

EAST STROUDSBURG UNIVERSITY HOUSING AGREEMENT (2021-2022)

TERM OF CONTRACT – The term of occupancy shall be for the entire Academic Year or Summer Session. The student is not permitted to cancel this contract, unless he/she gives notice of the cancellation request in writing on or before August 1, 2021. The student will be given notice of the official opening and closing dates of the residence hall for each semester. The student must occupy the living space within 48 hours of the official opening time and must vacate the entire living space by the official closing time. In the event a student withdraws during a semester, the entire living space must be vacated within 48 hours after withdrawal. Any and all personal belongings remaining after that time will be removed and disposed of at the student's expense.

CANCELLATION REQUESTS – Cancellations are entertained only if one of the following reasons is presented, for the spring semester:

- You withdraw from the University. Residential and Dining Services will be notified by the Student Enrollment Center if you withdraw, and your account will be pro-rated accordingly.
- You transfer from the University.
- You are student teaching closer to your home and want to commute.
- You are fulfilling an internship closer to your home and want to commute.
- You are studying abroad.
- There is an emergency (this information must be given to the Residential and Dining Services in writing, using the appeal form (see "Cancellation Appeals" below)).

CANCELLATION APPEALS – It is highly unlikely that the University will release you from the University Housing Agreement for reasons other than being dropped or official withdrawal from the University. If you feel that personal circumstances warrant consideration, you can request a copy of the Appeal Form from the Residential and Dining Services department. You should complete the form, supply all necessary documentation, and return the completed form as directed. You should not sign another contract before being notified in writing of release from your University Housing Agreement.

TERMINATION CLAUSE – Residents may be subject to an administrative room/suite change or agreement termination for any violation of this agreement or any addendum(s). Under these circumstances, a resident may not be eligible for a partial and/or full refund.

OASIS HOUSING ACCOMMODATIONS – If a student has a disability that requires an accommodation related to housing, the student has the right a request for accommodation and supporting documentation to the University (see "OASIS Accommodations" on our webpage: <https://www.esu.edu/oasis/index.cfm>). Your accommodation request should be submitted by the May 1 Priority Housing Deadline to allow the University sufficient time to consider the preferences for the assignment process. Once the form is received and reviewed, any determination that is made will take effect immediately, and may impact the student's current room

assignment. If the form is received after the deadline, contract preferences for area, and/or roommate requests will be reviewed but taken into consideration only if space permits. If the form is received after room assignments are posted, the University reserves the right to reassign the student to a space that will accommodate the student.

COVID-19 HOUSING ADDENDUM

FALL 2021

The COVID-19 Housing Addendum for Residential and Dining Services has been created to clarify housing expectations for the Fall 2021 semester. In order to support the health and safety of all residents, community members are expected to adhere the following standards.

- ▶ The best way to prevent infection is to avoid being exposed to this virus. You can reduce your risk by taking these measures:
 - Wash hands often with soap and water for a least 20 seconds.
 - Use hand sanitizer, with 60-95% alcohol if soap/water is not available.
 - Avoid touching your eyes, nose, or mouth with unwashed hands.
 - Avoid contact with people who are sick.
 - Stay home while you are sick, except to seek medical care, and avoid close contact with others.
 - Cover your mouth and nose with your elbow or a tissue when coughing or sneezing, and immediately dispose of the used tissue.
 - Practice appropriate social distancing according to CDC guidelines.
 - Cover your mouth and nose with a cloth face cover when around others.
 - Clean and disinfect frequently touched surfaces daily by using detergent or soap and water, then use a household EPA-registered disinfectant.
- ▶ **I understand that, if I exhibit any signs or symptoms of COVID-19**, as enumerated by the U.S. Centers for Disease Control and Prevention (CDC) at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>, or if I have been **in close contact with someone who has tested positive for COVID-19**, it is my responsibility to contact a medical provider and my Residential Learning Coordinator within one (1) business day and self-quarantine. Self-quarantining means NO human contact with ANYONE, including family, friends, and especially going out into the public. **DO NOT LEAVE YOUR ROOM.** Remember, if your symptoms are mild this does not mean you cannot spread the virus to someone else and put others at severe risk.
- ▶ **I understand that** if I need to self-isolate or self-quarantine, I will comply with Residential and Dining Services' procedures related to ESU's COVID-19 safety protocols. This may include but is not limited to temporary relocation to self-isolate/quarantine and alternative dining arrangements.
- ▶ **I understand and affirm that, in the event of a medical emergency, I will call 911**, and that I will notify the operator that I have, or think I might have, COVID-19. I will put on a cloth face covering before medical help arrives.
- ▶ **I understand that** as a result of the coronavirus pandemic, there will be no visitation for non-residential students and guests in campus housing for the fall 2021 semester. Students residing in campus housing will be allowed to visit other residence halls. Only 1 guest per resident will be allowed in residence hall rooms. Gatherings of more than two must take place in lounge spaces within the residence hall. In the event circumstances change, I will be notified.
- ▶ **I understand that** I must comply with mandatory COVID-19 testing protocols when I arrive on campus in August and with random COVID-19 testing throughout the fall semester.
- ▶ **I understand that** ESU is requiring that all students wear a cloth face covering. Residents are expected to wear their face covering outside of their residence hall room.
- ▶ **I understand that** this addendum does not replace any requirements of the university for returning to campus including, but not limited to, completing the health history form and proof of meningitis vaccination, staggered move in dates, etc.
- ▶ **I understand that** for the health and well-being of ESU students, faculty and staff, there may be changes in housing policies and procedures, and I agree to abide by these amended policies and procedures. I also understand that if I violate current and/or COVID-19 related housing policies and procedures, I may be referred to Student Conduct and Community Standards and may risk housing removal and/or suspension.
