence Life & Housing Operations
