VENMO Deposits

Student organizations accepting Venmo payments must have the purchaser send the payment directly to SAA's VENMO account. <u>Funds must not be sent to a student's personal account</u>. You can find SAA by using our VENMO account @ESU-StudentActivityAssoc or simply use our QR code!

All deposits <u>must</u> include:

- Organization's name and SAA account number where the money is to be deposited
- Reason for payment (Example: ABC Club C99 bake sale)

The SAA Business Office will deposit funds to each organization's account within 5-7 business days of receipt.
