STUDENT CODE OF CONDUCT

INTRODUCTION

Summary Statement: The University and its students must maintain appropriate conditions for learning. The pursuit of higher education for the development of knowledge, the pursuit of truth, the well-balanced development of students, and the common good of society are goals we live by at ESU. With that, the University must make provisions for the attainment of these goals. In so doing, the University must accept its social and legal responsibilities to the nation, the Commonwealth, the local community, and to all constituents of the academic community. Within the university, freedom to learn is the student’s most basic freedom and a primary concern of the entire academic community. The student should be encouraged to develop the capacity for critical judgment, to engage in a sustained and independent search for knowledge and truth, and to attain professional competence. The freedom to learn depends upon maintaining appropriate opportunities and conditions not only in the classroom, but also on the campus and in the local community.

The primary purpose of this document is to elaborate, for the student and student organizations, on those conditions that ensure the freedom to learn responsible social behavior, civility, community expectations, and to respect the rights of all members of the community. As a reminder, East Stroudsburg University seeks cooperation in establishing an academic and work environment that is free from discrimination and harassment against any person because of race, color, national origin, religion, sex, disability, age, sexual orientation, gender identity or veteran’s status in accordance with applicable federal and state laws and regulations.

The conduct process for a student or student organization begins when SCCS receives a referral of a potential violation of the Student Code of Conduct or local, state, or federal law. The referral is reviewed by SCCS and notice is sent to the student/student organization concerning the nature of the violation reported, date and location of incident, and asking the student/student organization to meet with a member of SCCS or designee.

1. **Receipt of Referral:** SCCS receives a referral that is filed within a reasonable amount of time following the discovery of the alleged violation and no later than three (3) months after the discovery, except in extraordinary cases. In certain cases, the SCCS may waive the time period for filing charges after making a finding in writing that waives the time period for filing charges in the best interest of the University.

   A referral may be initiated by a student, faculty member, University Police personnel, staff member, office personnel, or interested party to the University. The Director of SCCS or designee may request information concerning prior misconduct of the student from the University Police and other appropriate persons or offices.

   SCCS will then send the student notice of the referral through either (1) a Charge Letter informing the student of the process, or (2) an Interim Suspension Letter informing the student of the charges and Interim Suspension Process. This notice will be sent to the student’s official university email account. For student organizations, this notice will be sent to the official university email account of the presiding officer of the organization (President).

   **In Absentia:** If the student does not make an appointment within the timeframe outlined in the letter, the case may be heard in absentia. The student will then receive an Outcome letter and have an option for Formal Hearing. If the student does not request a formal hearing in the timeframe allotted, then it will be understood that the student accepts the outcome as is and the sanctions will be in effect.

2. **Conduct Conference:** The University conducts meetings for students involved in incidents that may require disciplinary action. A member of the office of Student Conduct & Community Standards or designee will meet with the student for a Conduct Conference to review all charges, pertinent information to the incident and formal hearing options. Unless otherwise specified in this document, the student has the right to choose from the hearing options listed below:

   a. **Option One: Mutual Resolution through Conduct Conference:**

      This is an informal meeting conducted by a member of SCCS/designee. This meeting is intended to apprise the party of the information contained in the referral, discuss the
charges, and potential outcomes. Students are given the opportunity to explain their involvement in the incident and admit to some/all responsibility for the violations. If a mutual agreement is reached, the student will sign a form waiving his/her right to a formal hearing and his/her right to an appeal. The hearing, which is not recorded, is adjudicated by the Student Conduct & Community Standards/designee. The student and the adjudicator will review all information concerning the alleged violation and the student will speak on his/her own behalf. After the informal review, the adjudicator may reach one of the following decisions and send the decision in an Outcome Letter:

2. Case dismissed; or
3. Case continued pending further investigation by the hearing officer.

b. Option Two: Formal Hearing with an Administrative Hearing Officer or the University Conduct Board:

This is a formal hearing before either one Administrative Hearing Officer or the University Conduct Board. The UCB is panel consisting of students and faculty/staff, but for cases falling within Title IX regulations, the panel will consist of faculty/staff only. Students may bring witnesses, who have knowledge of the incident, to this hearing. Students also have an appeal option after a formal hearing. At the conclusion of the Formal Hearing, the adjudicating body has up to three business days to reach a decision.

When circumstances arise (e.g., staffing constraints or a particularly complex matter), additional time may be required to issue a decision. If additional time is needed, that will be communicated to the charged student. In cases of sexual harassment/sexual misconduct or physical violence, the complainant will also be notified of the delay.

Once a decision is reached, the decision will be sent in the form of an Outcome letter to the student’s official university email address. If SCCS does not receive an appeal from the student within 5 business days from the date of Outcome letter, it will be understood that the student accepts the decision as final, waives his/her right to appeal, and all sanctions will be effective.

