

WarriorFish Kiosk Check in (For Campus Services)

- The generic URL to launch a kiosk is <https://esu.starfishsolutions.com/starfish-ops/kiosk/index.html> . Go to this URL on the desired kiosk computer.
- Select your office’s kiosk name from the drop down menu and sign in.

The Starfish logo and text "Starfish retention solutions" are at the top left. To the right, it says "Launch the Starfish Kiosk." Below this is a text box with instructions: "The Starfish Service Kiosk allows students to sign in for meeting with members of services on campus. To launch the kiosk for your service(s), select the kiosk below and enter the password for that kiosk. If you are unsure of the login information, please talk to your Starfish system administrator." Below the text is a "Kiosk" dropdown menu with "Academic Enrichment & Learning" selected. Below that is a "Password" field with an empty input box. At the bottom right is a blue "Submit" button.

- If checking in a student, you may manually enter the Student’s ID information. If you have a card swipe installed, students may swipe their eCard. Once details are populated, select “Sign In”.

Please use your
student ID to sign in.

Once signed in, take a seat and someone will be right with you.