Prior to a formal hearing, a student may make an appointment to review any file information related to the charges. At a formal hearing, the student or representative(s) of the organization may be advised and accompanied (but not represented) by a member of the University community or by legal counsel procured at the student’s expense. The advisor may only consult and interact privately with the student. The decision rendered by the Administrative Hearing Officer or UCB during a formal hearing shall be based solely upon the evidence/information presented in the hearing. This is a recorded hearing where witnesses may be called to provide information. The student’s witness(es) must have pertinent information to the case. (Character witnesses are not be permitted.) If during a hearing additional violations are brought to light, new charges may be filed and a new hearing may be scheduled.
3. **Conflict Resolution Session/s:** When appropriate and agreeable to all students involved, a conflict resolution process may be conducted in lieu of an adjudication of Code of Conduct violations. The of Student Conduct & Community Standards/designee will determine when this process may be an option. At the conclusion of the Conflict Resolution process, an Outcome letter will be sent to both parties.

**Additional procedural requirements for cases Involving Sexual Harassment/Sexual Misconduct/Dating Violence/Domestic Violence/Stalking the following apply (see also ESU Policy ESU-2011-10):**

1. All incidents of sexual misconduct must be reported to the Title IX Coordinator. The complainant has the right not to report sexual misconduct to University Police and/or local police if he, she, or they choose.

2. Formal hearings will be the venue for any incidents involving sexual harassment/sexual misconduct that are not resolved through an informal resolution process within the Title IX office.

3. Retaliation against any individual on the basis of a good faith report made by such individual, and/or on the basis of that individual’s participation in an investigation, hearing, and/or final disposition of the sexual misconduct investigation is contrary to the community standards and is strictly prohibited under this code of conduct.

4. Both the respondent and complainant have the right to have one Advisor of their choice present at all steps of the process and at the student’s personal expense. The Advisor may include a parent, guardian, or attorney. The Advisor may confer with the respondent or complainant, but may not speak on the respondent’s or complainant’s behalf. The Advisor is allowed to conduct the cross examination on behalf of the complainant and/or respondent in sexual harassment/sexual misconduct/VAWA related cases in the formal hearing.

5. The respondent(s) may have character witnesses present on his/her/their character for a formal hearing.

6. Both the respondent and complainant have the right to be informed of the outcome of the hearing in writing.

7. Both students, respondent and complainant, have the right to appeal the outcome of a formal hearing.

**X. Decision**

All decisions of the Administrative Hearing Body are final for all sanctions up to and including expulsion.

**XI. Appeals of Formal Hearings**
Appeals are decided by the Vice President for Campus Life and Inclusive Excellence/designee for non-academic cases, the Provost/designee for Academic Integrity Cases, or the President/designee in cases that result in Expulsion. *Appeal information for cases involving sexual harassment/sexual misconduct/dating violence/domestic violence/stalking, please see ESU policy ESU-2011-10.*

Appeals must be made in writing by the student and submitted/delivered to the Office of Student Conduct and Community Standards within five (5) business days after the decision of the hearing body. Upon receipt of the written appeal, the Office of Student Conduct and Community Standards will submit the appeal to the designated individual and defer the imposition of the sanction(s) pending the decision on the appeal. Appeals must be based on:

a) Lack of due process;
b) Lack of substantial evidence to support the decision; or
c) New evidence that has become available that would substantially change the nature of the case;
d) Severity of sanctions only if the sanction resulted in one or more of the following: loss of eligibility to live in and/or visit University-owned/operated housing, suspension, and/or expulsion.

If the appeal meets one of the categories listed above, it will be reviewed by the designated individual and the following may be recommended:

a) Uphold the decision;
b) Alter the decision and/or sanction that has been imposed;
c) Return the matter to the Office of Student Conduct and Community Standards with instructions for re-adjudication relative to specific issues; or
d) Overrule the decision and dismiss the case.

Decisions on appeal will be rendered by the Vice President or Provost within ten (10) business days, unless justifiable circumstances make adherence to this time frame infeasible.

The decision of the Vice President or Provost is considered final university action. There is no other appeal process.

**XII. Provision for Amendments**

A committee of students, faculty and administrators will periodically review this document at least every 3 years. The Vice President for Campus Life and Inclusive Excellence will assist in appointing the chair and members of the review committee. Such a review process, in cooperation with the Vice President, will facilitate making timely changes to better meet the needs of the academic community.

**XIII. Records Retention**

All disciplinary records are the property of the office of Student Conduct and Community Standards. The office will maintain these records for 7 years from the date of graduation, or the last date of enrollment if the student did not graduate.
